I'll always think of you as my dearest friend. You are really a beautiful person. You are so warm and kind and full of love.

Remember all those fun times at Washington? It's almost too bad we had to grow up.

Donna, I wish you the very best of everything always. You deserve it. Think positive. Be happy and keep smiling.

Love you Always,

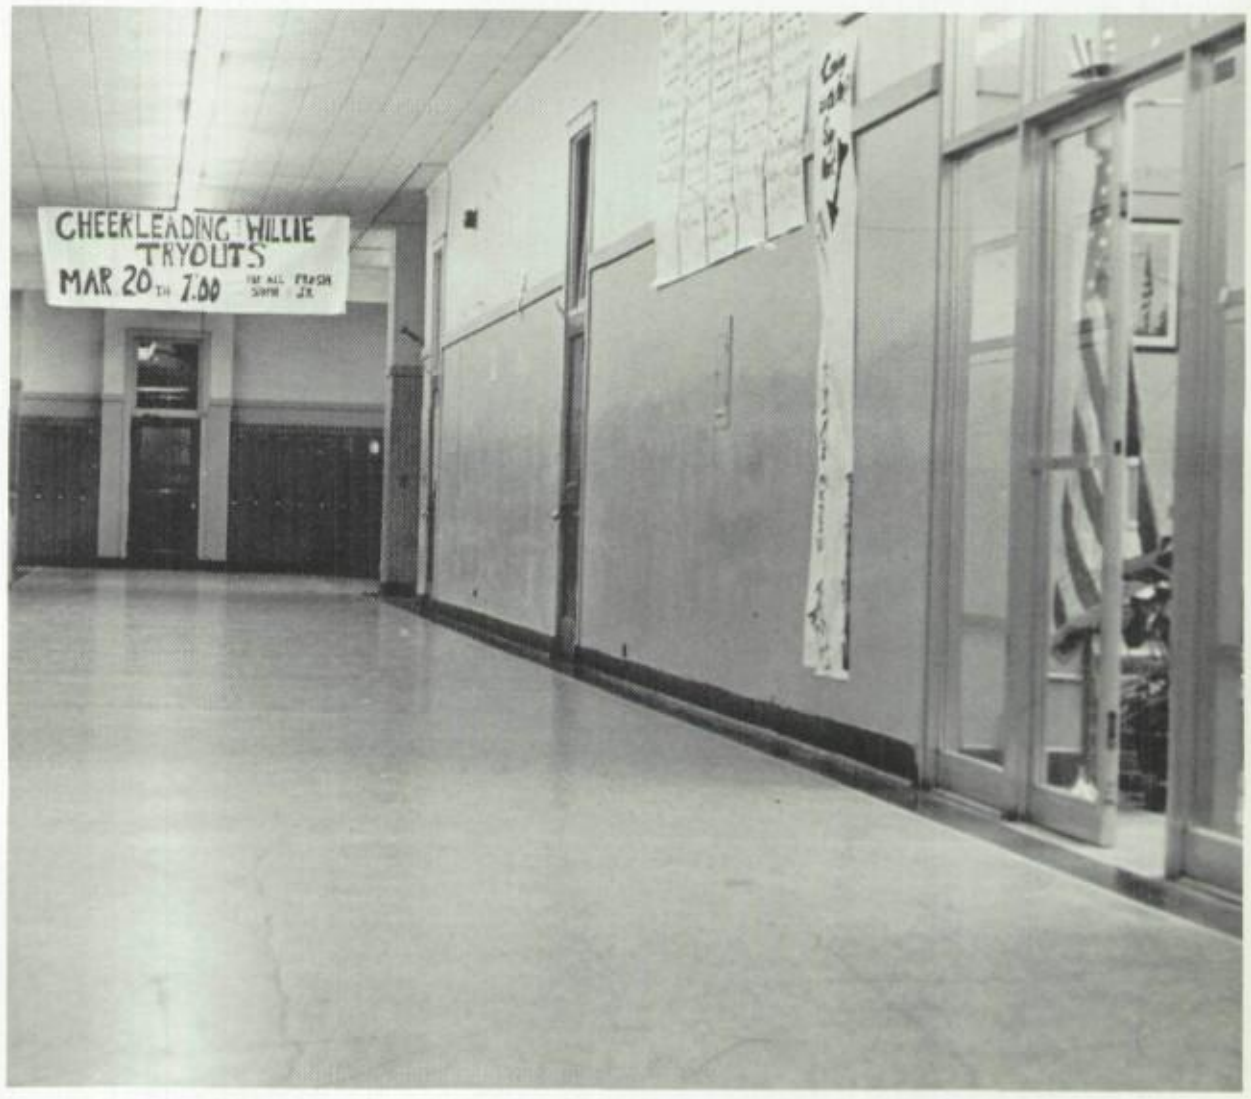
Our World Is Aglow with People

"Central's a Stepping Stone in Our Lives"

For four years Central is our world, a community within a community. Our life schedule is built around the school and all its activities from academical to social events. The people, goals and experiences encountered here will have a determining effect on our future.



Quietness ascents the main hall after a ten hour academic schedule, night classes and extra curricular activities. In order to fulfill an education for Central's 3,200 students, it was necessary to go on two schedules with city students in the morning and bus students in the afternoon.

Giving his class time to ponder on a thought is Mr. John Milliman. Discussions and opinions play an important role in the teaching and learning process at Central.

Practicing to perfect her routine is gymnastic team member, Cheryl Robinson.

Racing agains time and opponents during a varsity swim meet is freshman Robert Hagen. The competitive nature of sports brings about an alert and well rounded personality.

Marching in protest of pollution are Central Students. Centralites then joined other Bay City students at Vets Park to hear speakers and cleanup.

Taking a peek at the activities that are happening inside Central is senior Bob Vough.

Enjoying some of her spare time in the cafeteria with a couple friends is Monica Folsom.

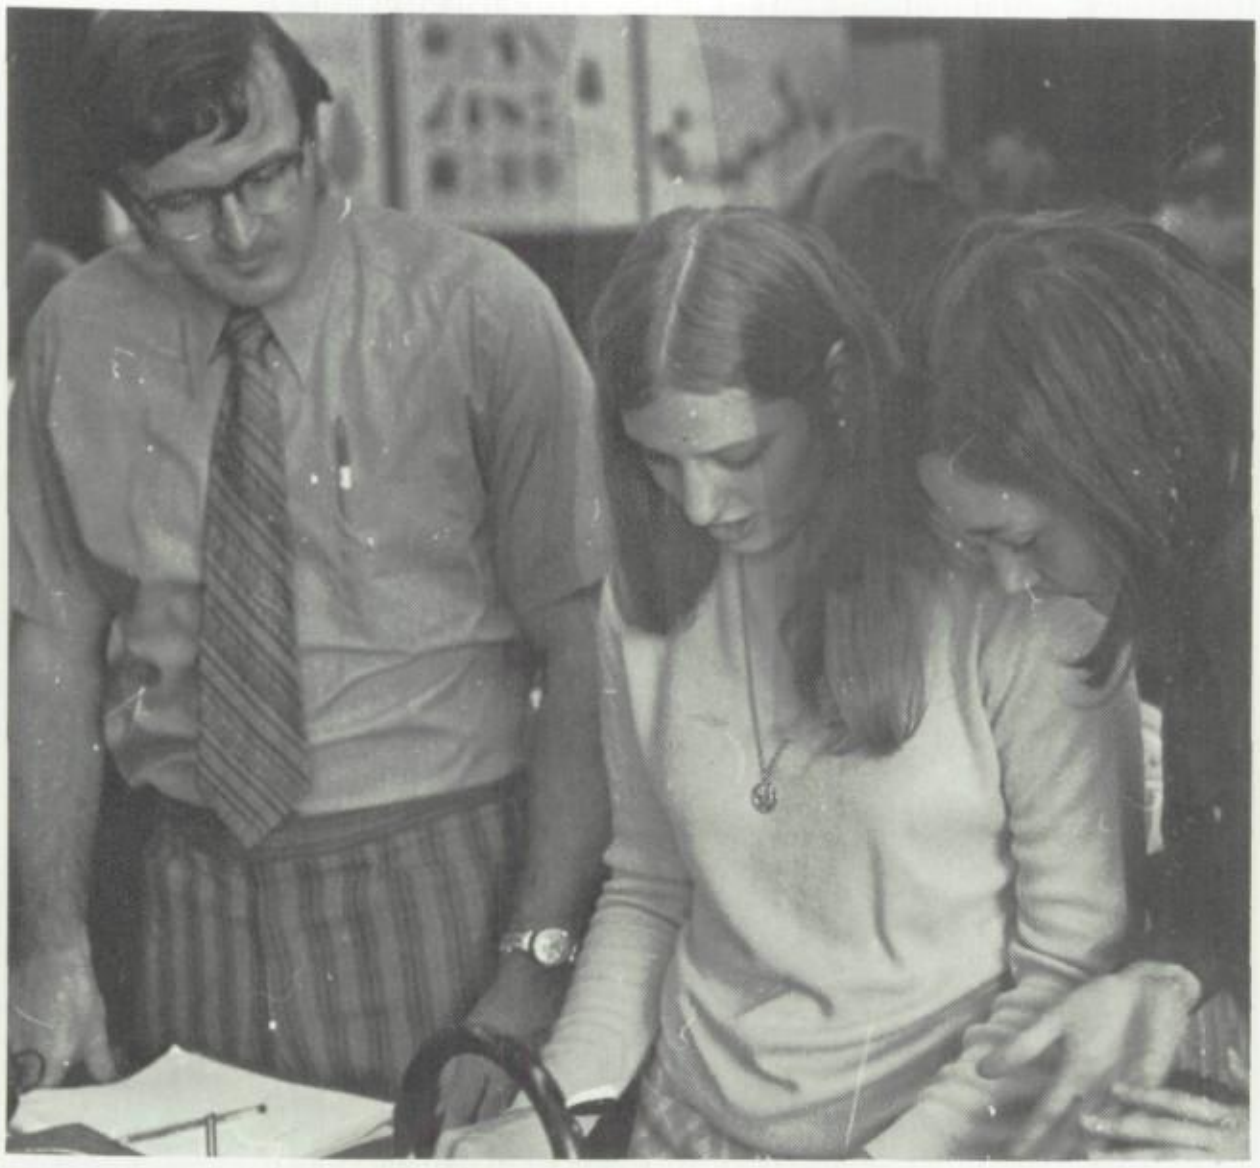
Patiently waiting to talk to his counselor about scheduling is one of Central's students.

Displayed are posters by the individual classes for the weekly basketball games to exhibit the enthusiasm the school has.

Knowing people, Learning people,
Busy, Achieving and Growing people.
Concerned people, Giving people,
the College, Business and Vocational
people.
People, People, People! Our world is a glow
with people.

ACADEMICS

Science Opens the Door to a New World



Percision is what counts in a biology experiment and there preparing the mixtures are sophomores Victoria Burke and Susan Nuenke. Meanwhile, Mr. James Reed, supervisor is making sure everything in the procedure goes smoothly and efficiently.

Science is constantly changing, and so is Bay City Central's Science Department. This department is kept up to date by many interested and concerned Science teachers. This past year, new teachers have taken over the Harvard Project Physics and Advance Biology courses and have brought in new ideas.

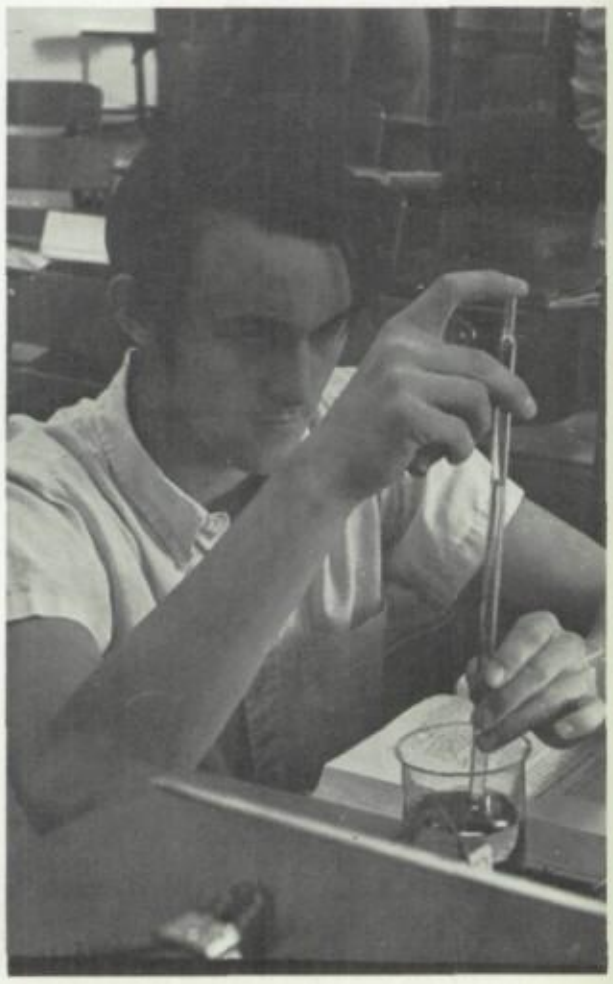
Science offers an understanding of the World around us. It enables students of science to become aware of the many unanswered questions of today's scientific world. The lab periods also help to teach students how to work together.

This last year, however, the students have been deprived of many of these assets. Since the austerity program has been in effect, the laboratory sessions have been almost completely eliminated.

Despite some of the set backs the millage has caused, the teachers have done their best to keep the students interested in science. A dark room for the purpose of developing photographs in the physical science classes is one of the new facilities they've done.

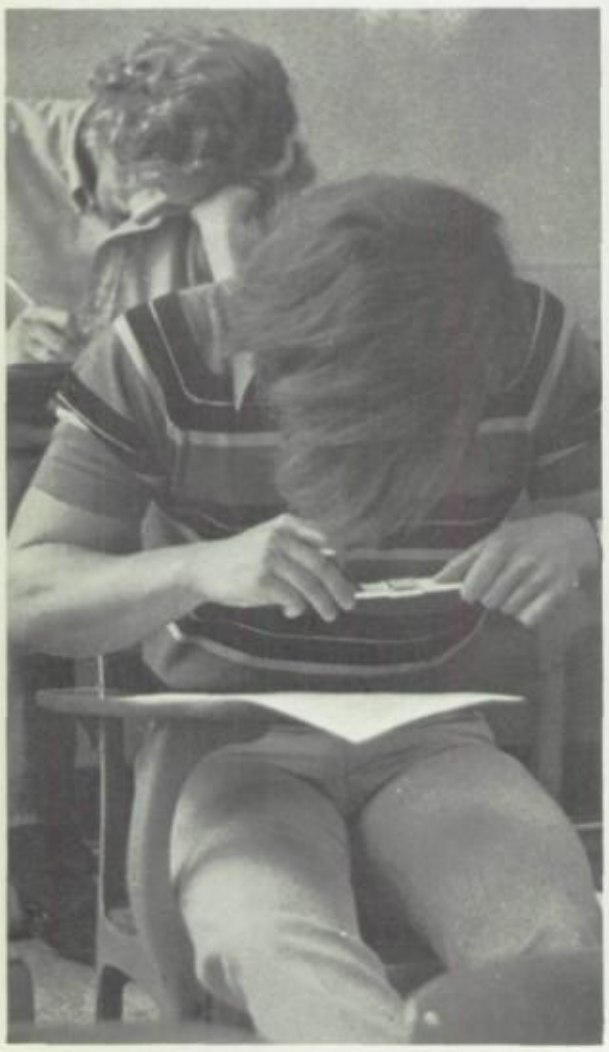
Accidents sometimes occur and helping student Ken Holka untangle his equipment for an experiment in earth science is Mr. Gerald Hovis.

Carefully pipetting his compound for accurate data on his experiment in Advanced Biology is sophomore Tim McTaggart.



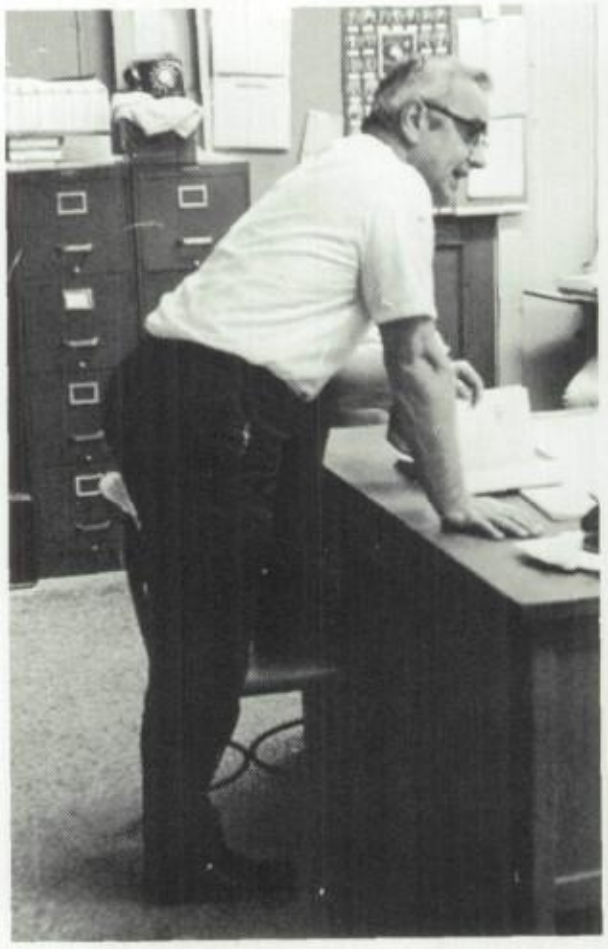
Comparing data they've collected are students Ed Barry and Jon Loessel in Mr. Thomas Drummond's fifth hour chemistry class.

Demonstrating the concentration and effort people employ while taking an important physics test are seniors Fred Youn and Tim Jay.

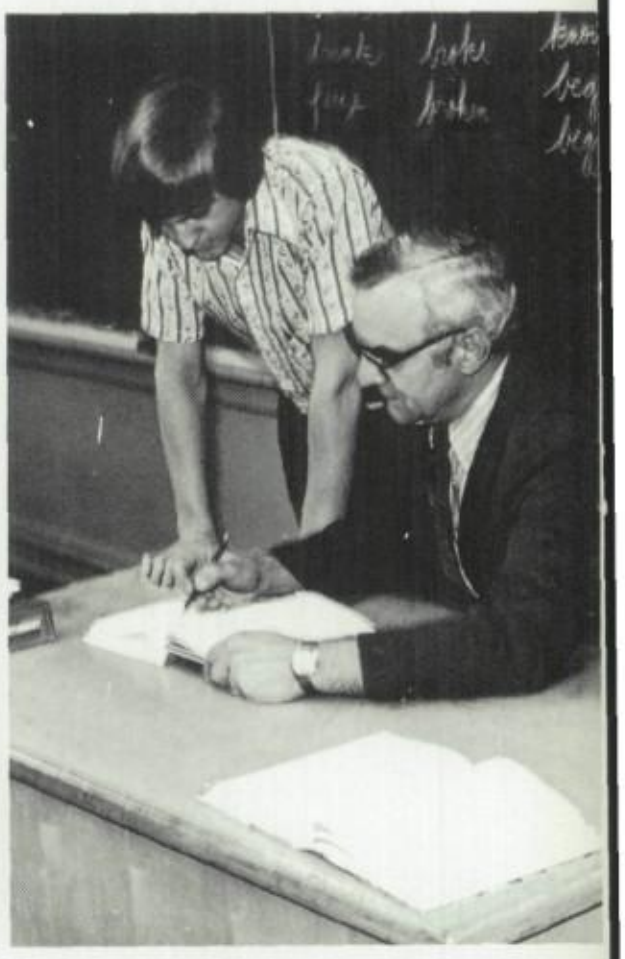


Launching a projectile in the Harvard Project Physic class and trying to predict where it will land is Mr. Timothy J. Murphy and senior Paul Shyposki.

Math Proves Important in Everyday Living



Stressing the importance of math to his Adv. Algebra class is Mr. Harold Diebolt.



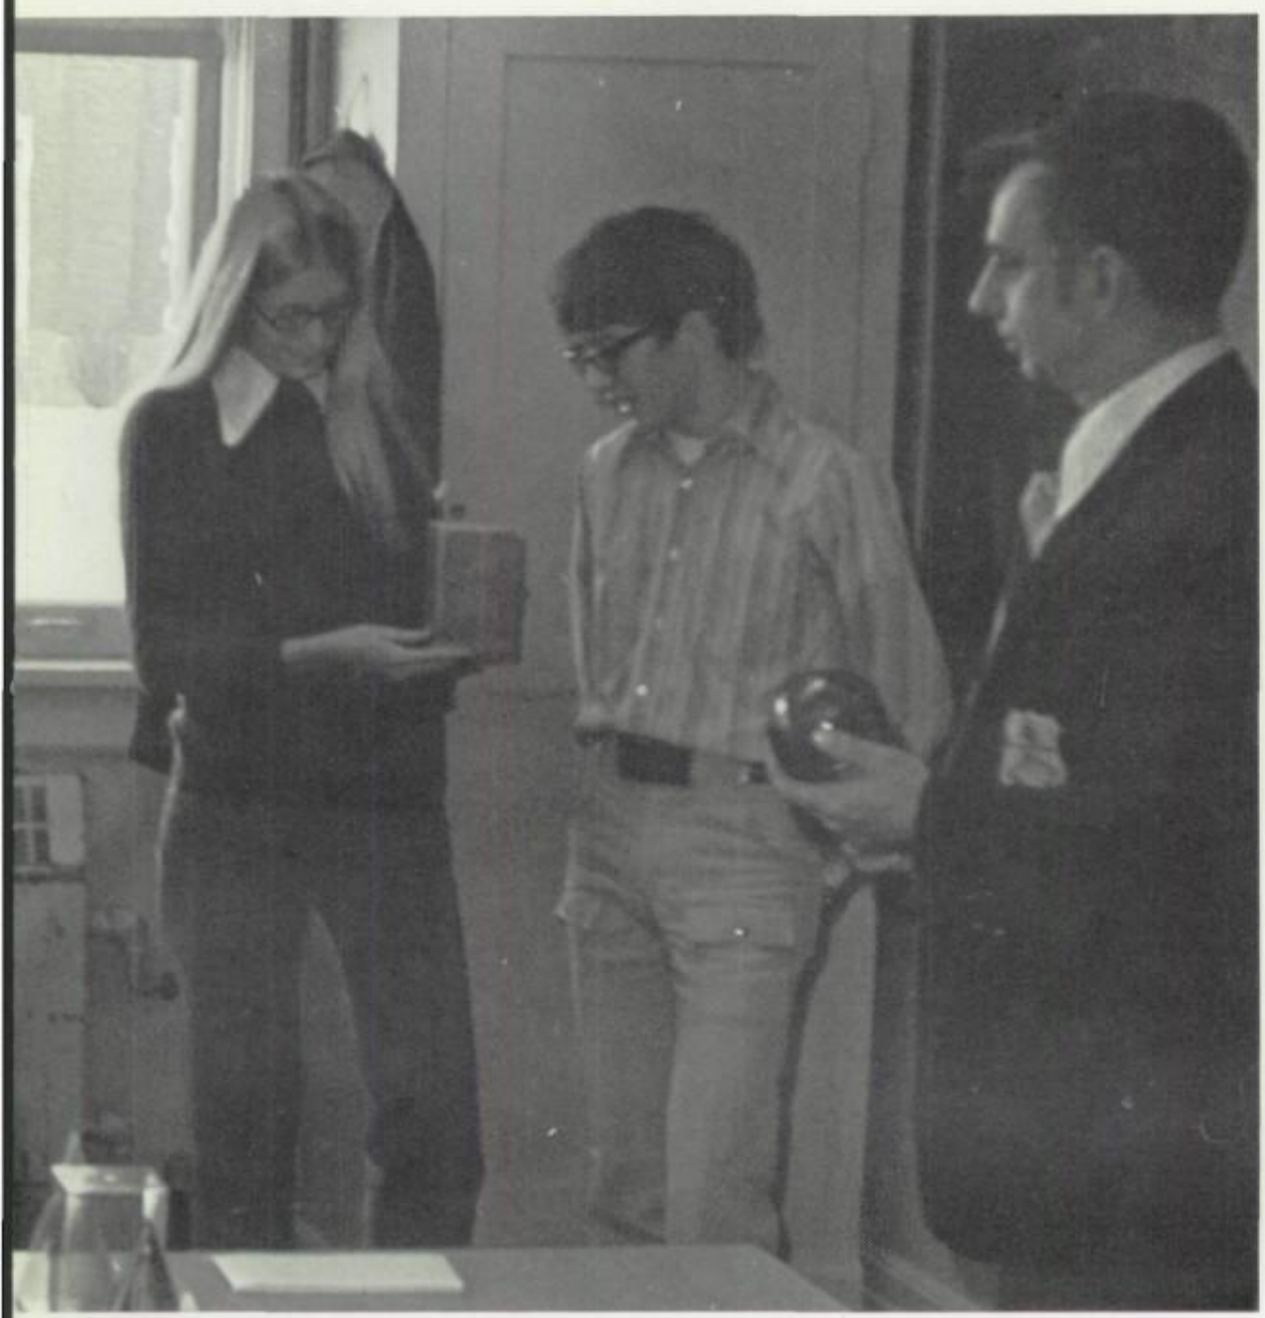
Puzzled over a math problem and seeking the aid of Mr. Harold Diebolt is Greg Kintz.

Concentrating on the steps in solving a tricky Algebraic equation are a group of math students.

Most worthwhile jobs require mathmatics. That was why it was important to have a solid background in math and although it may have seemed like it was only used in the classroom, math did train students to think through "problems" that might arise in everyday living.

This year the department received new books for Plain Geometry, Plain and Solid Geometry and General math classes. Along with receiving new books, a new teacher, Mrs. Cynthia Fox, taught Trigonometry, Algebra 1 and General Math. Mr. Al Weir, counselor at Bay City Central, taught one math class and Mr. Tom Dobbick, who taught business in previous years instructed three math classes.

During the year, a Michigan Mathmatics Competitive test was given to students trying for a scholarship to the college of their choice. The test, which came in two parts, was extremely difficult. Central had two students, senior Tom Dominowski and senior Paul Sigelko, who qualified to take the second half of the test. No one has qualified within the past two years.

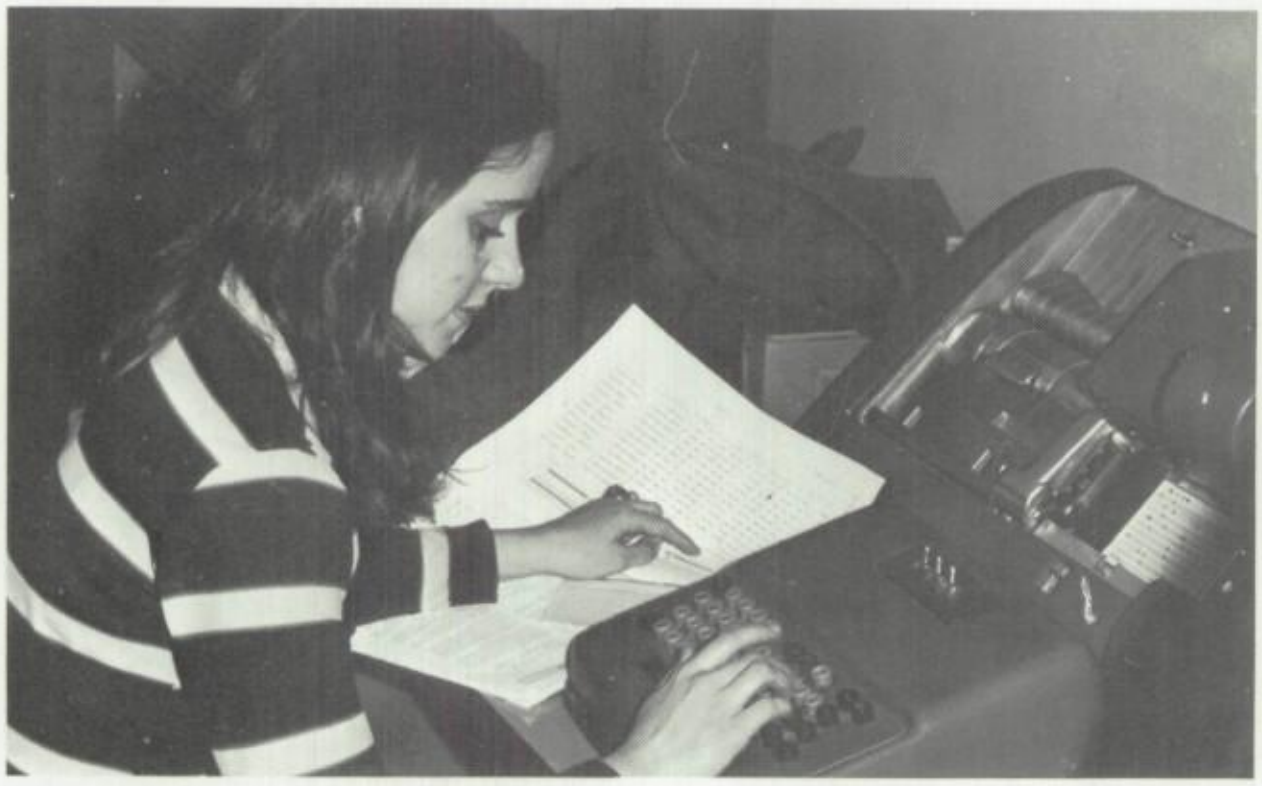


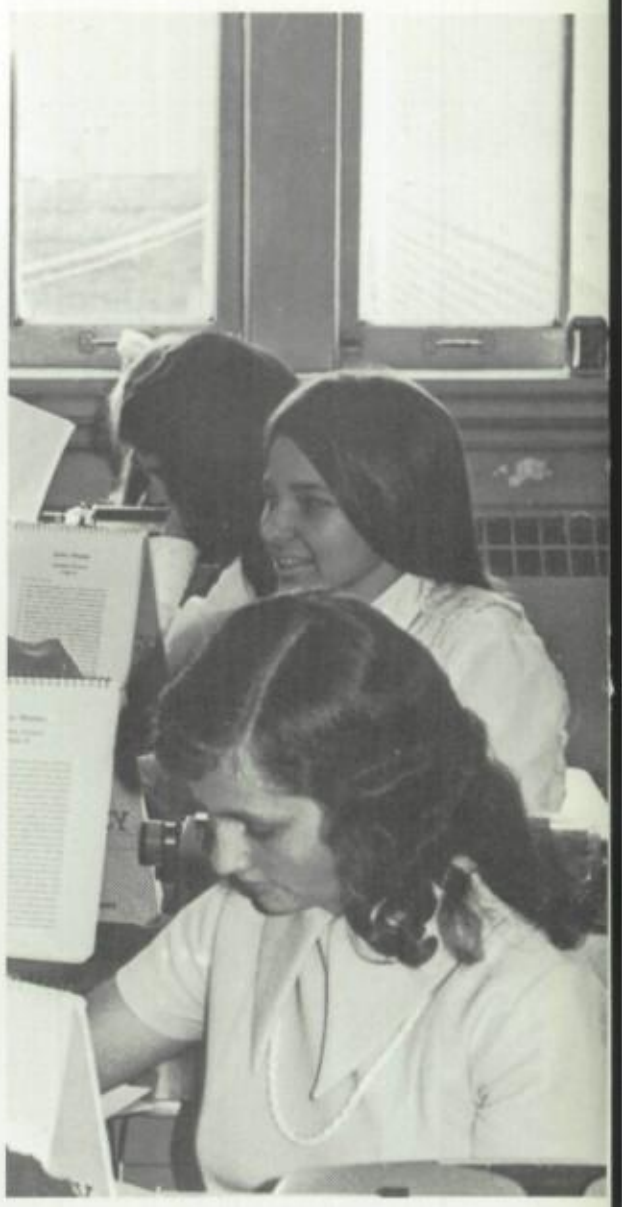
Carefully examining the isometrics figures in P.S. Geometry are students Monica Irwin and Robert McGee as Mr. Jerry Toyzan prepares to hand them another.

Double checking her accuracy on solving a trig. problem for her class is Mrs. Cynthia Fox.

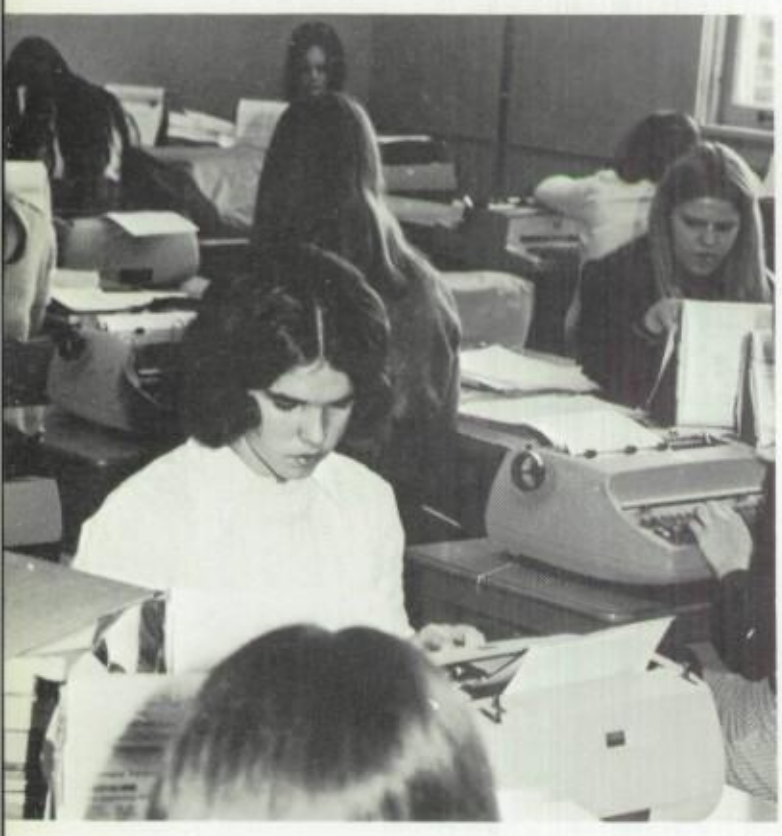
Given a few minutes before class to finish assignments, are a group of eighth hour trig. students.

Carefully working on some problems in Office Practice class is Senior, Sally Chartier. She is using the key punch, one of the many different types of office machines used in the Business Dept.





Hoping their notes are legible are Senior students Judy Scheuerlein and Joanne Gwizdala.



Carefully typing out her assignment in Advanced Typing class is Junior Beverly Goik.

Listening attentively is Senior Bob Hunt, as Mr. Harland Charters explains how to center topics.

Learning to operate the computer calculator are Seniors Cindy Kazmierski and Enedina Aguirre.

Helping Sheryl Young transcribe her notes is Transcription teacher Miss Betty MacDonald.

Students Can Advance in Business Dept.

Central's Business Department remained basically the same. Personal typing was offered both semesters and the students had an opportunity to choose whether they wanted to receive a grade or only the mark of CR or NC. Either, if successfully completed by the student, gave credit. Advanced classes were also offered.

Shorthand developed skills of students in the reading and writing of shorthand and taking dictation. The students taking advanced classes spent most of their time building speed and putting all the principles learned into practice. Once the student had advanced enough Transcription taught students how to take dictated notes and transcribe them accurately into mailable copy.

Business Machines, necessary in solving problems in the work world, gave students a chance to learn to use a variety of adding and calculating machines. If a student elected Data Processing it was a one semester course introducing students to that field. It includes the Computer System, concepts and language, key punch and cards and flow charting.

Performing just one of her duties of filing in Miss Dorothy White's sixth hour Clercial Practice class is Senior student, Bonnie Pauley.

Straightening up the mens slacks in Knepps lower level is Co-Op student Steve Gutierrez, stock boy.

Observing the work of Debbie Peplinski in Co-Op Office Practice is Mr. Jacobs, director.

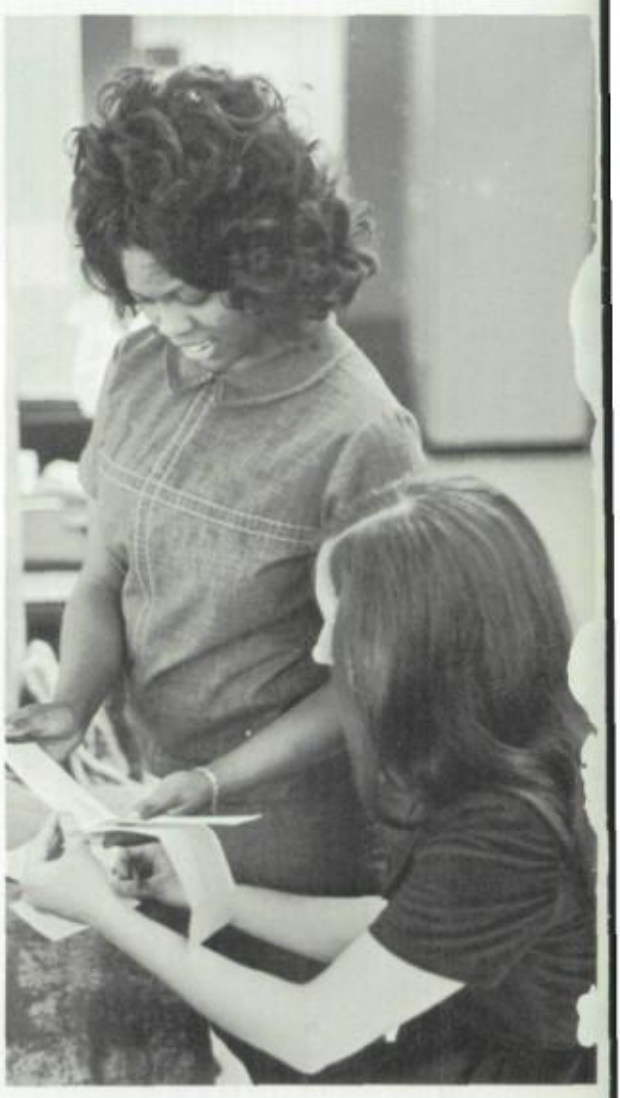
Co-Op Students Learn More

Explaining the importance of leasing to DE Practice students is Mr. Duch, Co-Op director.

Distributive Education Co-Op, Trade and Industrial Co-Op and Business Co-Op students work part of the school day under competent supervision in places of business. The experiences gained outside of class is more valuable than the student gains in the classroom.

D.E. Practice is a full year course for 12th grade Distributive Education Co-Op students only. The main purpose is to offer a related course covering specific area of work in the distributive occupations with special emphasis on the various functions performed such as buying and sales promotion. A specific objective is to establish a correlation between classroom instruction and work on the job.

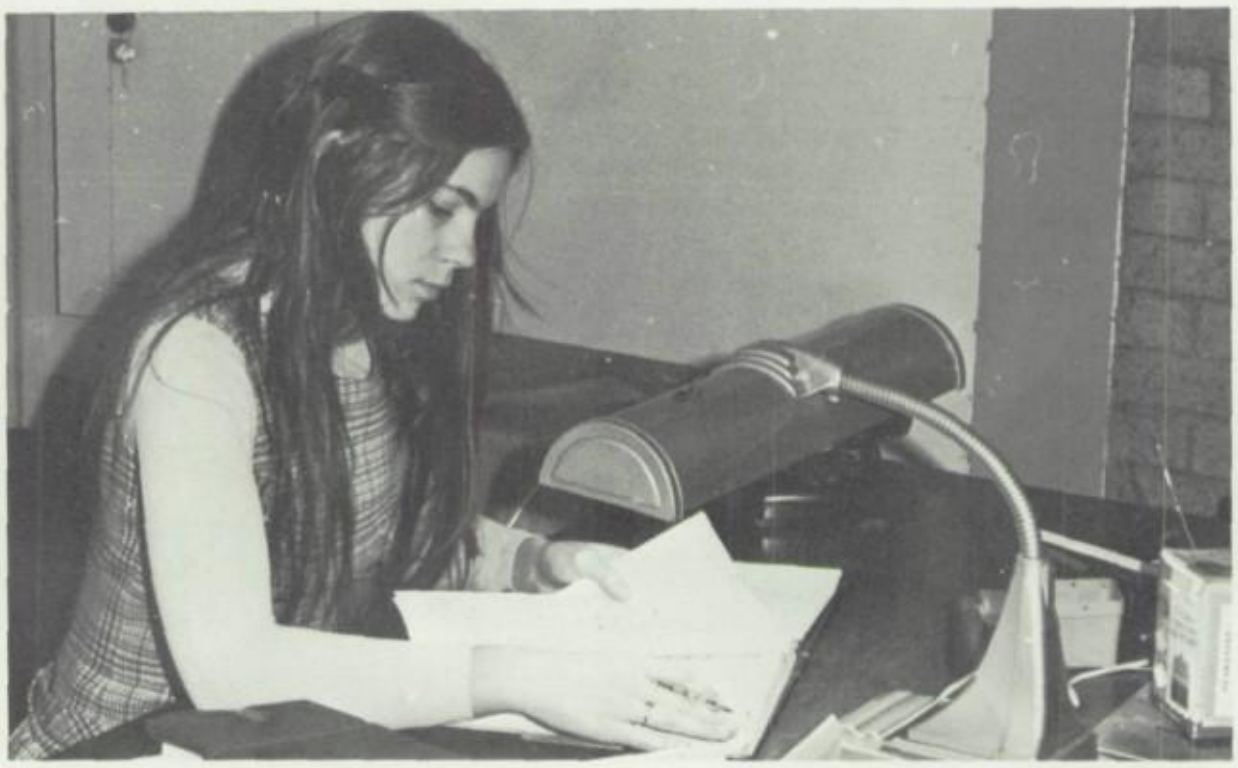
Office Practice is a polishing course for business co-op students. Good office techniques and the use of business machines are taught.



Examining a Christmas Club account with a co-worker is Crystal Byas from Business Co-Op.

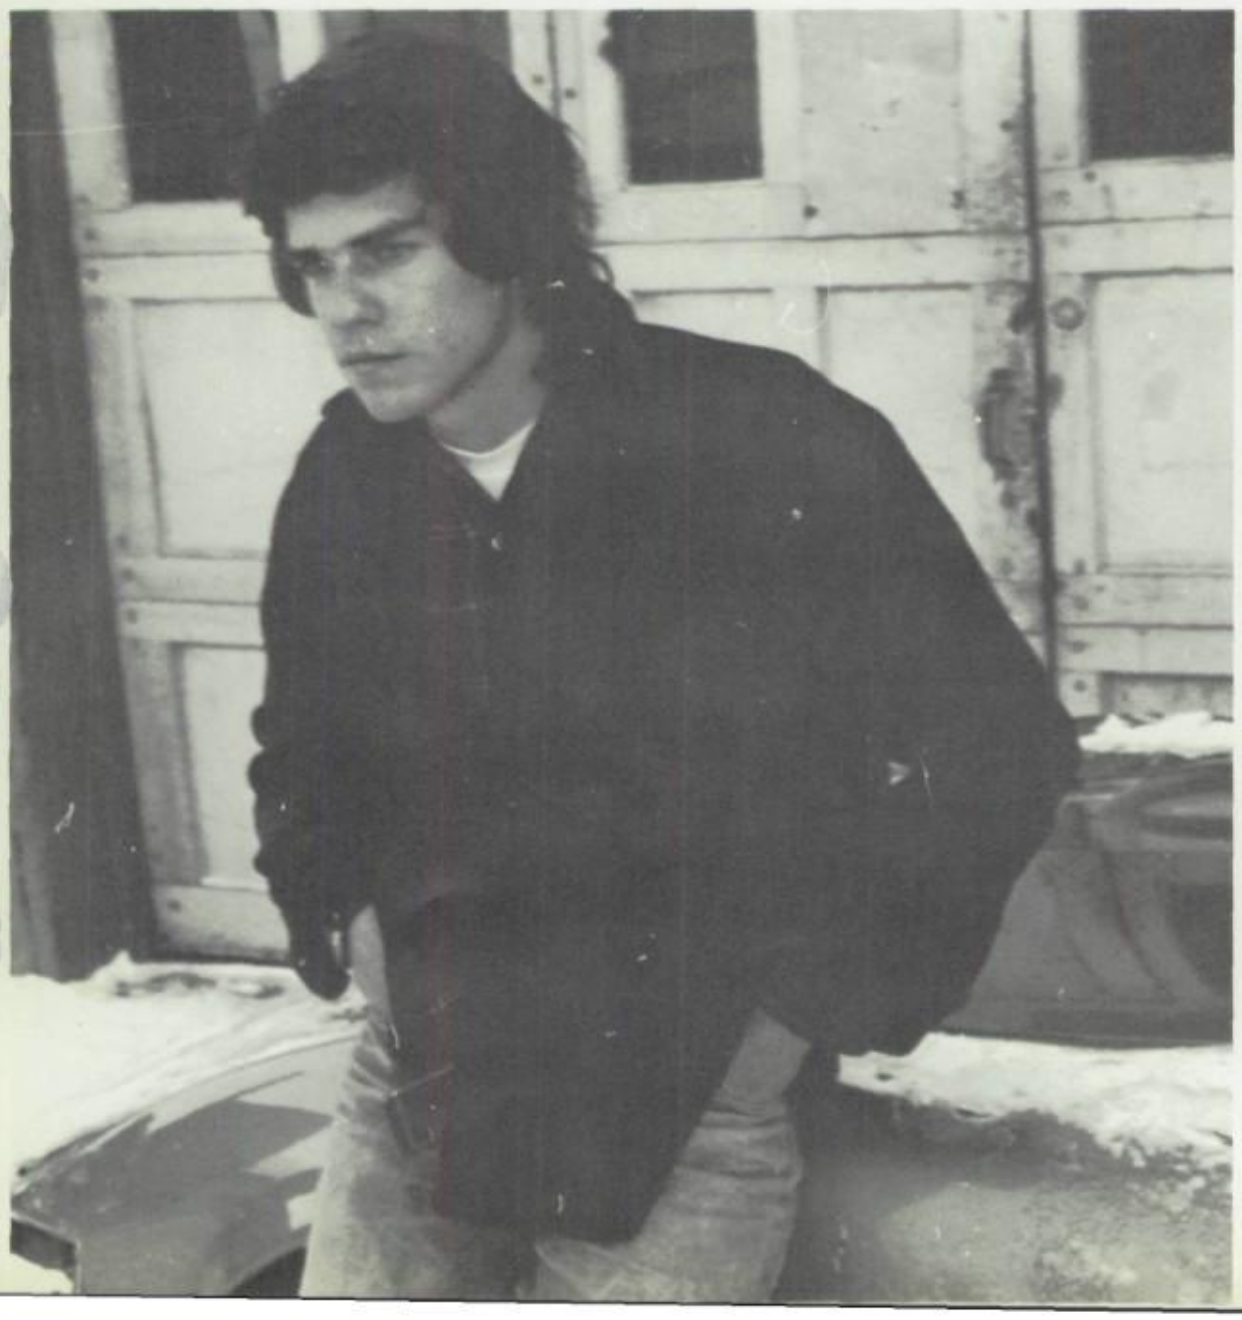
Charting daily patient reports is Senior Jeff Prell, orderly at Tri-City Nursing Center.

Looking over student Co-Op contracts is Senior Co-Op student Mary Lambert. She is the secretary of Mr. Ray Duch, Co-Op director.



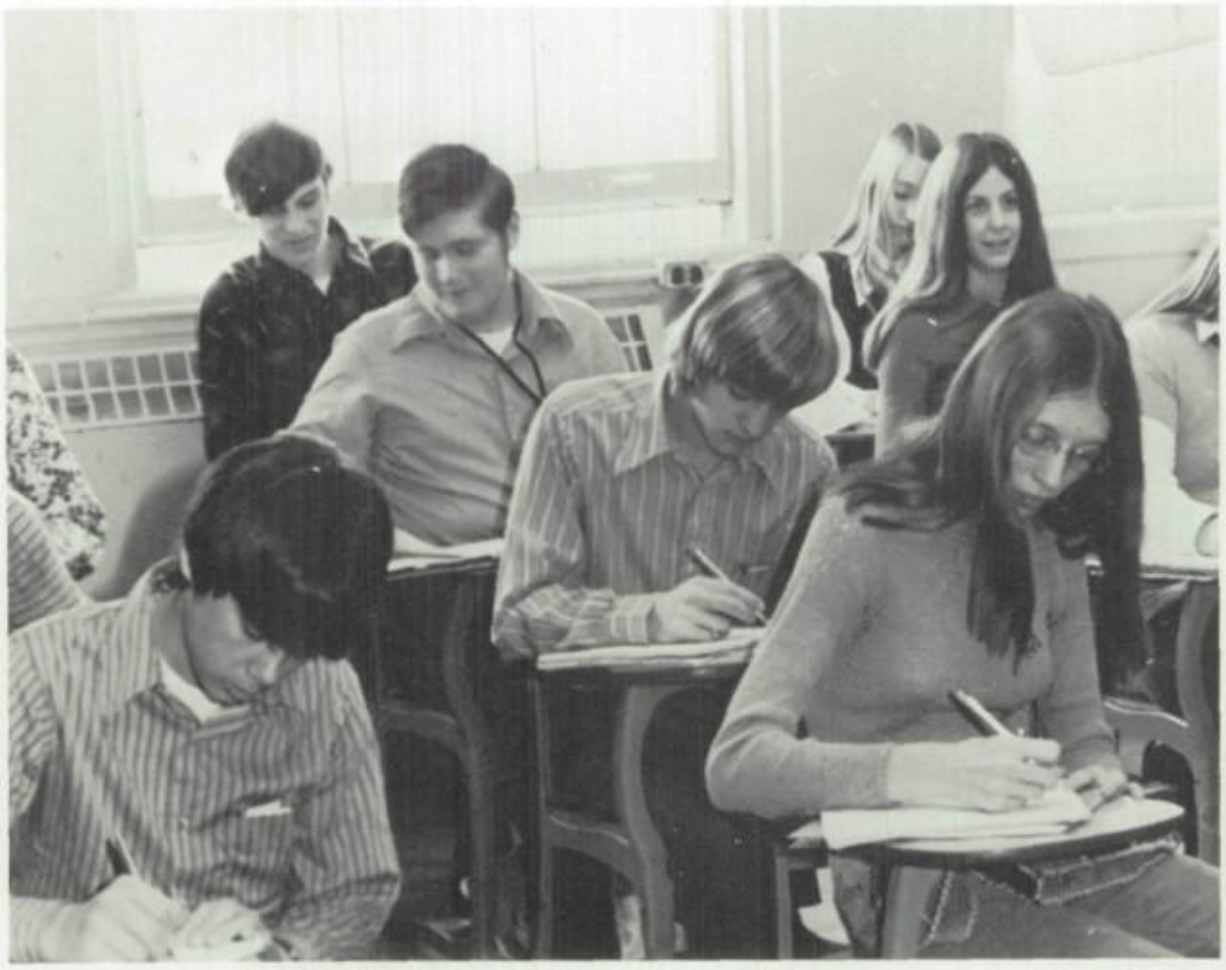
Outside Class

Awaiting customers at Fletchers Texaco Service is attendant Randy Timm, President of the Co-Op Club.



Writing out a sales receipt at W.R. Knepp & Company is Senior Brenda Vlier, salesclerk.

Writing Class Offers Ways of Expression



Working diligently in Introduction to Expository Writing are some Soph. and Junior students.

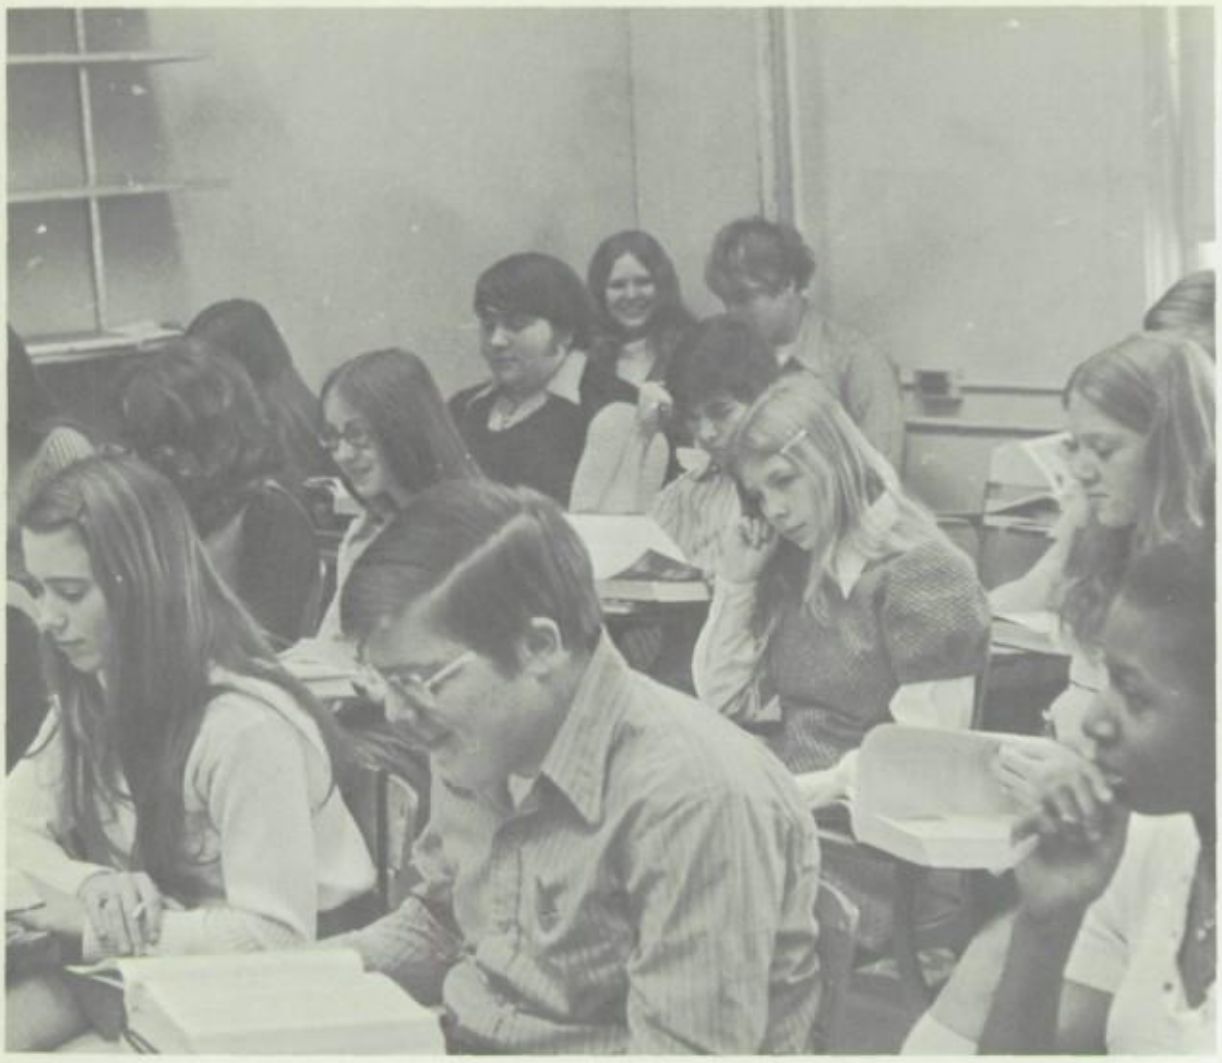
One of the most important concepts to learn was how to communicate with others and the English department at Central was well equipped for the teaching of just that.

Like in the past, students had a wide variety of classes to choose from, but this year another course was added to broaden the department even more. This class was Intrduction to Expository Writing where students learned how to write themes and express their thoughts on paper.

During the year, a group of students tried to get a Shakespearian class offered here at Central. Plans for this new and exciting course got underway immediatley.

Imitating a character in a play just read in Literature Appreciation Class is Sue Witbrodt.

Making careful corrections on themes for his composition class is Mr. George Hacskaylo.



Eagerly reading their next day's assignment are a group of Modern American Literature students. They are trying to finish the story before the end of the class period.

Casually leading the discussion in English is Mr. George Anderson.

Jotting down the next reading assignment to assure having it done in her comp. class is Sue Rodda.

Students of English Dept. See "MacBeth"

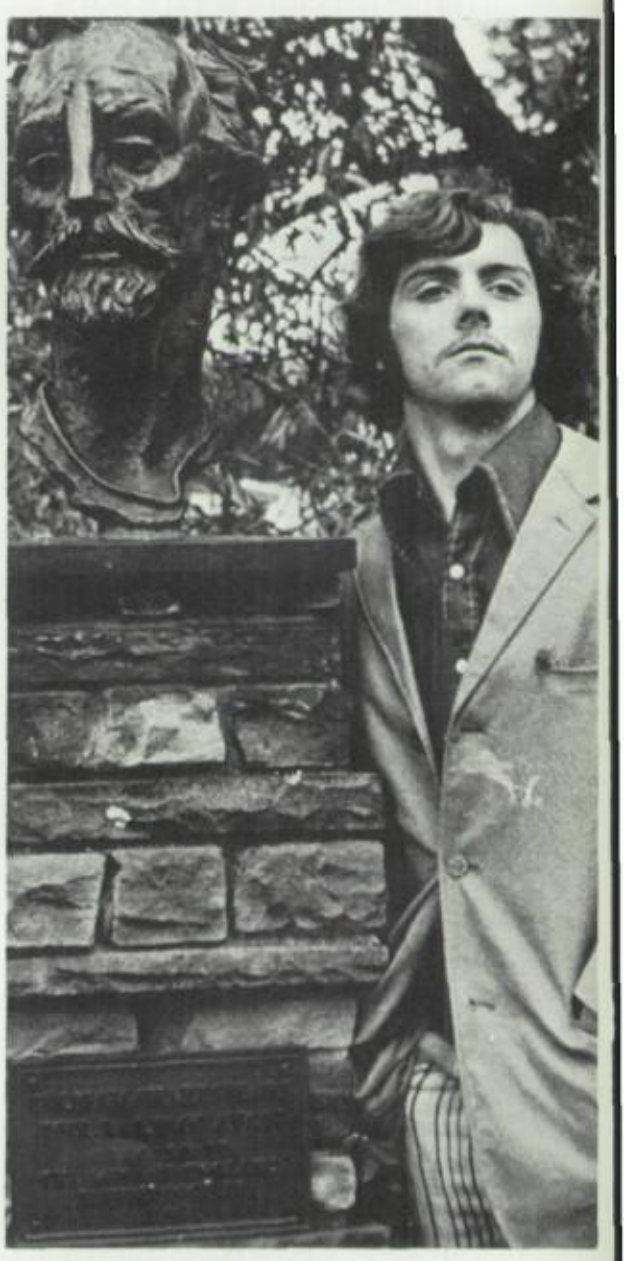
Majestically stands the Stratford Festival Theater, a modern replica of the old Globe Theater.

Central's English department again sponsored a trip to Stratford Festival Theater in Canada where students from the English department saw "Mac Beth".

On Tuesday, October 12th at 5:30 A.M. two bus loads of students started on their way. Once they entered Canada through customs in Sarnia they stopped for breakfast at the Victorian Inn. Then it was on to Stratford where students had two hours to look over the city. At 2:00 P.M. everyone met at this replica of the Globe Theater to see this fine play of Shakespeare's performed by professional British actors from England.

At the end of the play students had a chance to ask the leading actor a few questions about the play, the theater and acting in general. It was then back on the road stopping only in Sarnia again for supper at the Victorian Inn. The buses returned at 9:30 P.M.

Hurrying to the theater, after a lunch break, for the start of the play are Central High School students Bill Murray, Jackie Frazier, Linda Digby, Tom Barid, Kathy Wagner, and Richard Geneczko.



Stopping to strike a pose like that of Shakespeare is Jerry VanPelt, Senior Drama student.

Giving the class a brief character sketch of one of the great modern American playwrights is the class instructor, Mrs. Joan Holborn.

Class in Plays Kindles Interest in Theater

Reading Modern Plays became more popular this year as student interest grew since it was first offered the second semester of last year. Approximately 60 students, enrolled in the course each semester, had the opportunity to read a variety of modern plays and see some live performances. Many students had never even seen the live performance of a play.

Students gained better understanding of the theater by reading plays Central's Drama Club and the Bay City Players did and then went to see the same play performed on the stage.

Several students took such an interest in the course that, after observing the work of our local Players Theater, worked back stage on some of their evening performances.

Other objectives of the course was for the student to understand people, their problems and the way they were dealt with. They reached better understanding of why people act as they do by studying various characters.

This course was designed especially for students who found literary analysis difficult. It is much easier to follow oral presentations.

Reading one of the many modern American plays, a normal sight in Mrs. Joan Holborn's third hour class, are students; Cyndy Anderson, Nancy Kelpinski, Jim Howard, Marsha Deal and Sally Hart.

335 "New and

Selling tickets during RLO are drama students Debbie LaBrenz, Debbie Gainsforth and Candy Cummings.

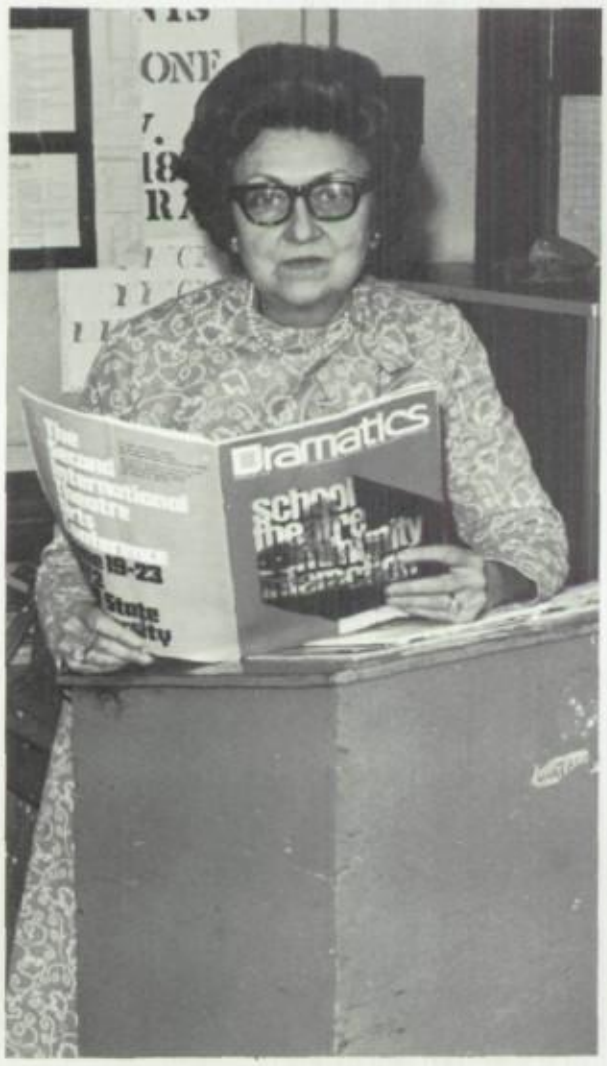
Drama, instructed by Mrs. Ruth Anketell, is a combination of the history of Drama, the study of specific plays and technical theater productions. Drama A students study Greek, Roman and Medieval drama while Drama B covers more modern American plays and the playwrights.

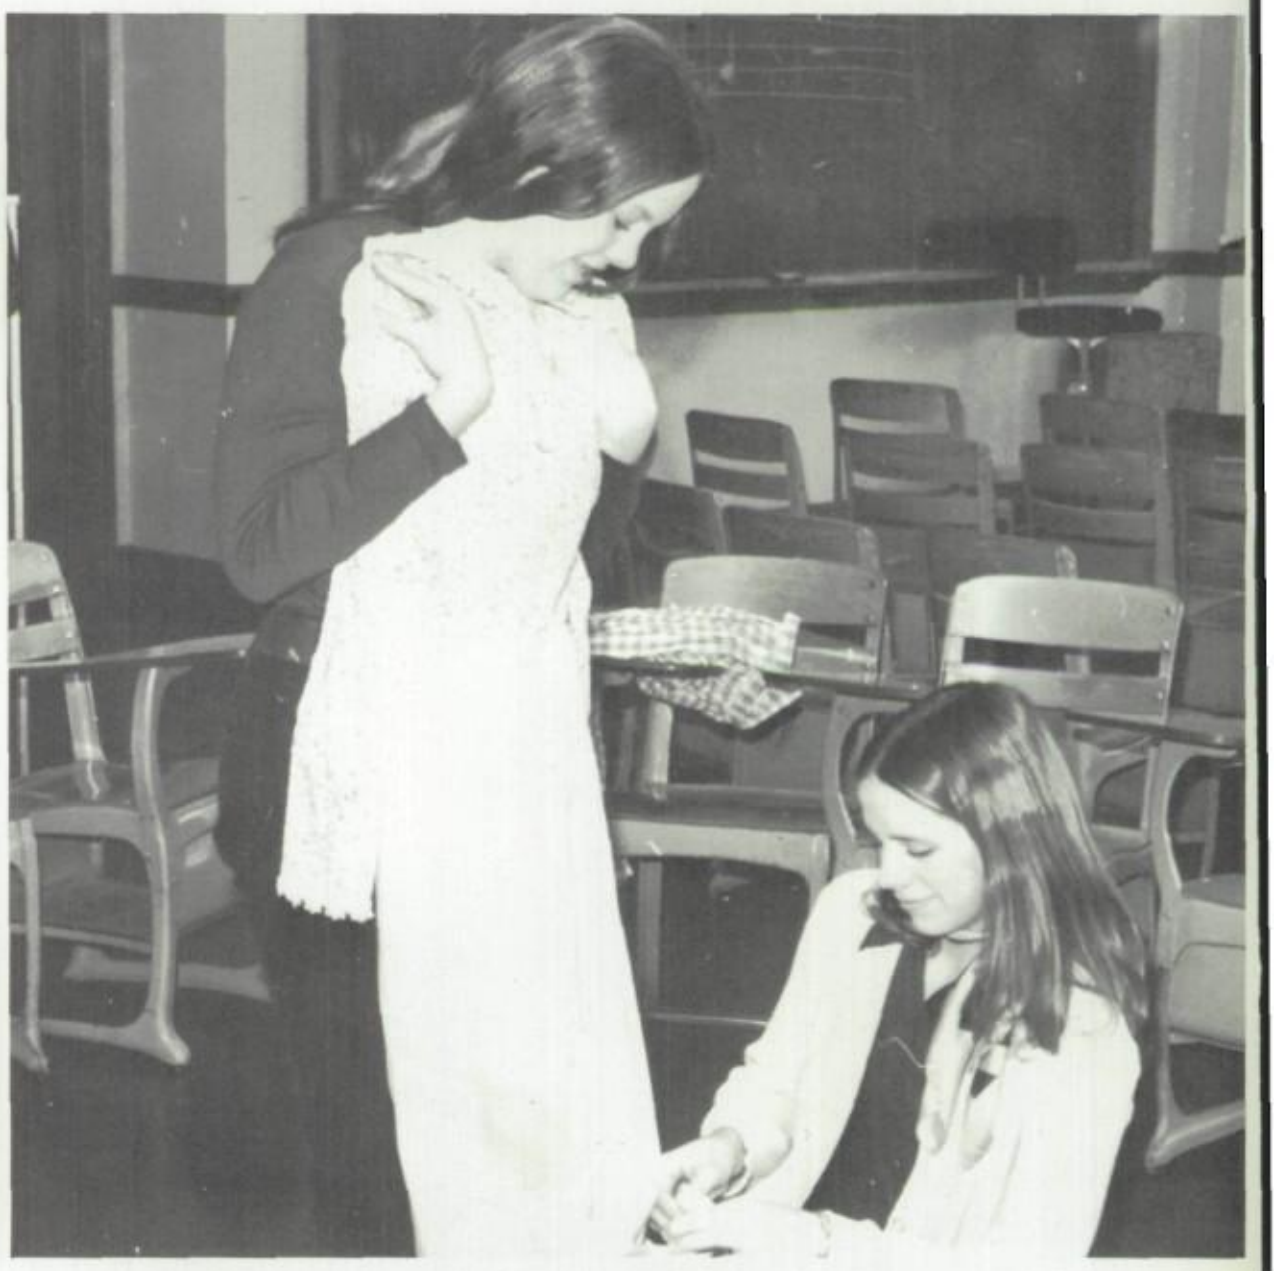
This course includes the reading of plays and acting by the students. The designing of costumes is also part of the course and learning how to apply stage make-up. Much of the make-up work done in school plays was done by these drama students.

Set design, props, lighting and publicity are also covered in this two semester course. Successful completion of two semesters of Drama fulfill the speech requirement.

Students expressed themselves by acting and because of interest and experience some took part in school plays and became Thespians.

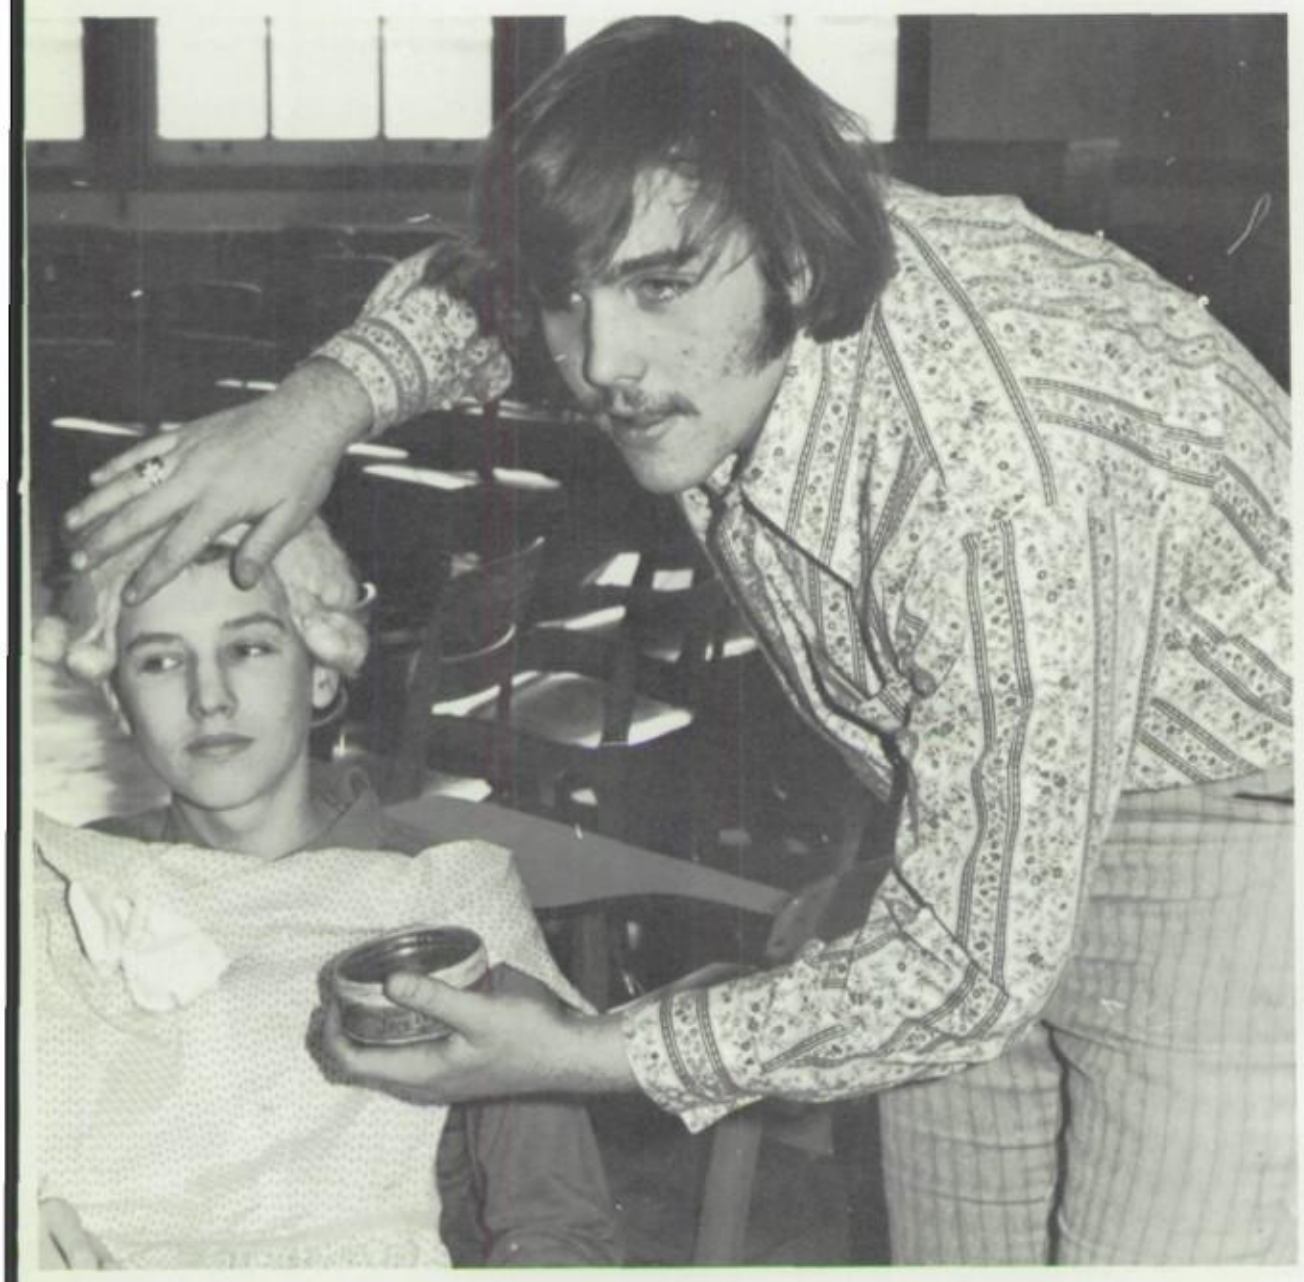
Relaxing between classes is Mrs. Ruth Anketell.





Hemming a costume, part of the drama class, for Sophomore, Melodi Temple is Junior, Paula Parker.

Larger" Drama Classroom



Listening for additional instructions for applying make-up to Mark Johnson is Steven Anderson.

Attentively waiting for her cue in "The Crucible" is Drama student Mary Kay Pabich.

Play-acting are John Kerr and Mary Botimer.

Observing as Drama instructor, Mrs. Ruth Anketell, acts out a scene for her eighth hour class.

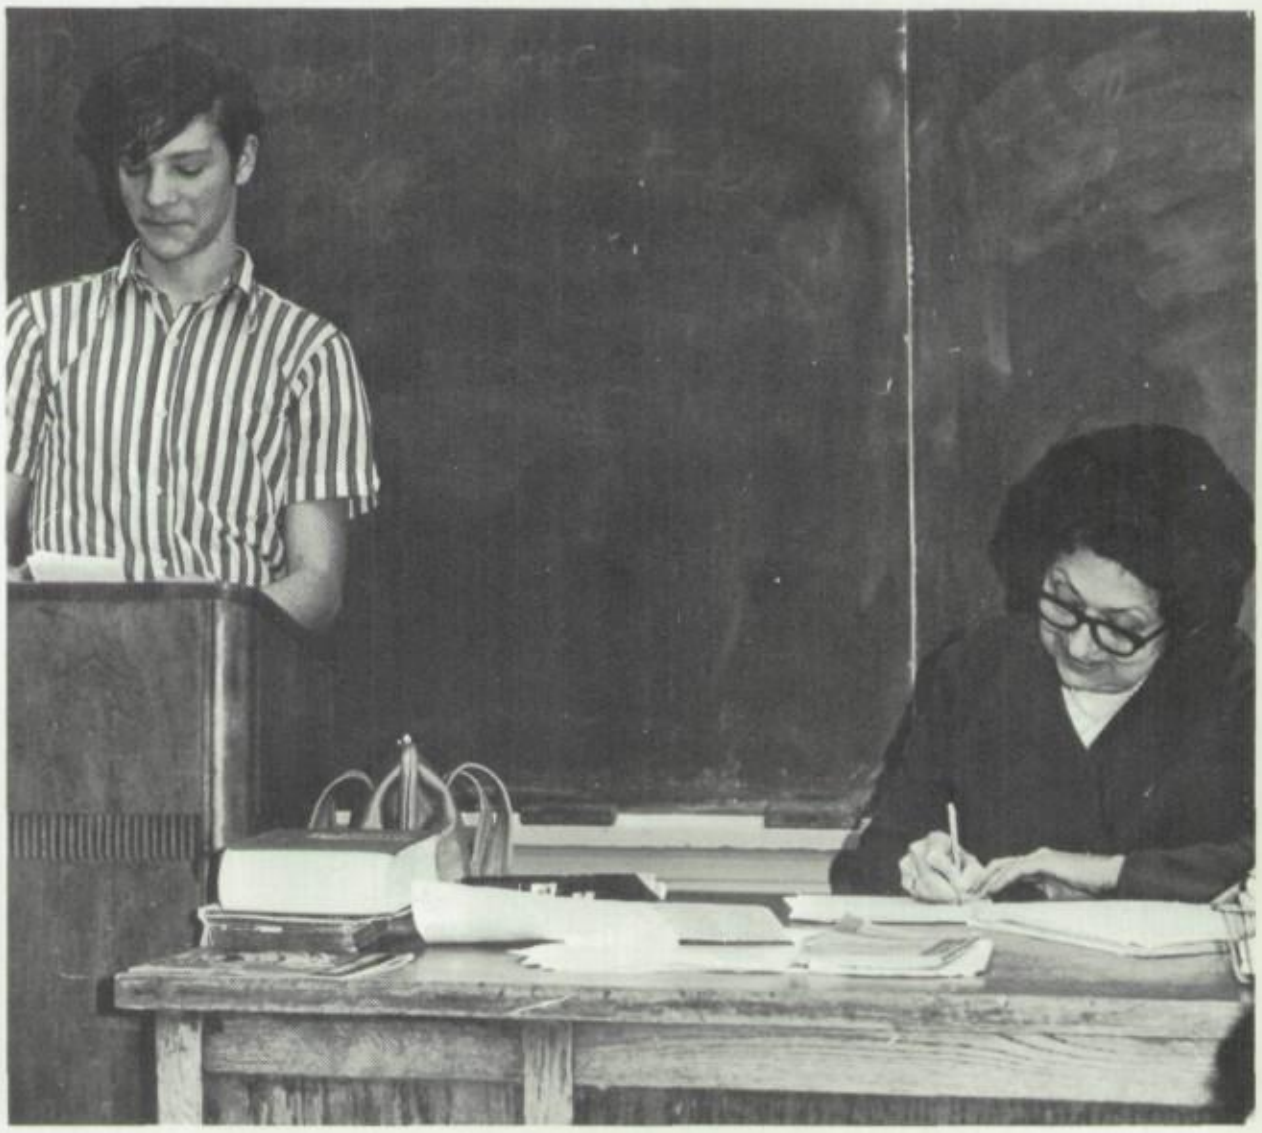
Speech Classes Help to Build Confidence

Presentation was the prime factor in getting ahead in life. The speech classes were designed to give students confidence and poise when speaking and also how to support an opinion when faced by the opposition.

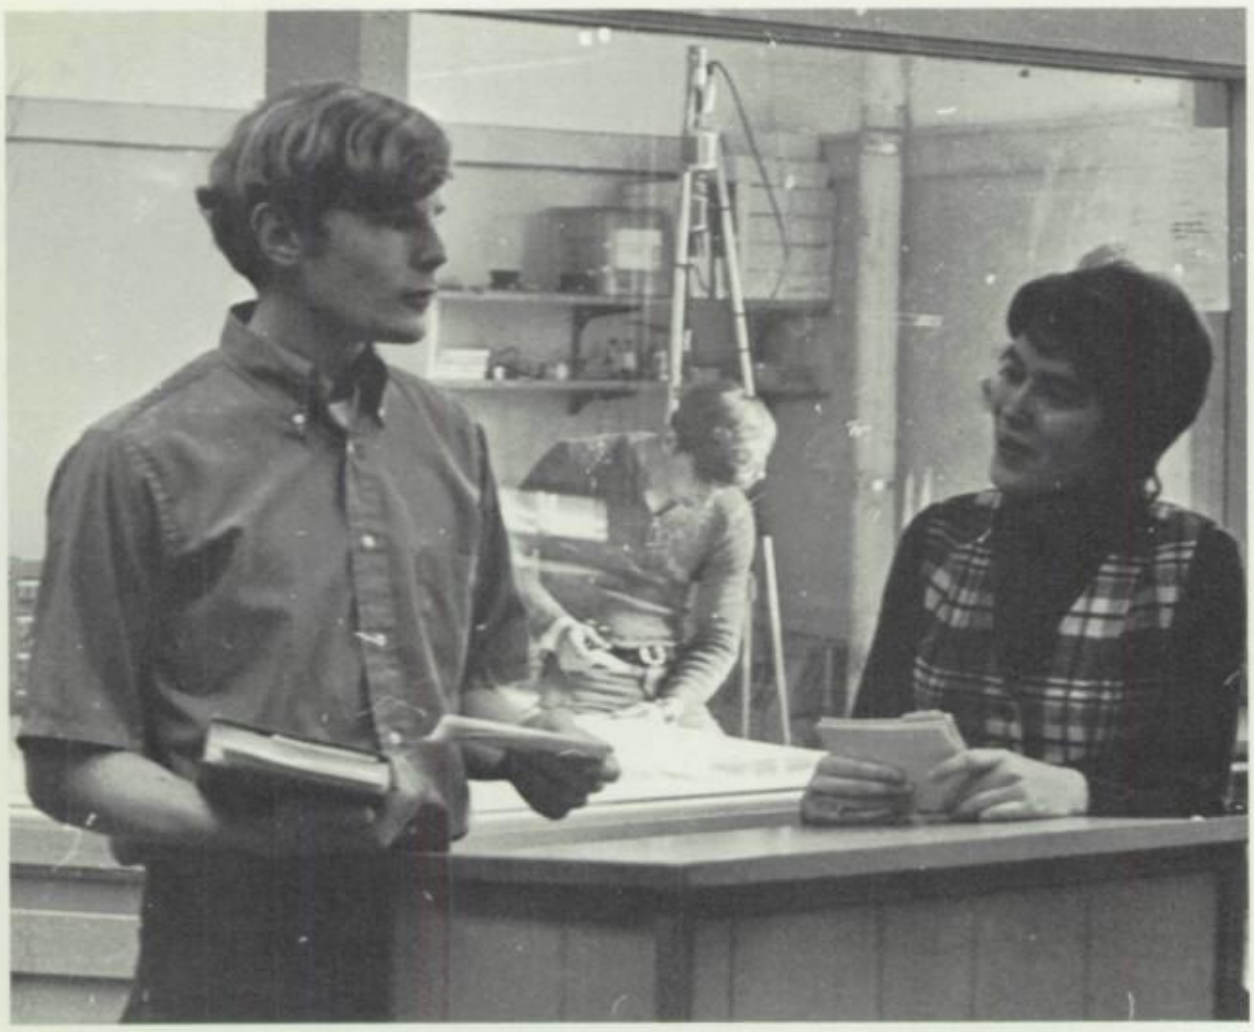
Everyone must take a semester of speech in order to graduate. It was mainly offered to students in their junior and senior years. Each teacher that taught speech had their own style and methods in which they used to teach their students, but most of them required at least three different speeches. Mr. Richard Balwinski, who was also an American History teacher, taught a speech class for the first time this past year.

Concentrating on the game of sensitivity in their speech class are Sally Berger and Ned Burdick.

Stiffled over a problem and pondering over a solution is Mr. Leonard Ecker.



Giving a humorous speech is Junior Mark Wales as Mrs. Ruth Anketell grades him on presentation.



Amused over an argument used in their debate are seniors Bill Murray and Jackie Frazier.

Debate Team Wins in Many Tournaments

Carefully inspecting some of the new equipment and being shown its proper useage to a couple of very interested Forensic students is Mr. Lawrence Sunberg, sponsor.

Central High debate team finished their most successful completion in 15 years, with a 17 man team. They compiled 97 wins against 65 loses in a record score of 162 rounds of competition. The best win lose recorded of 26-4 went to senior Jackie Frazier. The debate team scored a first place victory in the first Bay County debate Championship. They scored third place in the novice division scoring 3 out of 23. The Junior Varsity team scored fourth place at the same tournament out of 25 teams. They took seventh place out of 52 teams in the Gold Cup Debate Invitational at U. of M. For the first time, the debaters successfully advanced from district competition and participated in the Michigan High School Forensics Association regionals February twelvth. District winners were Bill Murray and Sara Goddeynne on the affirmative and Sophomore Jeff Mono and Jackie Frazier on the negative. After regionals, competition begins in Spring Forensics.

New Equipment Aids Radio and T.V. Class

Radio and T.V. was a closed circuit production this past year as a result of new equipment purchased by the Board of Education.

Five classes a semester were held with 125 students of which 45 have received their third class license for broadcasting. Students broadcasted three hours a day in the students commons and they wrote, produced and directed their own programs. The students also produced a school news show that was aired on "WBCM" every Saturday, which informed radio listeners of the many activities that went on at Central during the past school year.

New equipment was installed by Cliff Saladien Delta Channel 19 technition. Central hopes to have in the near future a ten watt educational F.M. station and they hope to receive many more new facilities during the renovation of Central.

Broadcasting a radio program in his Radio and T.V. Class is junior student, Kevin Nixon.

Testing equipment is Fred Burks as he demonstrates professional broadcasting techniques.

Eagerly working on a new show for Radio and T.V. Class are a group of consciencious students.

Using the photograph enlarger in his Photojournalism class is Senior, Paul Shyposki.

Pouring developer into a cylinder containing film to be processed is Sue Jablonski, Photojournalism.

Journalism Teaches Basic Communication

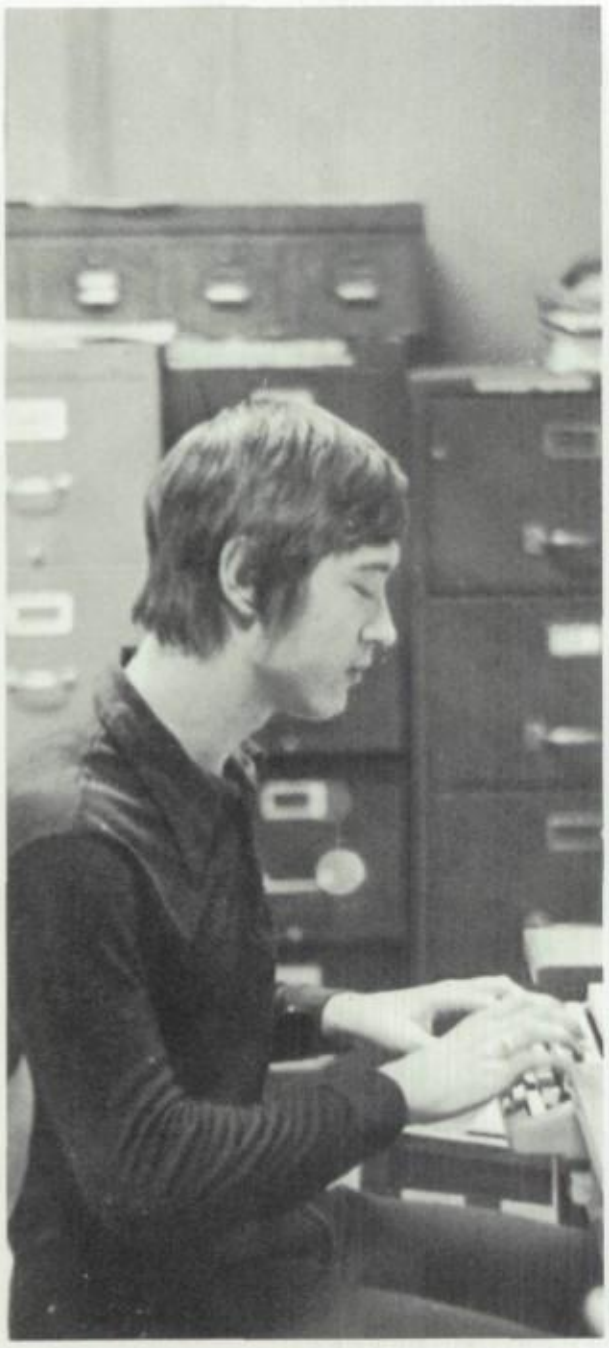
Preparing a page layout for a newspaper are Mrs. Lois Honsowetz's 5th hour Journalism students.

Introduction to Journalism is a survey of the field of journalism with emphasis on writing techniques. The course is designed to promote proper news reading habits, teach techniques in journalistic writing, study the purpose and preparation of advertising, the mechanics of layout and typography and teach the history of the printing press.

Photojournalism gives an introduction to the basic principles of photography as a medium of journalistic communication. Students will be taught the principles and the use of various kinds of photographic equipment, darkroom techniques, picture composition, picture selection and graphic ommunication.

Teaching Introduction To Journalism for the first time this year is Mrs. Lois Honsowetz. Mr. Donald Baker, photojournalism teacher, taught photojournalism for the first time this year. Students taking Introduction To Journalism or Photojournalism usually go on to the Bi-Weekly newspaper staff or elect to work on the staff or gain insights to journalistic careers.

'72 Centralia Focuses on "Our World Aglow



Working diligently to get his copy ready in time for an up-coming deadline is the yearbook Academics Editor, Jeff Prell.

Going over captions and correcting copy blocks the yearbook staff has turned in for the final check before going to the publishers is senior Brenda Vlier, Copy Editor.

Discussing a few problems the photographers are having in getting pictures ready for deadline is senior Steve Weinberg and Mr. Leonard Ecker, the Yearbook Advisor.

With People"

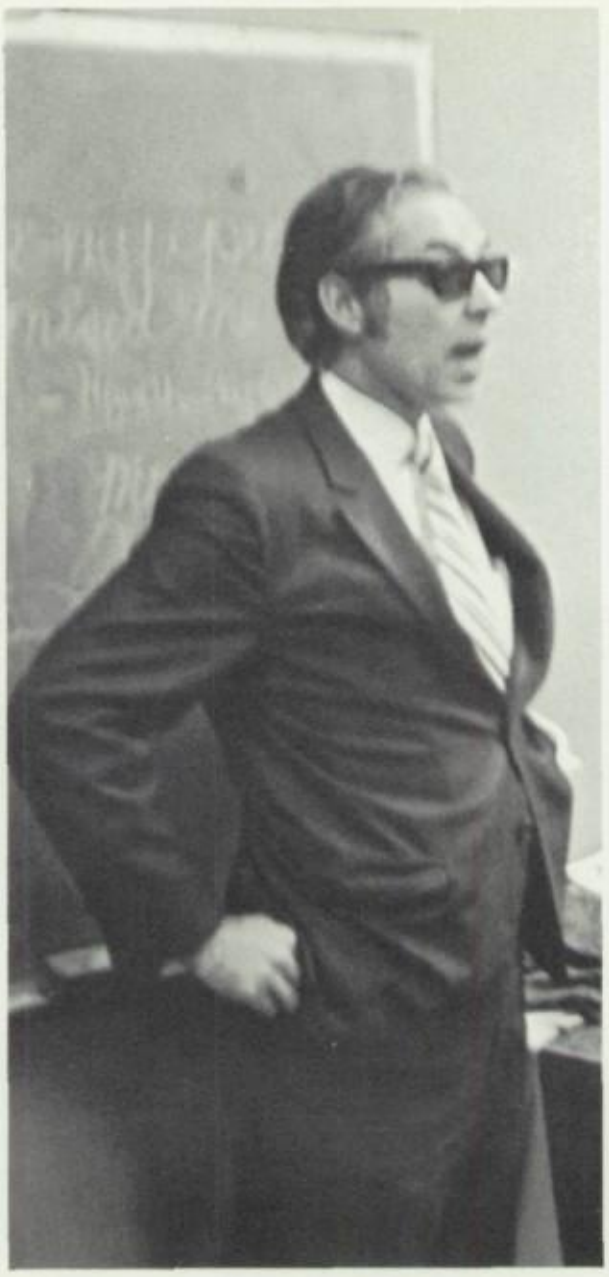
"People, People, People, My World is Aglow with People" is the Theme of the 1972 Centralia Year Book. The staff voted unanimously for the use of this fine theme because they thought it was revelent to student life. Central is depicted as our world, where we spend the major part of our high school years.

Leading the staff was Karen Sugar, editor and chief. Brenda Vlier was the copy editor and Kathy Fahrner, business manager. Mr. Leonard Ecker, advisor, chose them at the beginning of the 1971-72 school year.

Other section editors are: Jeff Prell, Academics, Peggy Krieg, Clubs and Organizations, Donna Clarke, Social, Bonnie Ekstrom, Sports and Emmie Wolfe, Seniors and Under classmen. This years staff of 22 was the largest the Centralia has had in many years.

Photography used in this years book was had under a new system. Photo Co-ordinator, John Chevalier was in charge of only assigning the pictures to be taken by the photographers.

Full Color pictures were not used in this years book because Year Book funds were low. Not as many books were sold as we had hoped.



Attempting to help staff members is Mr. Leonard Ecker, Yearbook Advisor.

Working hard to complete a copy block and layout for the sports section is editor Bonnie Ekstrom.

Making decisions on matters concerning the yearbook production is Karen Sugar, Editor.

Staff strives to make Bi-Weekly the Best

Central's Bi-Weekly again received outstanding awards for their excellent publications. The purpose of the paper was to enlighten students of what was going on at Central during the year. It contained information of all the activities that went on in Central and at the Board of Education. It also explained many of the important procedures of the administration.

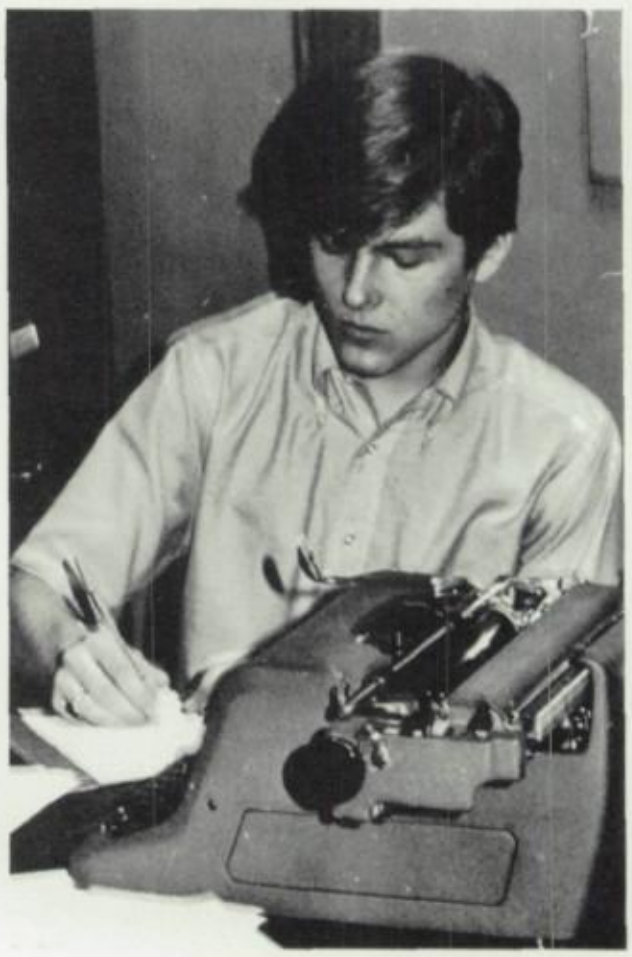
This year the class, consisting of 23 students, had a new teacher, Mrs. Lois Honsowets, who took over after Mr. David Braendle accepted the position of Assistant Vice-Principal. Although the teacher was new, the class procedures remained the same.

Working diligently on a story in order to meet the deadline are Sue Jablonski and Monica Smiley.

Going over a story is Sue Flemmer as members of the staff offer some helpful suggestions.

Pointing out the up coming deadline is newly appointed Publications Adviser Mrs. Lois Honsowetz.

Writing adds is business manager, Jim Klass.



Language Department Adds New Teacher

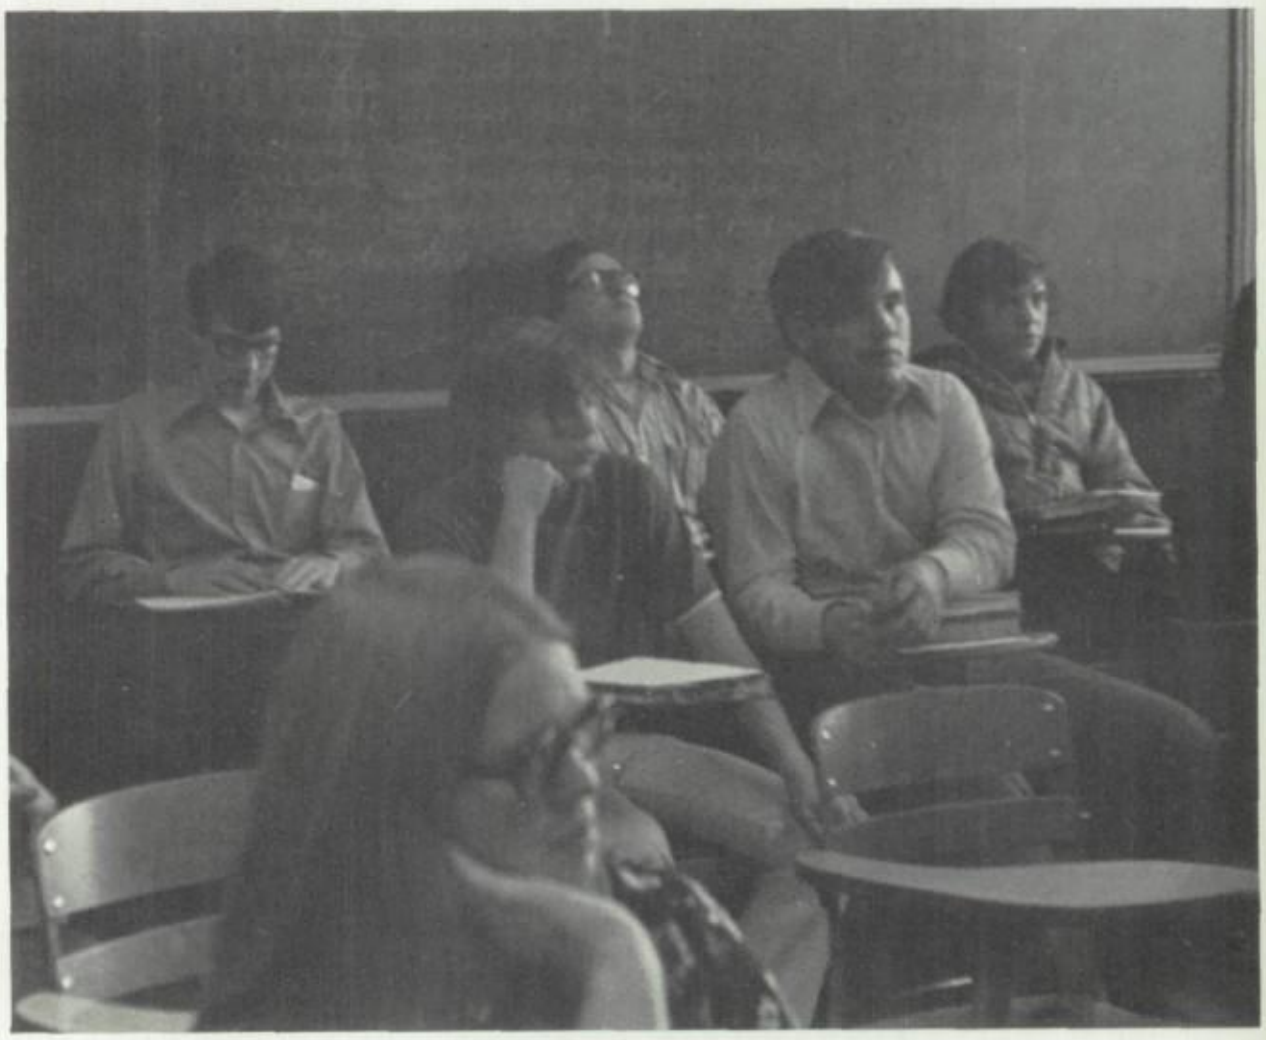
Pointing to "La Bandera De Mexico" (the flag of Mexico) is Jeanne Lewandowski as she explains its significance to Jean Anderson and Gertrude Sanchez with Mr. Ronald Pavilik looking on.

This past year, a new teacher enhanced the language department. Mr. Guillern Castanon, a native of Mexico, taught Spanish at B.C.C. Also, new and revised books were issued to the second year students.

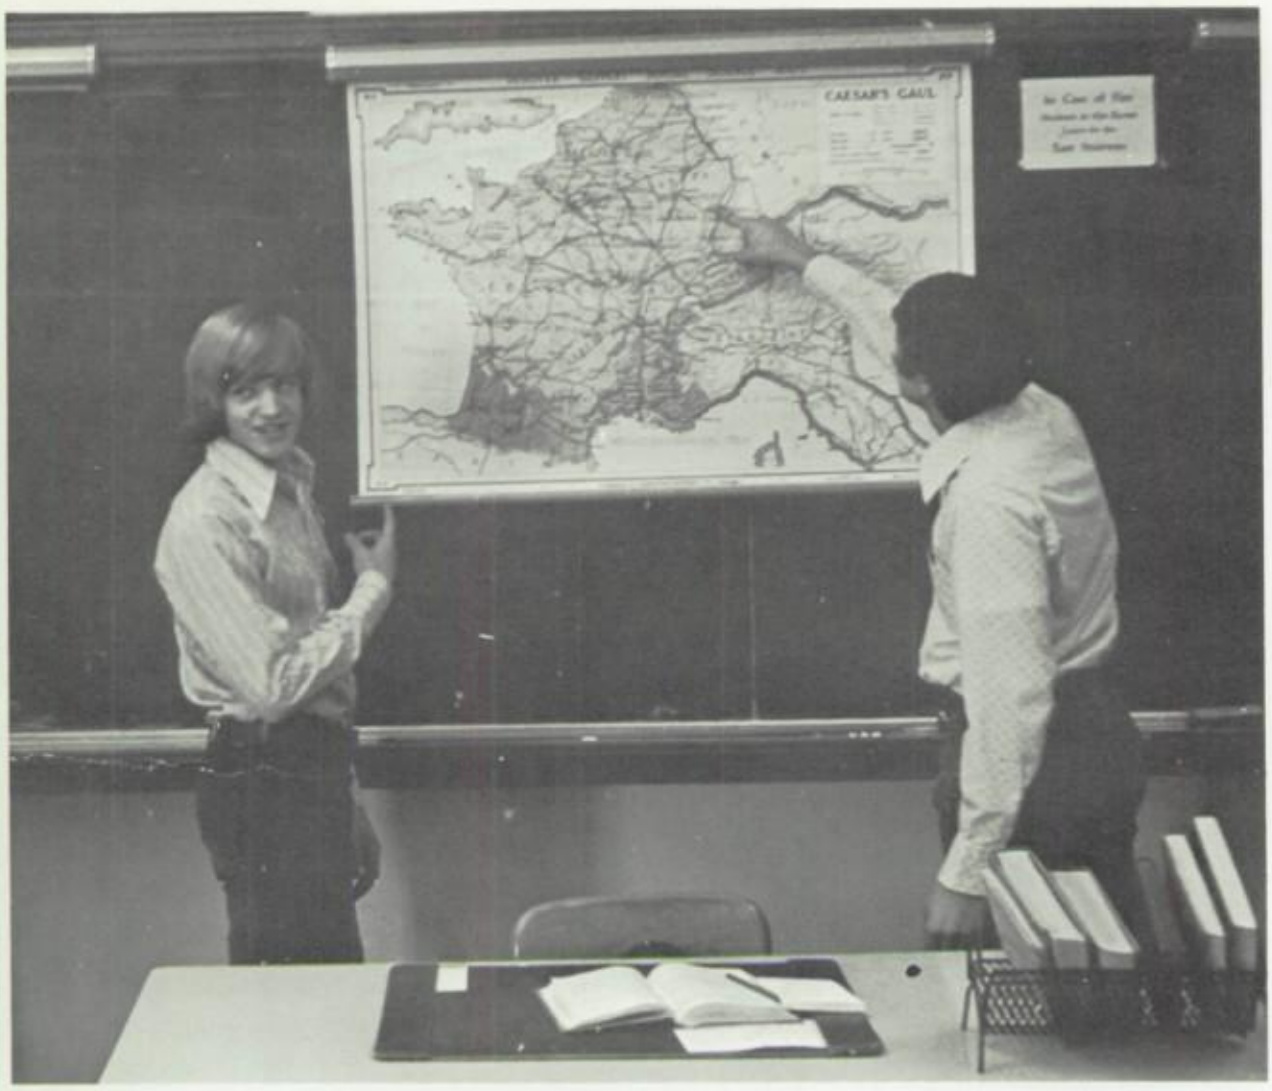
As in the spanish classes, new books were also issued to the first year French students. Many of the French classes got ambitious and painted their room. Then they put up some plaques of the French crest and their motto, along with some pictures of the many provinces of France, with the help of Mr. Lama.

Mrs. Theresia Smith supervised her German classes as they too painted and wallpaperd their room, to add a touch of brightiness. Because of the shortage of students in the third and fourth year, classes were held during their RLO's and the rest of the hour was spent in the library.

Unlike the other foreign language classes where speaking and hearing the language was done everyday, the Latin classes spent most of their time reading. The combined third and fourth year classes were reading the famous play, Cicero.



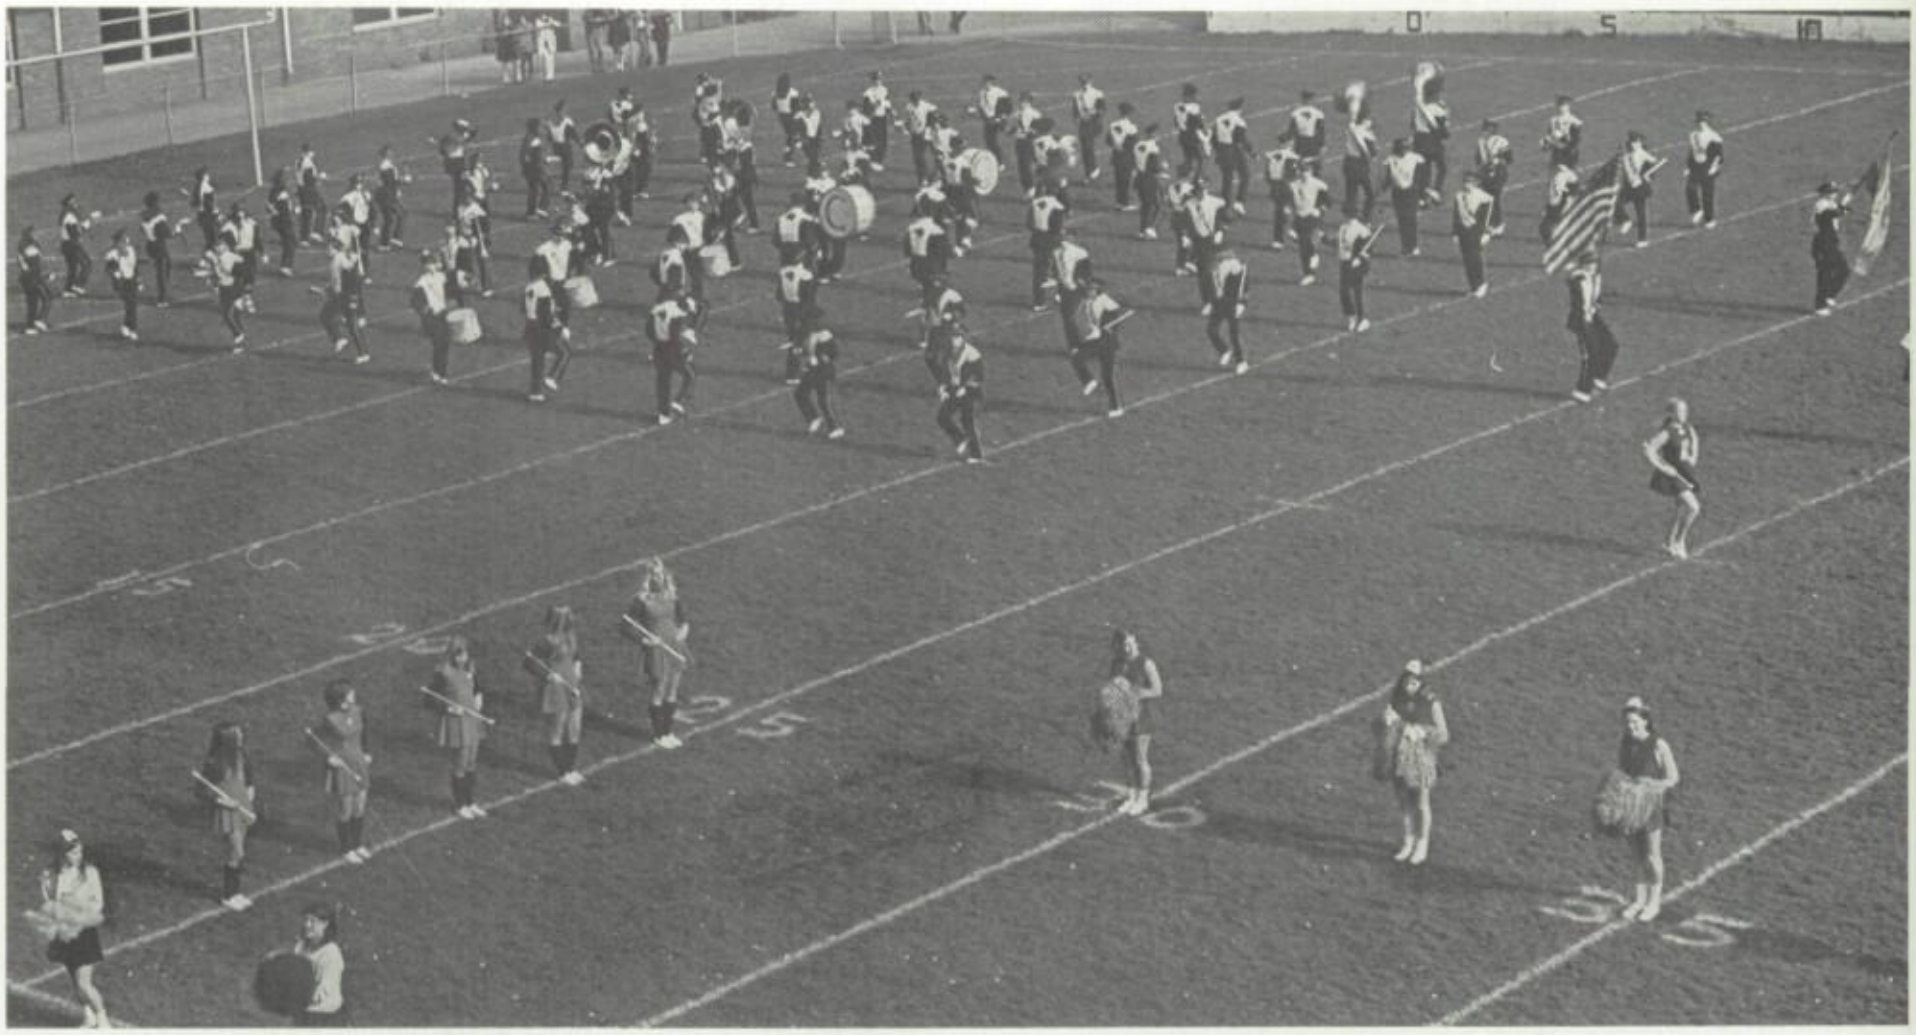
Listening very carefully and trying to understand what Mrs. Theresa Smith is saying in her tenth hour class are a group of first year German students.



Disagreeing with an answer to a question one of his class mates is giving in second year Latin and explaining his answer to the class is Gregory Kintz.

Explaining the ancient Roman history of the display model to Jon Witucki is Miss Frances Schultz.

Pointing to one of the Crests of France and explaining its origin is Mr. Jacques Lama.



After many weeks of practicing the quick step drill, the Marching Band did their routine for the first outdoor Pep Assembly of the season.

Both Bands Sell Soap for New Equipment

Central's Band was never quiet this year. They were constantly rehearsing for the many performances in which they gave during the year.

This year the Marching Band showed an excellent display of talent at every home football game. Each band member put in a lot of time and effort to learn their music and to get their routines down pat.

Immediately after football season the Marching Band became the Concert Band and went to work on the new music which was used in the annual Fine Arts Festival.

As in the past, members of the band went to Solo Ensemble Contest and competed with students from around the area. Also, the band marched again in the St. Patrick's Day Parade. Only this year they displayed fine, new uniforms. A first for the Cadet Band was the fact that they too marched in the parade.

At the annual Central-Handy game bands from both high schools performed together during halftime.

Intense concentration on the part of Kerry Arnett is one of the reasons why the band is great.

Director of both the bands and orchestra is Mr. Walter Cramer. He can always be found in jolly spirits when conducting a class.

Like last year, the majorettes and drum major, Al Durocher, attended summer camp for new techniques on baton twirling. Also, during the summer months they sponsored car washes and rummage sales to raise enough money to buy new uniforms.

Purple spangled outfits were bought for halftime and velvet ones for pre-game during the football season. Along with purple jumpers and gold blouses for basketball games.

Drum Major, Al Durocher, proudly wears his new uniform as he attentively watches for his cue on the football field.

Music Brings Culture to Today's Society

Diligently playing their violins and concentrating on the notes and tone in the Autumn Concert is Senior Marie Awad and Junior, Maureen Maillette.

Music is an international language. Wherever one goes, music is appreciated and enjoyed by all.

This past year, as a service to the grade schools, a series of concerts were played for them. This was to promote grade school children to become interested in music, especially string instruments. The orchestra at Central is fastly dying because of the austerity program and half day sessions. Many good musicians were unable to join in order to take their five required classes.

For variety, different types of music were played. They range anywhere from classical to the latest in the popular styles.

Choirs Swing With Many Daily Activities

Taking time out of a busy schedule, the A'Capella choir poses for their group picture taken by Mr. Clyde Dirla, photographer.

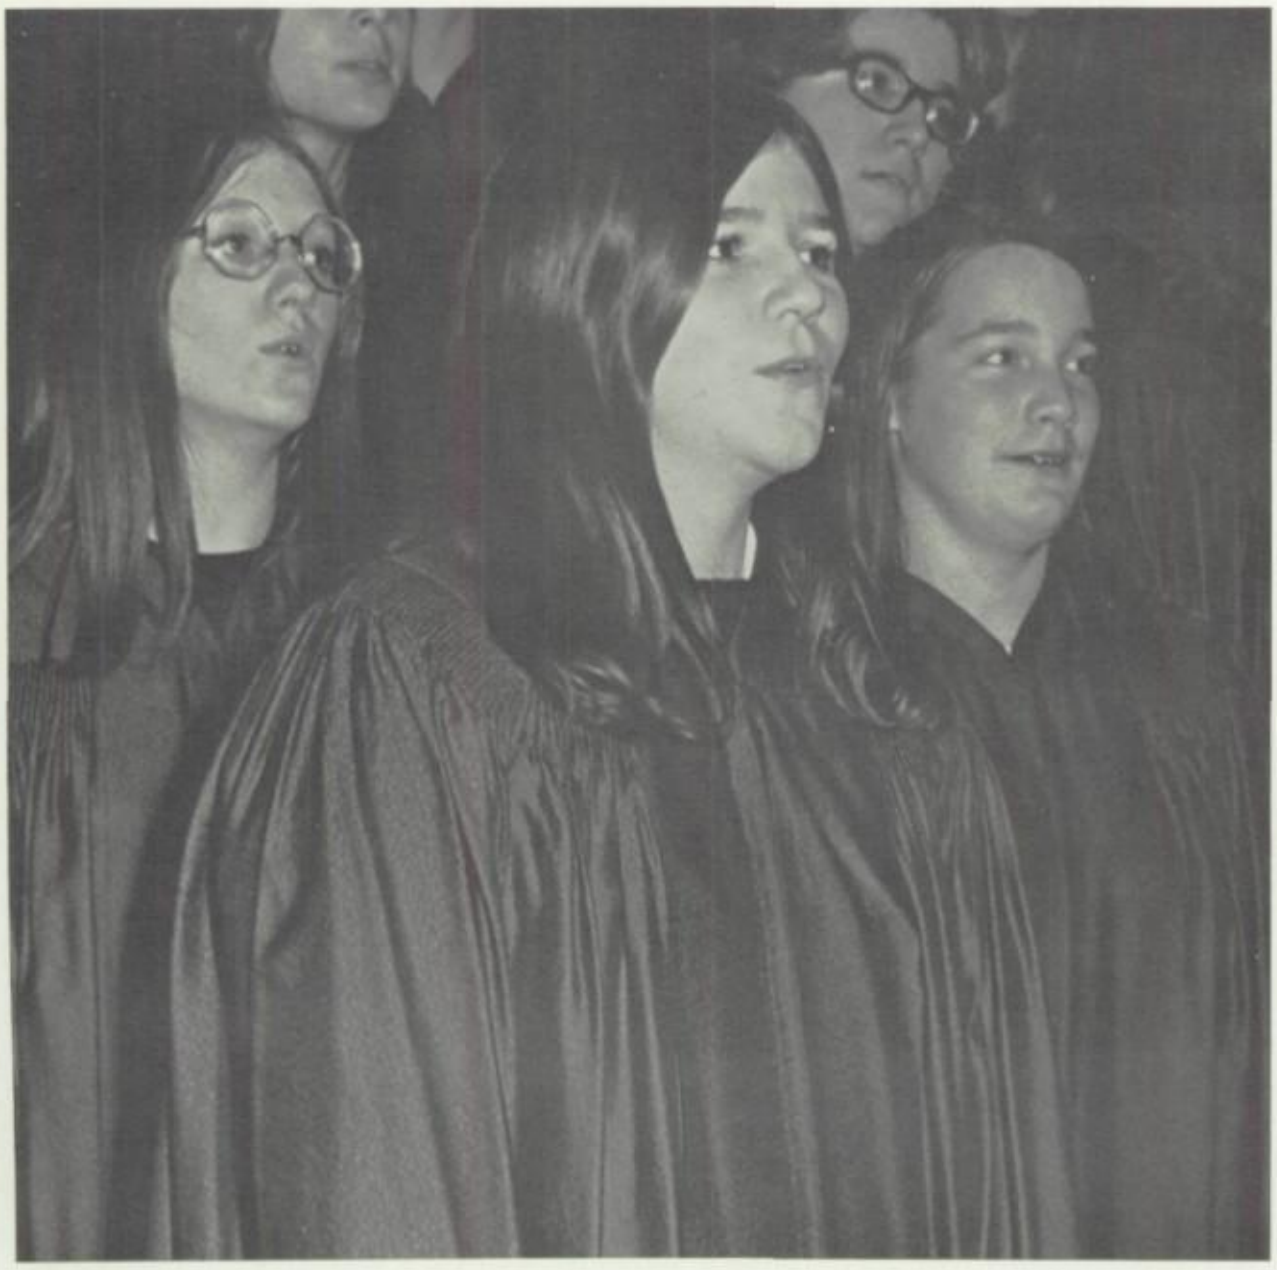
Under the direction of Mr. James Leonard, Central's choirs had a busy year — lots of hard work and faithful dedication, but loving every minute of it.

They worked toward the concert which was open to the public, consisting of just the choirs. Some of the select music was taken from Jesus Christ Superstar.

Both choirs, A'Cappella and Choralairs, concentrated on going to the district festivals this year in competition with neighboring Class AA high schools.

Also, among their busy schedule, they sponsored a dance to raise money for other activities.

Juniors Sue Drzewicki, Linda Reed and Dawn Toyzan sing a number directed by Mr. James Leonard.

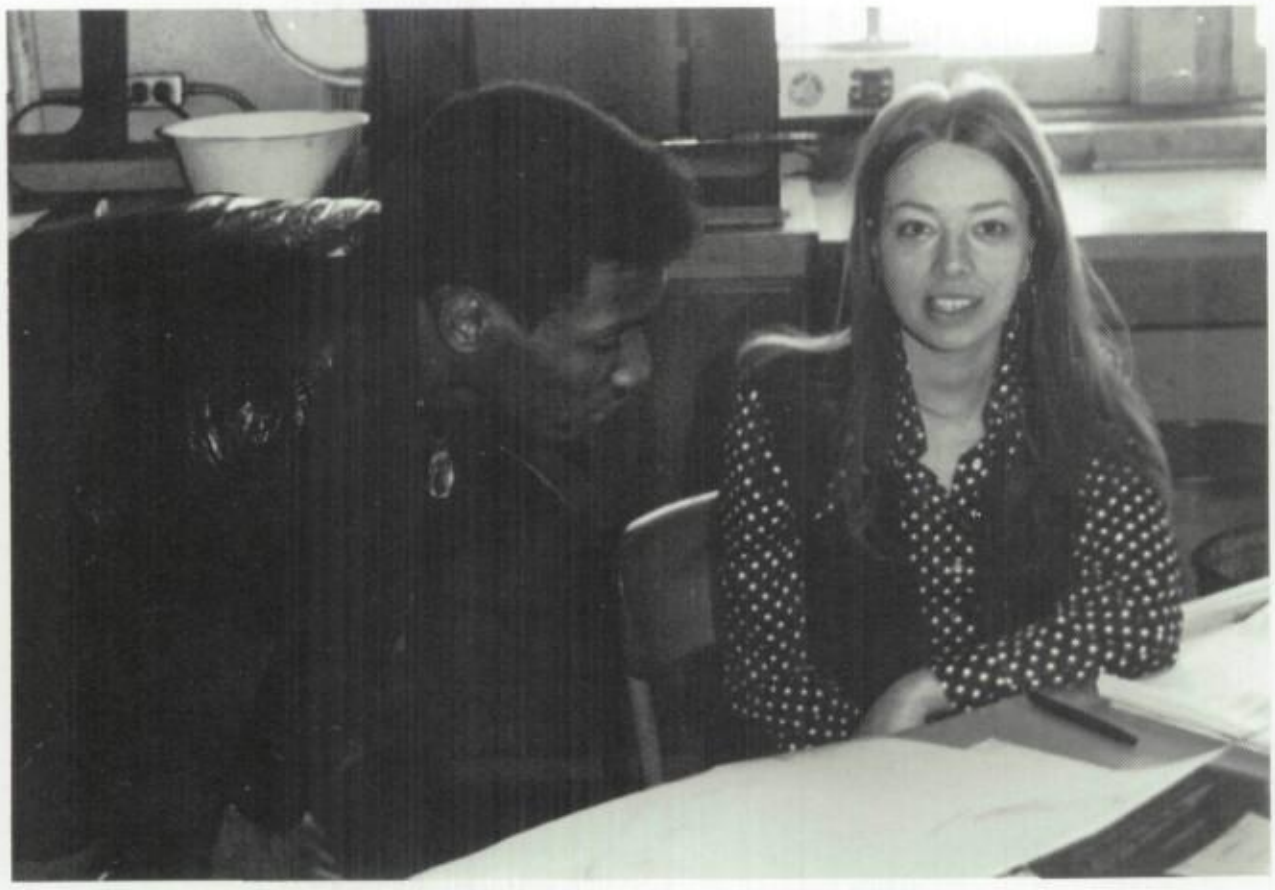


Concentrating on the right pitch are members of the Choraliars Nancy Davis, Jerene Elliott and Pat Rose.

Must have hit the right note, for sheer delight is shown on the face of the choirs conductor, Mr. James Leonard.

Wearing choir robes for the first time, is the choraliar choir as they rehearse for the annual concert given in the Fall.

Art Department Plans Future Renovation



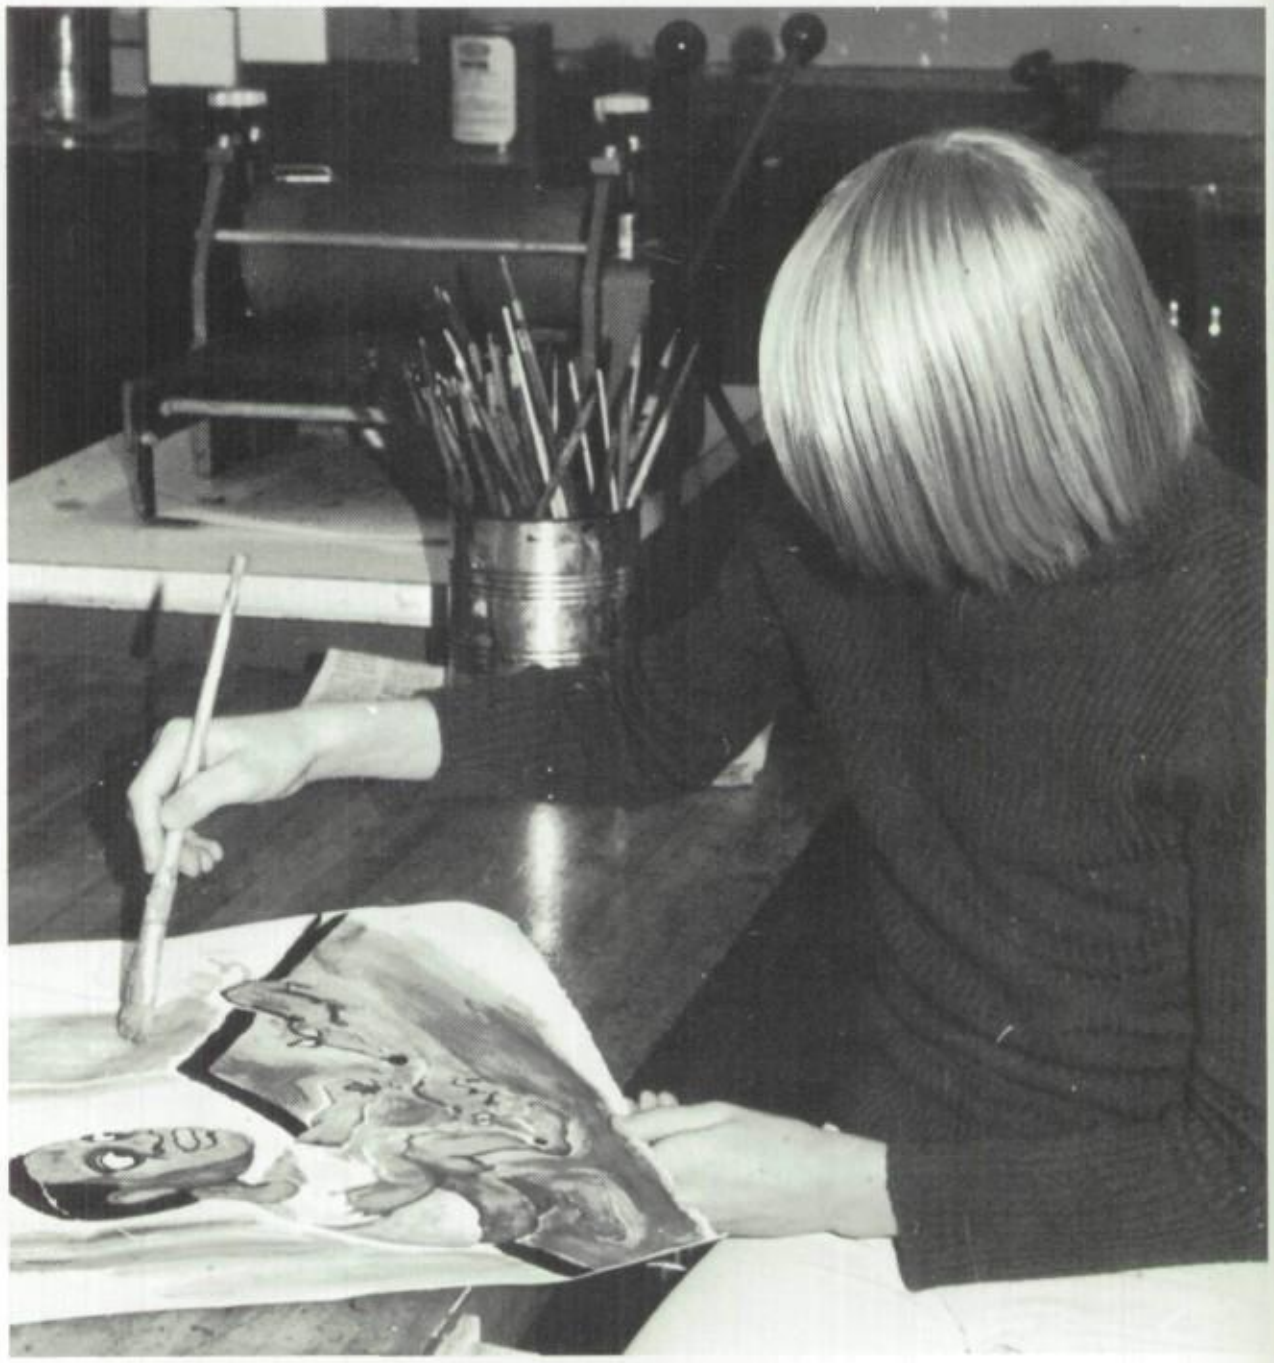
Checking the progress on Charles Murray's sketch is Miss Karpinnen during her 4th hour Art 2 Class.

Plans have been started and proposed this year for the future renovation of Central's Art Department. The combination of rooms 112 and 106 to form a larger art room, cabinents and storage added to all three art rooms and needed electrical improvements to allow safe operation of the basic equipment were among proposals made to emanscuiate a growing, quality oriented art program.

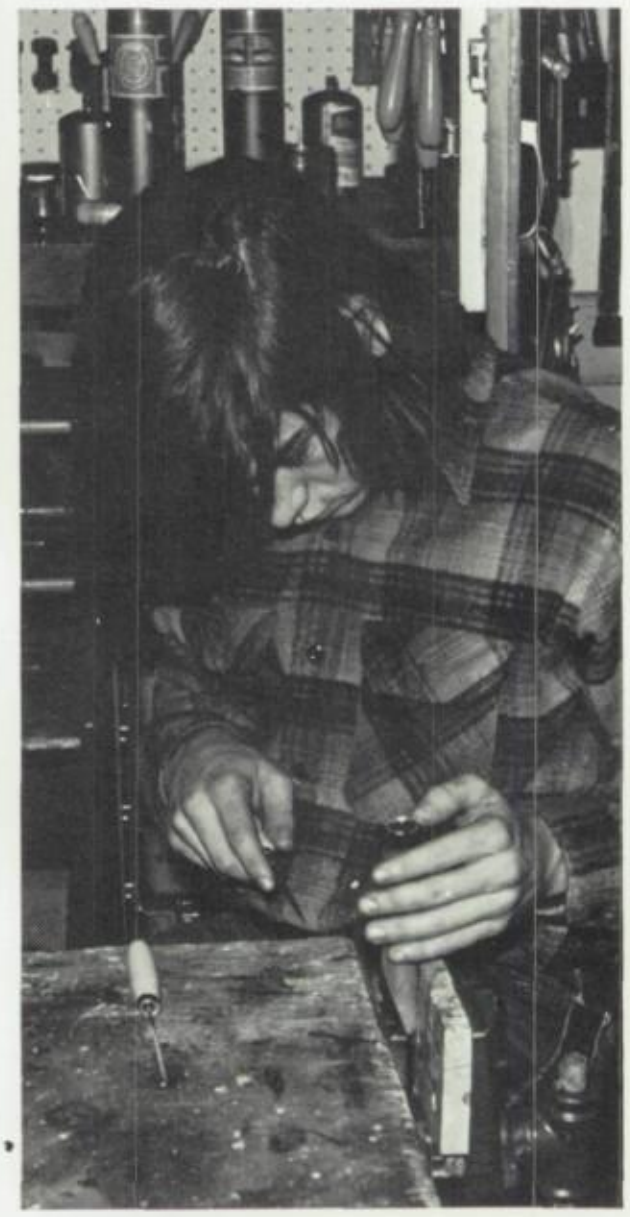
Mrs. Donna Collins left after the first semester and was replaced by Miss Cindy Karpinnen. Being fresh out of school, Central was her very first teaching assignment although first semester she was a subsititute in Bay City's School system.

Added to the usual projects experienced by art students were fluorescent silkscreening and fashion designing. Art History was also taught as part of the lesson plan and many visual aids were used.

Carefully painting the background on his ethnic drawing is Art 3 student Raymond Turner.



Assisting and watching Sophomore Nan Senkowski, Art III student, at her first humorous attempt to use the potters wheel is Mr. Ralph Teenier, art instructor, during his eighth hour Art class.



Carefully filing the band of a sterling selver ring he made is Crafts students, Kim VanOchten.

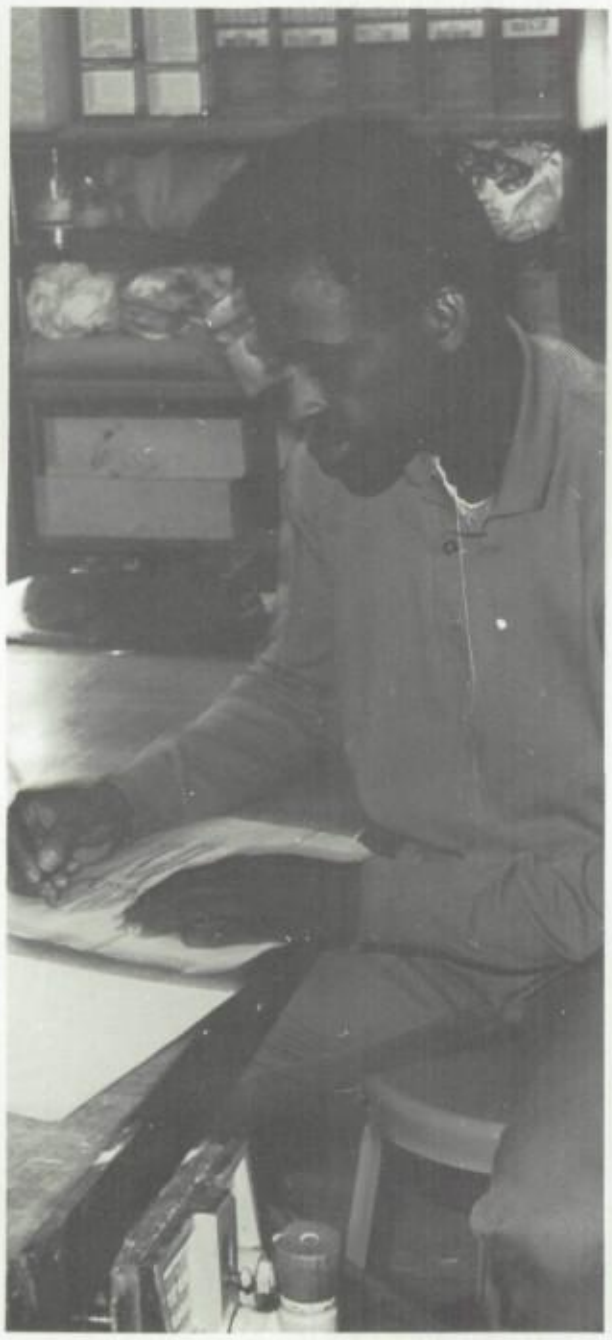
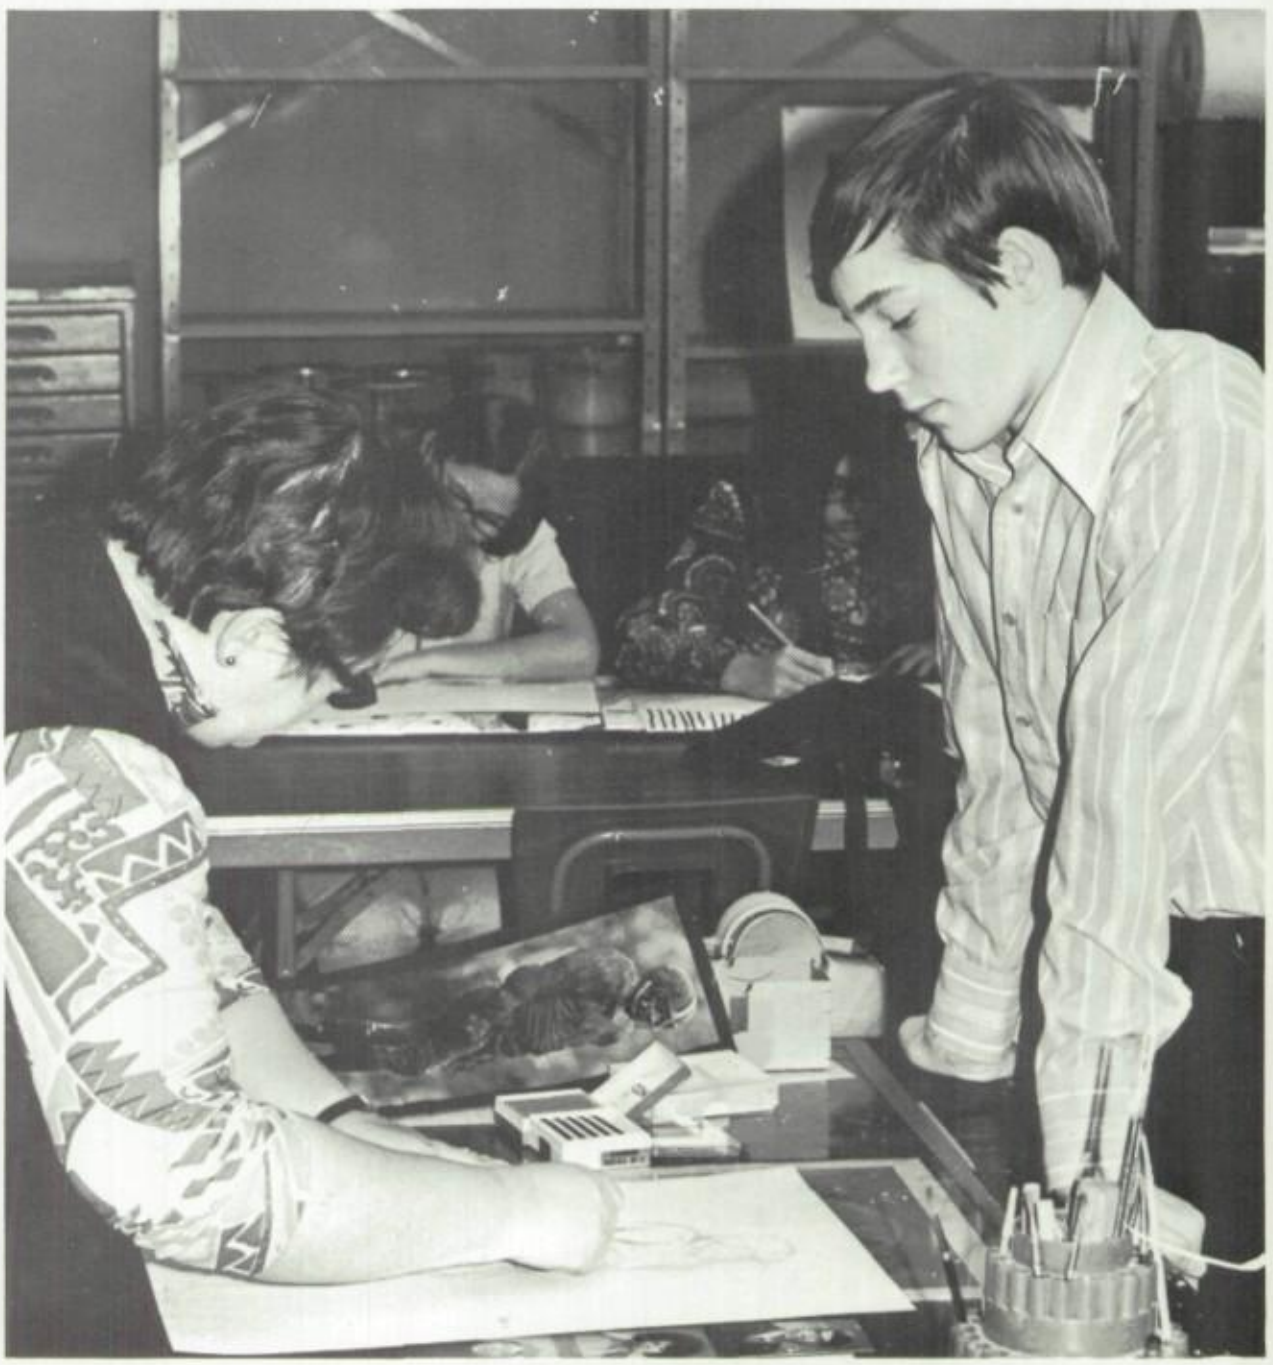
Putting an enameled copper bowl into a kiln in Crafts I class is Senior Mary Jane Snyder.



Sketching a figure carefully in Mrs. Donna Collins Art I class is David Wilkins.



Looking on as Mrs. Pat Serresseque shades a picture he just sketched is Freshman Mitch Truemner.

Industrial Arts Dept. Receives New Coats

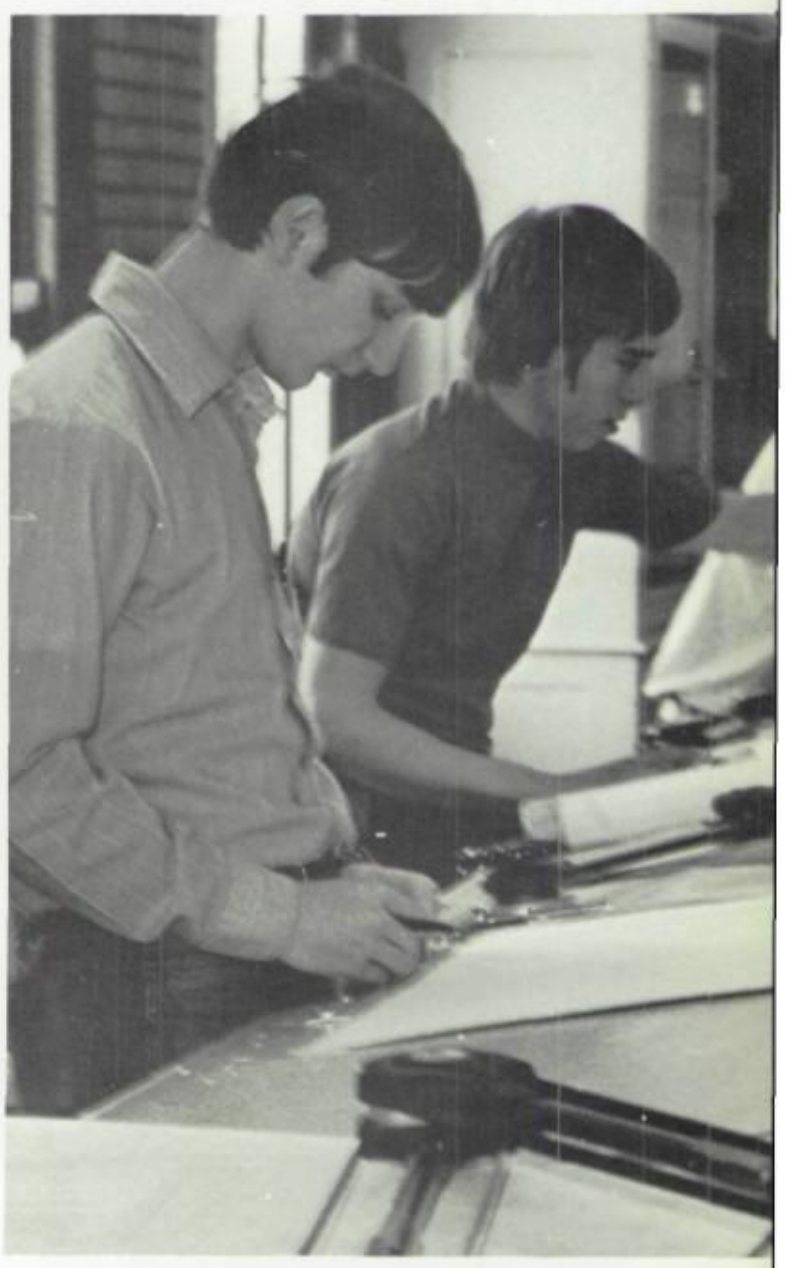
Printing students learn composition proof-reading and other materials related to the printing trade. Experience is provided in setting type by hand, the hand fed Platen press, offset duplicator, paper cutter and trim saw. Students in these classes learn to work under conditions similar to those in industry. They work as a team producing printed material for the school system.

Mechanical Drawing students are taught orthographic projection; lettering; isometric, oblique and section drawings. In the advanced course free hand sketching, working drawings, sheetmetal layout, detail and assembly drawing is included.

Students electing Architectural Drafting learn to set up plans for the construction of houses, garages, buildings, etc. Also included is perspective, style, design, ink tracings and blue prints.

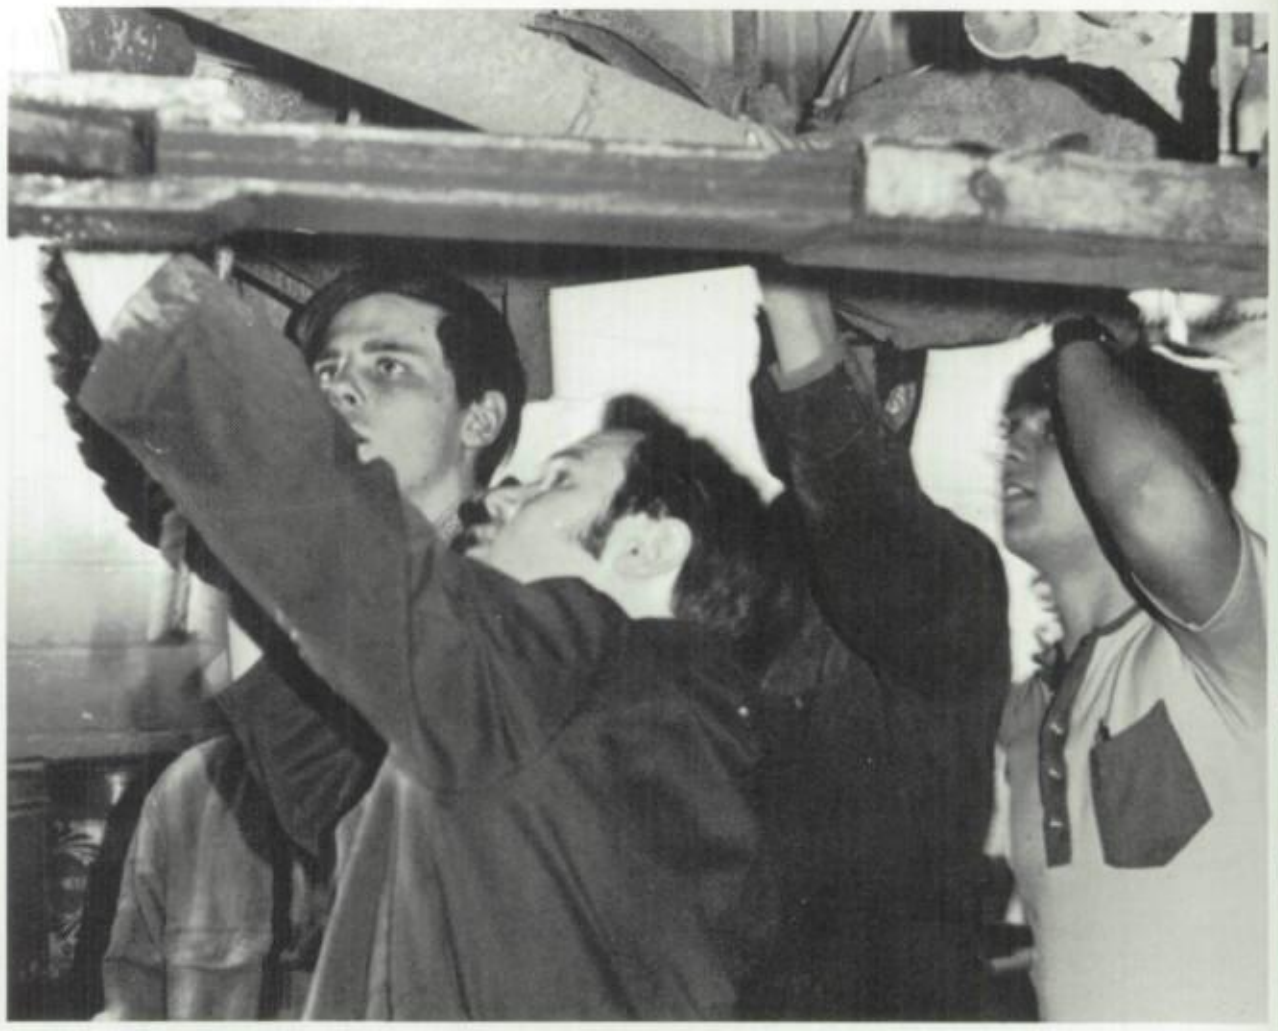
Hand setting type in a chase for the kelly press are Dennie Sampson, Tom Demetris and Sue Jablonski.

Working on a drawing in Mr. Thomas Cody's 5th hour Mechanical Drawing 4 is sophomore, Jason Prell.



Dilgently working on building plans are Mr. Cody's 6th hour Architectural Drawing class.

Assisting Ken Holka is Mr. Ramseyer, Woodshop.



Fixing a muffler is Mr. Gottesman with his Auto Mechanics students during their 4th hour class.

Students of Vocational Department Gain

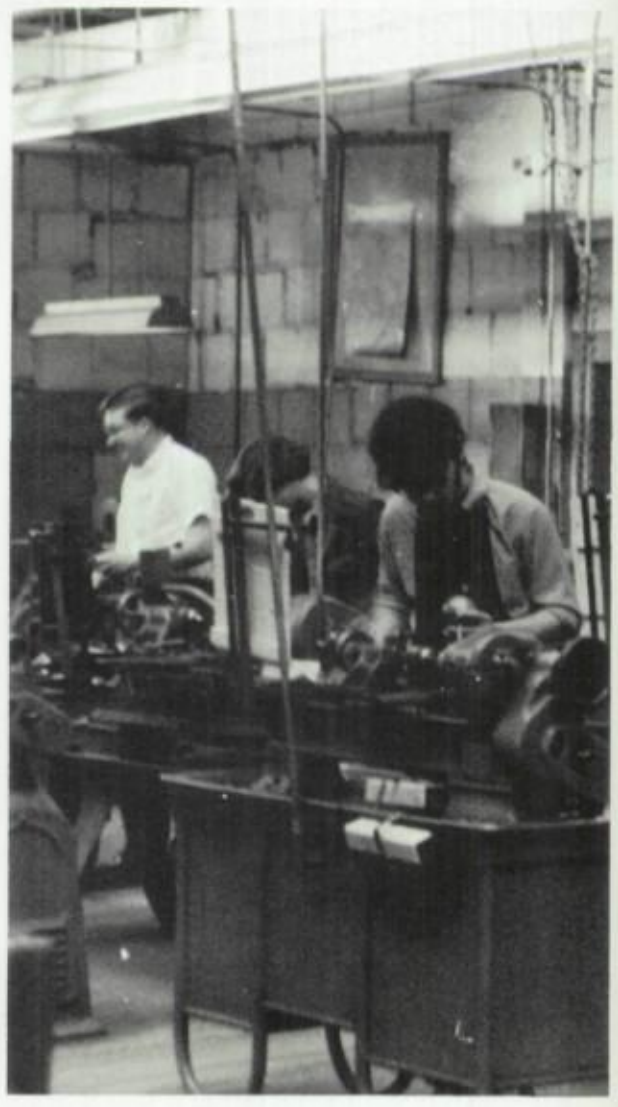
Woodshop gave students the opportunity to gain manipulative skills in the operation of woodworking machines, wood identification, jointing, finishing, fastening and related processes. As students advanced and became more acquainted with building techniques, cabinet and furniture making became part of the program.

Small engine repair and auto mechanics taught students how engines work and repair on them. Advanced students gained practical experience by maintainance on customer's autos.

Handtools, lathe and drill press operation were taught in machine shop. Shaping, milling and grinding machine skills were included. Metals played an important role in this course and also in welding. Welding students were taught to use Arc and Oxy-acetylene welding. Much time was spent on the theory of welding and working in the laboratory.

Learning the basic principles of welding are Mr. Harold Baldwin's 5th hour Welding class.

Using the grinding machines in Machine Shop 4 are some of Mr. Appold's 5th hour students.



Bending hangers to form hanging flower pots in Applied Plant Science are Debbie and Sandy Laney.

Looking at the F.F.A. newspaper are some of Mr. Brown's Vocational Agriculture students.

Valuable Occupational Skills

This year Vocational Agriculture students had a choice between Applied Plant Science and Vo-Ag or both.

Applied Plant Science was a course which covered areas of turf management, plant propagation, greenhouse management, arboriculture, landscaping and flower identification and arrangement. Work experience in a greenhouse is also included and a project must be completed by the end of each semester. Other areas covered were fertility, soil formation, soil perspective and cycles, crop production vs. greenhouse and soil monolith construction.

Vocational Agriculture, classes gave a little of each of the above and also livestock agriculture, farm machinery and farm planning. Identification, selection, health practices, feed and shelter requirements, marketing and production skills of livestock was also taught. Instruction was also given for irrigation, farm layout, maintainance of production machinery and limited tractor repair. Vo-Ag students indulged in many projects and a number of field trips were taken.

Listening as Mr. Brown explains the importance of soil rotation are some Vo-Ag 4 students.

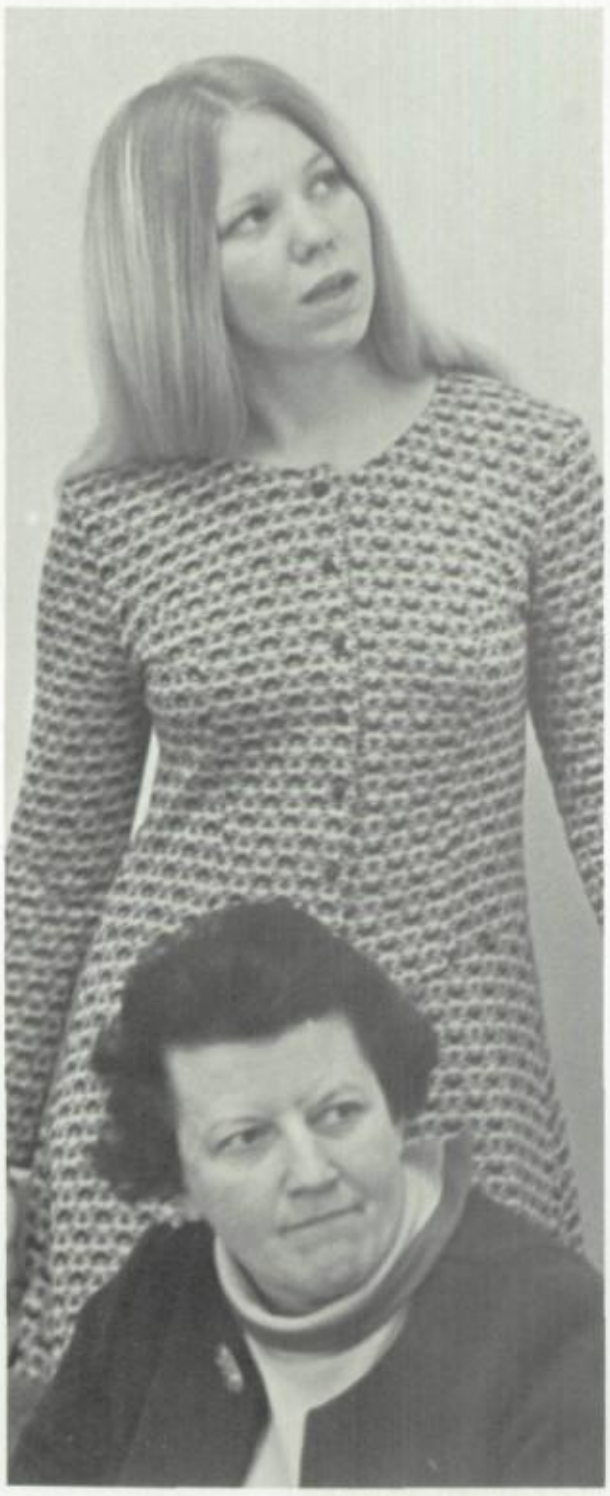
Independent Studies to Broaden Horizons

This past year, a new course was added. It was the Independent study program especially designed to permit students to find an educational program specifically fitted to his individual needs. the student, himself, designed his own program with the help of sponsors, parents and professional business men.

This year's program was a pilot project and during the semester it was refined and polished so as to make a better program for next year.

Each student submitted a written paper as to why he wanted to go on the program. This paper was then submitted to a panel for evaluation and proper consideration.

Making some important decisions as to whom to select for Independent Study is the panel composed of Miss Wyneken, LuAnn Grzegorczyk, Mary ann Coyer, Jim Klass and Mr. Braendle.



Adding their comments to the discussion is Lu-Ann Grzegorczyk and Miss Wyneken.

Getting pointers from Mr. Brown on an Independent Study assignment for Horticulture is Bob Welch.

Trying to explain the American Judical system to his Government class and preparing students for voting is Mr. Richard Balwinski.

Discussing major issues in Contemporary America is the main idea of the class. Here a group of students debate over a recent topic and try to come up with answers.

History Class Prepares Students for Voting

At the first couple meetings in the Astronomy club the tower was cleaned and organized by the members. Mr. Murphy, the supervisor of the Astronomy Club, cleaned the lens of the telescope to get it back in working order for the study.

Scenery and special props were the responsibilities of the Stage Craft Club. This group headed by Mr. Ralph Tennier built and painted the sets for the plays held in the fall and spring of the year and the annual Band Bouce performance.

These students devoted almost all their spare time in preparing the sets, while the actors were learning their lines. Stage Craft responsibility was to create an atmosphere which would captivate the audience and make the play more realistic. Sometimes special props were needed for a certain set which the stage craft group had to create themselves.

Mrs. Anketell, their sponsor, has picked up a nick name from the Thespian members and that is "Mother A". This shows the respect and devotion she has from all the members. Being a Thespian was a great honor and all the members found it rewarding.

Homecoming Week's Activities Generates

Straining to take the last few bites is 1970 graduate Pat Spydell as Jeri O'Laughlin coaxes him along to finish his fourth plate of delicious spaghetti.

Homecoming Week was just that; a week of planned activities to generate maximum participation from the student body.

The Homecoming committee, headed by co-chairmen Myra Selby and Mary Beetham, started the week off with a spaghetti dinner and the sauce spilled over into Occupation Day. Students dressed for the occasion; with hobby costumes sharing equal billing with hopes-for future vocations and careers.

This led up to the traditional Pep Assembly where Coaches Engel and Kayner introduced their football and cross country teams. The pageantry proved just the right setting for the formal announcement of Bayne Rupff's selection as Homecoming Queen, by ballot of the entire student body.

Then there was the all-too-short time to put finishing touches on homecoming outfits, props and decorations, which were accented by smiling faces, for the night-time ceremonies, the football game itself and the Homecoming Dance. It climaxed a week to truly remember.

Central Harrier, Bob Hunt, presents trophies to Assistant Vice Principal, Mr. David Braendle. Cindy Hardy and Paul Sherbeck look on during Homecoming Assembly.

thusiastically waiting for the announcement of the 1971 Queen are membes of the senior class at the omecoming assembly, preceeding the evening ceremonies.

"Smiling Faces" Appropriate Theme for '71

Homecoming '71 was indeed enhanced by smiling faces. From the nine pretty girls representing their classes on the Queen's Court, to the decorations at the dance, to just plain happy students after a rainy victory of 35-20 over Grand Rapids Ottawa Hills High School.

The crowning ceremonies took place on the field at half-time, when the rain seemed to stop just long enough for the Queen and her court to make their appearance.

Immediately following the game Queen Bayne and her attendants met new and old faces at the traditional alumni-tea held in the cafeteria. From there, the court and their escorts proceeded to the gym where the "gift giving" ceremony took place before the dance.

Amidst the many smiling faces, music by the James Bradley Review set a perfect mood for Homecoming '71.

Sharing precious moments together, Queen Bayne and her father, Lewis Rupff proceed to her throne.

Assemblies Help Bring Students Together

Although Central students were kept busy, attending five classes in a row, they did find time to relax and get together with friends at various students assemblies. The assemblies were put on by different organizations throughout the school and each get-together offers something different, new and exciting.

Pep assemblies seemed to promote more unity than any other type assembly. This year there were four pep rallies. Each class worked together to out-do each other in competition for the traditional pep jug. Starting out with the traditional homecoming assembly, the seniors were victorious over the pep jug. There were also rallies before the Saginaw High and Arthur Hill games. Later in the year the students got together again for the winter sports assembly.

Entertaining assemblies were also put on. The music assembly featured the number one rated Orchestra, A cappella choir and Central's girls' choir, "The Choraliers". This assembly was put on the day before Christmas vacation.

Listening and concentrating to match pitches, the A cappella choir upholds their fine reputation while singing to Central students at the Christmas Music Assembly.

Sophomore Dance Highlights Halloween

An additional dance this year for Central was the Halloween Dance. The dance took place on the eve of Halloween, Saturday, October 30th.

Sophomore Class sponsored the spirited dance with President Mark Vanderberg as General Chairman. Real pumpkins, wall murals and paper ghosts decorated the gym. The M.G. Classics provided a variety of music for dancing which more than satisfied all the ghosts and goblems. Cider and donuts were offered to satisfy hungry appetites.

As a highlight of the dance, there was a "Best Costume Award", given to one boy and one girl who were chosen by the chaperons. The winners of these awards were Ann Barker dressed as Raggedy Ann and Steve Anderson as Frankenstein.

The dance was so successful and enjoyable, it is hoped that it will be made a traditional affair.

Receiving an award from Cindy Peet and Debbie Reinhardt is Steve Anderson.

Dancing to the enjoyable music of the M G Classics are juniors Paul Pero and Shelly Bierman.

As in the past, this year's Student-Faculty games were as exciting as ever. Competition between these two groups presented the rivalry which has always existed between them.

The student girls tried their best to win over the women faculty but they lost the fight.

The student boys against the men faculty were a different story. By putting all their energy, knowledge and strategy together, the student boys won the game.

Since the competition was rough, the fans thoroughly enjoyed the games, no matter if the spectator was a student or a teacher.

Girls' League Sponsors The Annual

Serving refreshments of punch, cookies and mints are two little elves Jeane Cadena and Sandy Pero.

"Moonlight and Misletoe" was the theme selected for the sixth annual Christmas Ball held at Central High School on December 18, 1971. This was Girls' League's forth year for hosting the annual ball.

Music for the ball was provided by the Draytons. Throughout the dance they played various popular songs, along with songs of their own.

During the intermission, general chairman, senior Sud Flemmer, introduced the Girls of the Season. Also for the intermission the Swing Choir sang Christmas carols, while a group of Central girls, dressed as elves, walked around spreading Christmas joy.

Decorations were created by Girls' League members. Each wall of the gym had a different scene and meaning.

Dress for the ball was semi-formal with a two way bid and all grades were invited. The price for the tickets was three dollars per couple.

Who Says Central is boring with something like Bore (Bring Out Real education) week to keep us busy? The purpose of Bore week is to combat the post winter boredom that accompanies the long period of time between Christmas and Easter vacations.

For the fourth year Student Council set aside a week of March with a day to day list of activities for students to participate in.

On Monday a talent show was held, and a barber from the Captain's Chair gave free hair cuts. Tuesday a lawyer came to talk and answer questions on drugs. afterwards they discussed the new constitution. A paper airplane contest was held on Tuesday evening.

Varsity club, Ecclesia and CCC fought it out in a whip cream fight Wednesday evening in the gym. With the assistance of Girls' League, a style show was held fourth and ninth hours on Thursday, March 16.

Seniors First in "Dress-down" Competition

Twirp week was officially proclaimed as the week of February 14th thru February 18th. This year the proclamation was made by Student Council and Ecclesia took the responsibility of planning the dance.

Each class had it's day to dress as Lil' Abner and Daisy Mae. The freshmen started the week off by dressing down on Monday followed by the sophomores on Tuesday, the juniors on Thursday and on Friday the seniors.

Following the game on Friday the Sadie Hawkins dance was held. Couples were wed by Marrin' Sam and Weddin' Wille. Bob Hunt was announced as the 1972 Twirp King after a week-long election determined by the one contestant with the most money in his canister; one penny equaled one vote. After a faculty vote the senior class was proclaimed the best dressed Dogpatch folks. Jim Thompson accepted the silver cup ward.

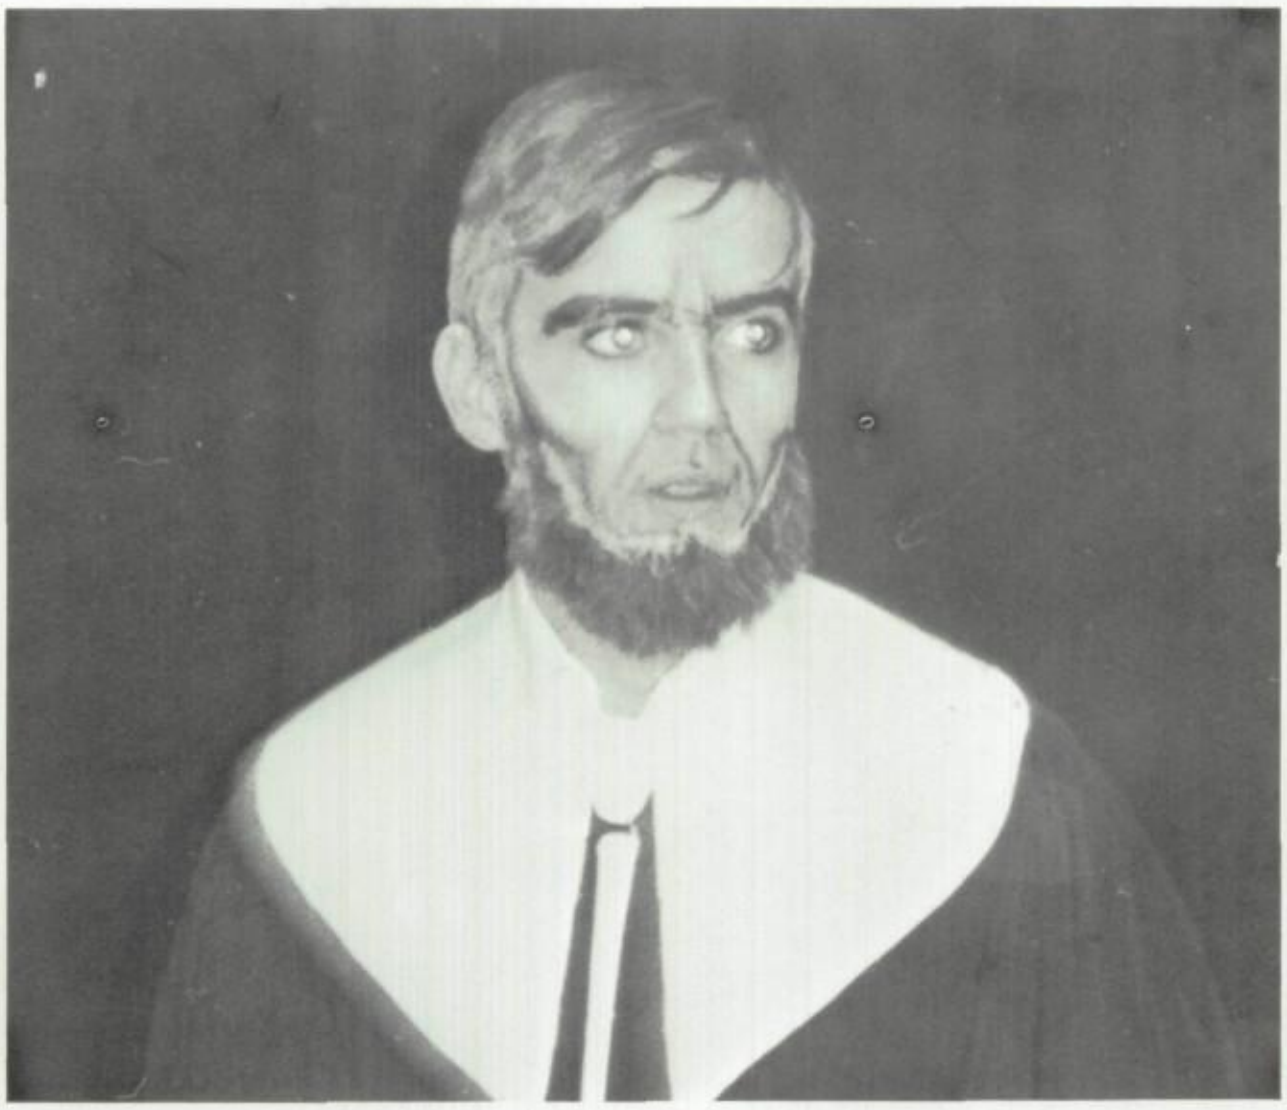
"The Crucible" Proves To Be Highly Dramatic



Displaying the elaborate make-up work used in the production of "The Crucible" is Randy Perkins.

Presenting the annual Fall play sponsored by the Thespians was a group of Central High School students. The play, entitled "The Crucible", by Mr. Arthur Miller was a two act play in which the group gave their presentation on November 18-19-20. Tryouts for the play were held on September 27-28-29, for all students interested in acting.

Again, the members of the presentation were involved in not only the acting but also the production of the play. It included building props, sewing costumes, applying cast make-up and the publicity and advertising of the play.

Preparing for the play took about eight weeks of planning and hard work by everyone involved. Mrs. Ruth Anketell, drama and speech instructor was the director of the play. Sets were designed and completed by the members of Stagecraft under the guidance of art advisor and teacher, Mr. Ralph Teenier.

The leading actor and actress in the play were Jerry VanPelt and Donna Tarkowski.

The cast consisted of 21 members.

Ribbon Prom

"A Time For Us" was selected for the theme of the annual Ribbon Prom. General chairman for the prom was sophomore Myra Selby. Preparations for the prom were discussed at the Girls League's meeting held every two weeks at Central High school.

Decorations were made and completed by all members of Girls League as well as other students at Central. Love seats and park benches by a brick wall covered with ivy were some decorations that were used.

The prom was held in Central's gymnasium from 8:00-11:30 P.M. Highlights for the evening were the presentation of the "Girls of the Month" by President Terri Pero.

Music entertainment was presented by the M.O.R. Company. They played variations of popular songs and some of their own rock songs.

There are many preparations that have to be accomplished before every prom. Not just with the setting up of the gym and getting a band; but also with the people that are going. The girls are fussing with their hair and make-up while the guys are buying flowers and getting a car.

Band Bounce Presents History of Bay City

"Bay City, Michigan U.S.A. was spotlighted in Central's forty-first annual Band Bounce. Under the direction of music teachers, Mr. James Leonard and Mr. Walter Cramer, a cast of 500 exhibited their talents during the production held on Central's stage May 20, 21 and 22 of 1971.

Tracing the historical background of Bay City form pre-whiteman to present day was accomplished during the first half of the production. The orchestra opened the show with "American Salute" and various skits depicted the early life of the city.

Central's Varsity Club made their singing debut as the Barbershop Eleven during the routine of the Charleston Dancers. The A'Cappella Choir brought the act to a close with "Ballad for Americans" with Mr. Frank Serresseque soloist.

Contemporary music was featured during the second act. The Girls' Athletic Association participated, presenting a humorous chorus line to "Frankie and Johnny Blues." The final performance was the traditional 22 girl kickline who did their routine to "Hey, Big Spender."

Saluting Bay City, the Varsity Club sings songs from the early 1920's.

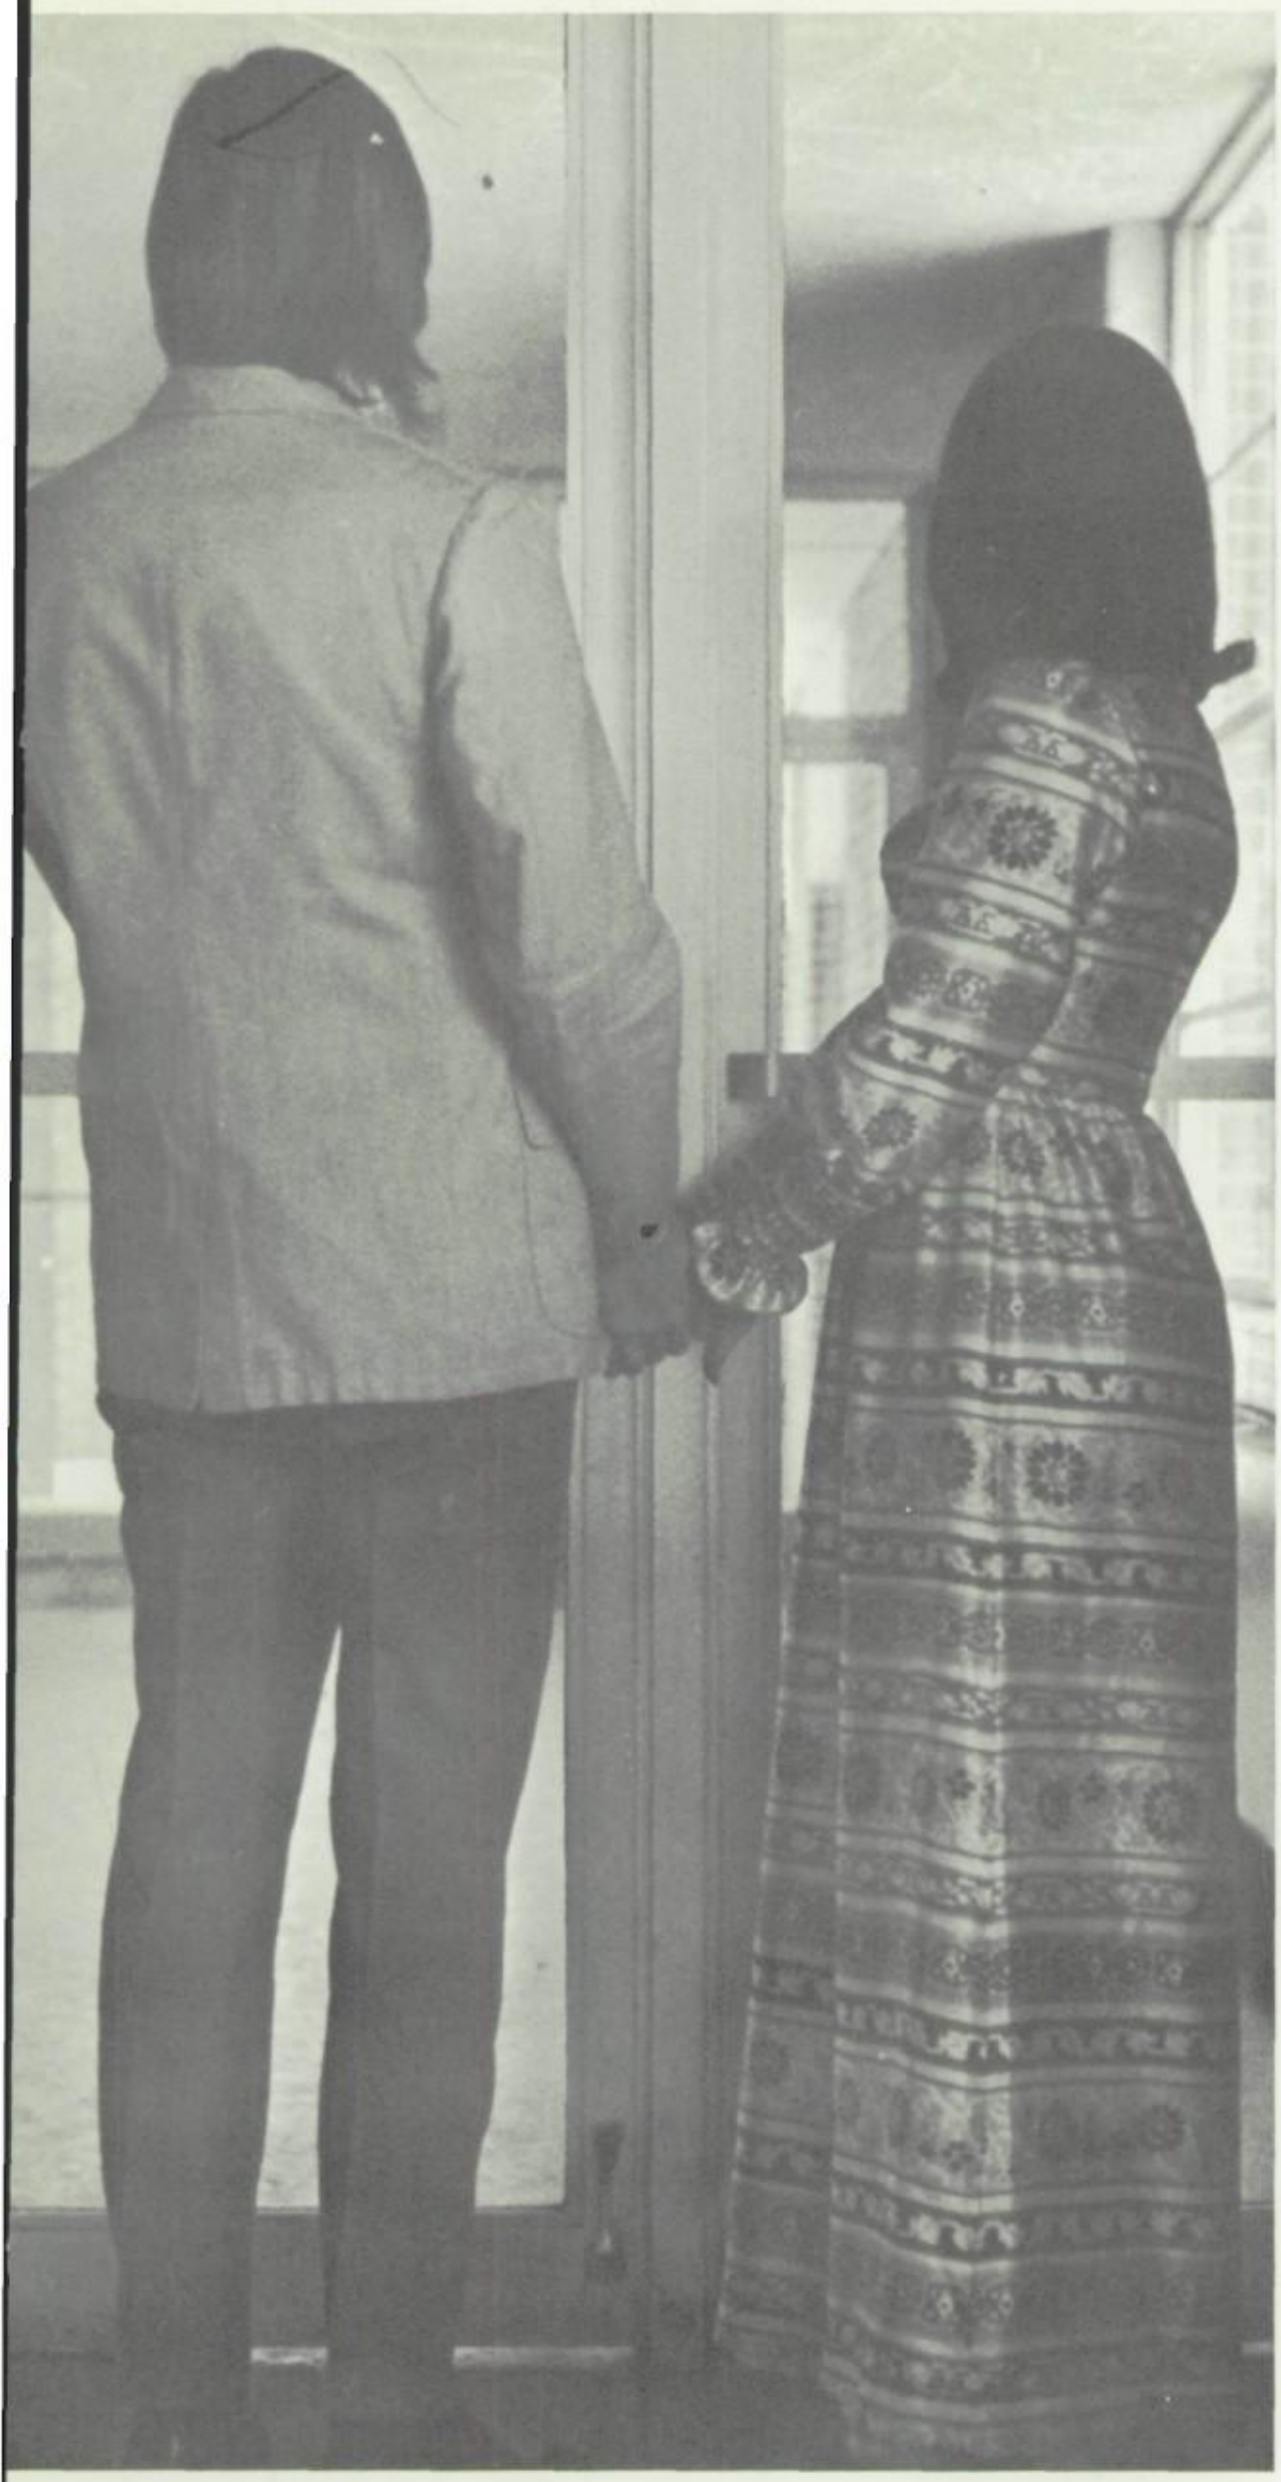
Waiting patiently for their punch as Roger Schmidt serves it is Kenneth Beyer and Linda Jones, along with gesha girls, Sara Norris, Wendy Chapin, Sally Van Sumeren, and Myra Selby.



Taking a moment to collect the many memories that Central has held during the past four years, a senior couple gaze beyond the doors and into a future full of all new experiences.

Gesha girls, Chinese pastries, serene gardens and friendly dragons all added to the oriental atmosphere of the 1971 Junior-Senior Prom.

Organizing and making the special preparations for "An Oriental Sunset" were Sally Berger, general chairman and Camie Maxim, co-chairman. Working under them were Barb MacPhail, decorations chairman; Sandy Bierman, publicity chairman and Myra Selby, entertainment chairman, to secure many of the final touches.

In oriental costumes, gesha girls served punch and dainty fortune cookies. One of the gesha girls, junior, Pam Powers added to the entertainment by performing an oriental dance midway through the Prom. Musical entertainment was provided by the rock group "Revelations 22: 13".

Delta College gardens provided a perfect, romantic setting. Couples enjoyed the flowing fountain, colorful lanterns and the overall atmosphere created in the oriental styled gardens at the college.

At the end of the Prom, the seniors found themselves turning out into a new world, wondering what's ahead.

Streaming from the trees at Handy are a few of Central's calling cards as the pressures grew the night before the big game. All week, each student body took turns decorating both schools.

Students Still Find the Time for Socializing

Sharing everyday experiences with friends and classmates has always played a big part in going to school. Meeting after classes, in the cafeteria and at social or sports events helped make the load easier and the time at school more pleasant. This year, with the new schedule, students found themselves with less time for socializing during school hours. However, the social life of Central's students did not come to a complete standstill. Most students overcame and readjusted to the new scheduling and the spirit of Central remained extremely high.

The traditional rivalry between Central and Handy grew stronger throughout the year and the students found plenty of time for just plain goofing around. Some fund it relaxing to go to the courtyard during their R.L.O. period and others were contented to carry on rap sessions in the cafeteria. However, the students always seemed to squeeze in extra time for socializing and relieving themselves from their busy schedules. This helped to maintain an overall happy student-body.

Showing their enthusiasm by getting together at the sports events during the year are the freshmen.

Competitive people, Determined people,
Fair people and Honest people.
Loyal, Strong and Hardworking people.
A team of dedicated Winning people.

After a shaky opening tie with Saginaw Arthur Hill at 6-6, the Wolves bounced back with a 30-0 romp over Livonia Stevenson. Our Englemen then traveled to Flint's Atwood stadium for a contest against Southwestern where we were soundly defeated. The team desperately tried to make a comeback but fell short of points and time, losing 48-27.

With the Southwestern loss behind them, the Wolves added a string of victories against Grand Rapids Ottawa Hills 35-20, Midland 41-7, Flint Central 21-6 Saginaw High 35-0, and Flint Northwestern 35-0. This brought us into a three way tie for the Eastern Valley Championship with Midland and Flint Southwestern.

The traditional Central-Handy game was the most dramatic game of the year, with the number one team in the Western League against the number one team in the Eastern Valley League. This long awaited game was the most exciting for both teams. The Wolves held the Wildcats to a 6-6 tie.

The team ended the season the same way it began, with a 6-6 tie. The Wolves final record was 6-1-2.

Caught in action as the ball is hiked is Kim Mielens during the 62-18 victory over Handy High School.

Planning the next move are Coach Syring and a player.

Many difficulties were overcome by the Junior Varsity Wolves this season. Starting with an incomplete schedule and an open date that had not been filled and some injuries seemed to add to the teams delima. There was one tie with Flint Central. The JV football team had a year of "ups" and "downs".

The opening game against Arthur Hill ended in defeat with a 20-8 score. Other losses were to Flint Powers, Flint Northwestern and Saginaw High. Helping the team were the victories over the Midland and Flint Southwestern teams. But the JVs were still striving for perfections.

With much team effort and spirit in the final game against Arch Rival-Handy they showed their abilities. The final score was 62-18. The team played the kind of game they were capable of playing. A great way to end the 1971 season.

Cross Country Team Reconquers

Striving to reach his final goal is varsity runner, Dennis Bellant, a senior this year.

This years Cross Country team captured first place in the Valley for the second year in a row. The varsity harriers, led by Bruce Johnson and Bob Hunt showed great results by the Central squad. Five lettermen returned this year, Bob Hunt, Bruce Johnson, Dana Copus, seniors and juniors Larry Graves and Bob McGee.

Working hard this summer to reach the 1000 mile plateau were three dedicated runners Bob McGee, Dave Meridith and Mark Vanderburg. All achieved this milestone. Other runners were Hunt, Johnson and Graves, all with better than 500 miles.

Coach Allen Kayner and his team won the Valley and went on to win the County and Regionals. This years team consisted of approximately 30 runners with quite a few freshman participating. Also running on the varsity team this year were seniors Dennis Belont and Jay Higgs.

Harriers Receive Disappointment at State

Bay City Central's Cross Country team traveled to Ypsilanti to participate in the State Cross Country meet. Much to their surprize the harriers finished 14th.

Bob Hunt placed third with the next Central runner, sophomore Dave Meridith capturing 59th. St. Joseph won with 97 points while Flint Kearsly captured second with 120 points. Coach Al Kayner's squad, totaling 214 points last year, inflated that to 316 points this year. The team finished in sixth place last year.

The harriers ended their season with a 4-1 win-loss record. According to Coach Kayner, this years team was the best he has ever had.

Golf Team Places in Bay City Invitationals

Displaying some of his techniques on the putting green is Doug Anderson, as Coach Meeth intentively looks on waiting to make constructive suggestions.

This year Central Golfers placed first in the County Match. The team also tied for the Valley title with the Midland and Flint Southwestern teams. Central's golfers played in the fall instead of the spring this year. Both Coach Robert Meeth and the golf team favor this change.

Last years golf team placed fourth in the Bay City Invitational. Doug Anderson, for the second year in a row, captured a first place medalist with a score of 75.

The main weakness of the team was their lack of experience. Only three players returned with experience from last spring.

1971 Golf Team consisted of players Doug Anderson, Richard Klopf, Richard Wattkins, and Doug Wirt who were all lettermen.

The wolves had an excellent year being only two players, Sampson and Klopf, left.

When the girls' volleyball season ended this year, all the players on both Varsity and Junior Varsity were very pleased with the results. The coaches, Miss Jean Fischer, of the Varsity and Miss Fran Danek of the Junior Varsity had great praise for outstanding effort and accomplishment which spiked the greatest season the Wolfettes ever enjoyed.

The Varsity team were Valley Champions with a ten-two record and they managed to avenge each of the two losses. Ann Barker was most valuable, Nancy Szczesniak, most improved and LuAnn Grzegorczyk received the Spirit Award, as voted by their team mates at the end of the season.

The Junior Varsity finished the season with a nine-three record, making them one of the top teams in the Junior Circuit. The team voted Lois Wendt, most valuable and most spirited player. The honor of being the most improved went to Anne Gallagher.

The season was so successful that it will hold the Centralites captive until next season, hoping for a perfect record, which is the only thing that could surpass this year.

Junior Varsity Mattmen Have a 5-5 Season

Exerting every bit of energy, fighting his way out of being taken down for a pin during the wrestling match at Bay City Handy is Jeff Beson.

As the Junior Varsity's Season progressed a great deal of effort was put in and valuable experience was gained. Due to the teams' enthusiasm a losing start turned out to be a fairly successful season. The Mattmen finished with a record of five wins and five losses.

The Junior Varisity did quite well in the Bay City Invitational with a seventh place and a third in the Sophomore Tournament. Individual accomplishments were Warren Liken with a first place and third going to Mark Adams, in their divisions.

Coach Gary Frieders seemed to think that a great deal had been accomplished between the first match and the last match of the season which made him anticipate a successful season for the 1972-1973 season. Coach Frieders also felt that every team member did his best during every match in '72 and was especially satisfied with the great effort put forth by Gary Talaga at 126 lbs., Warren Liken at 132 lbs., and Mark Adams at 145 lbs. With prospects of a stronger team next year the outlook is very promising.

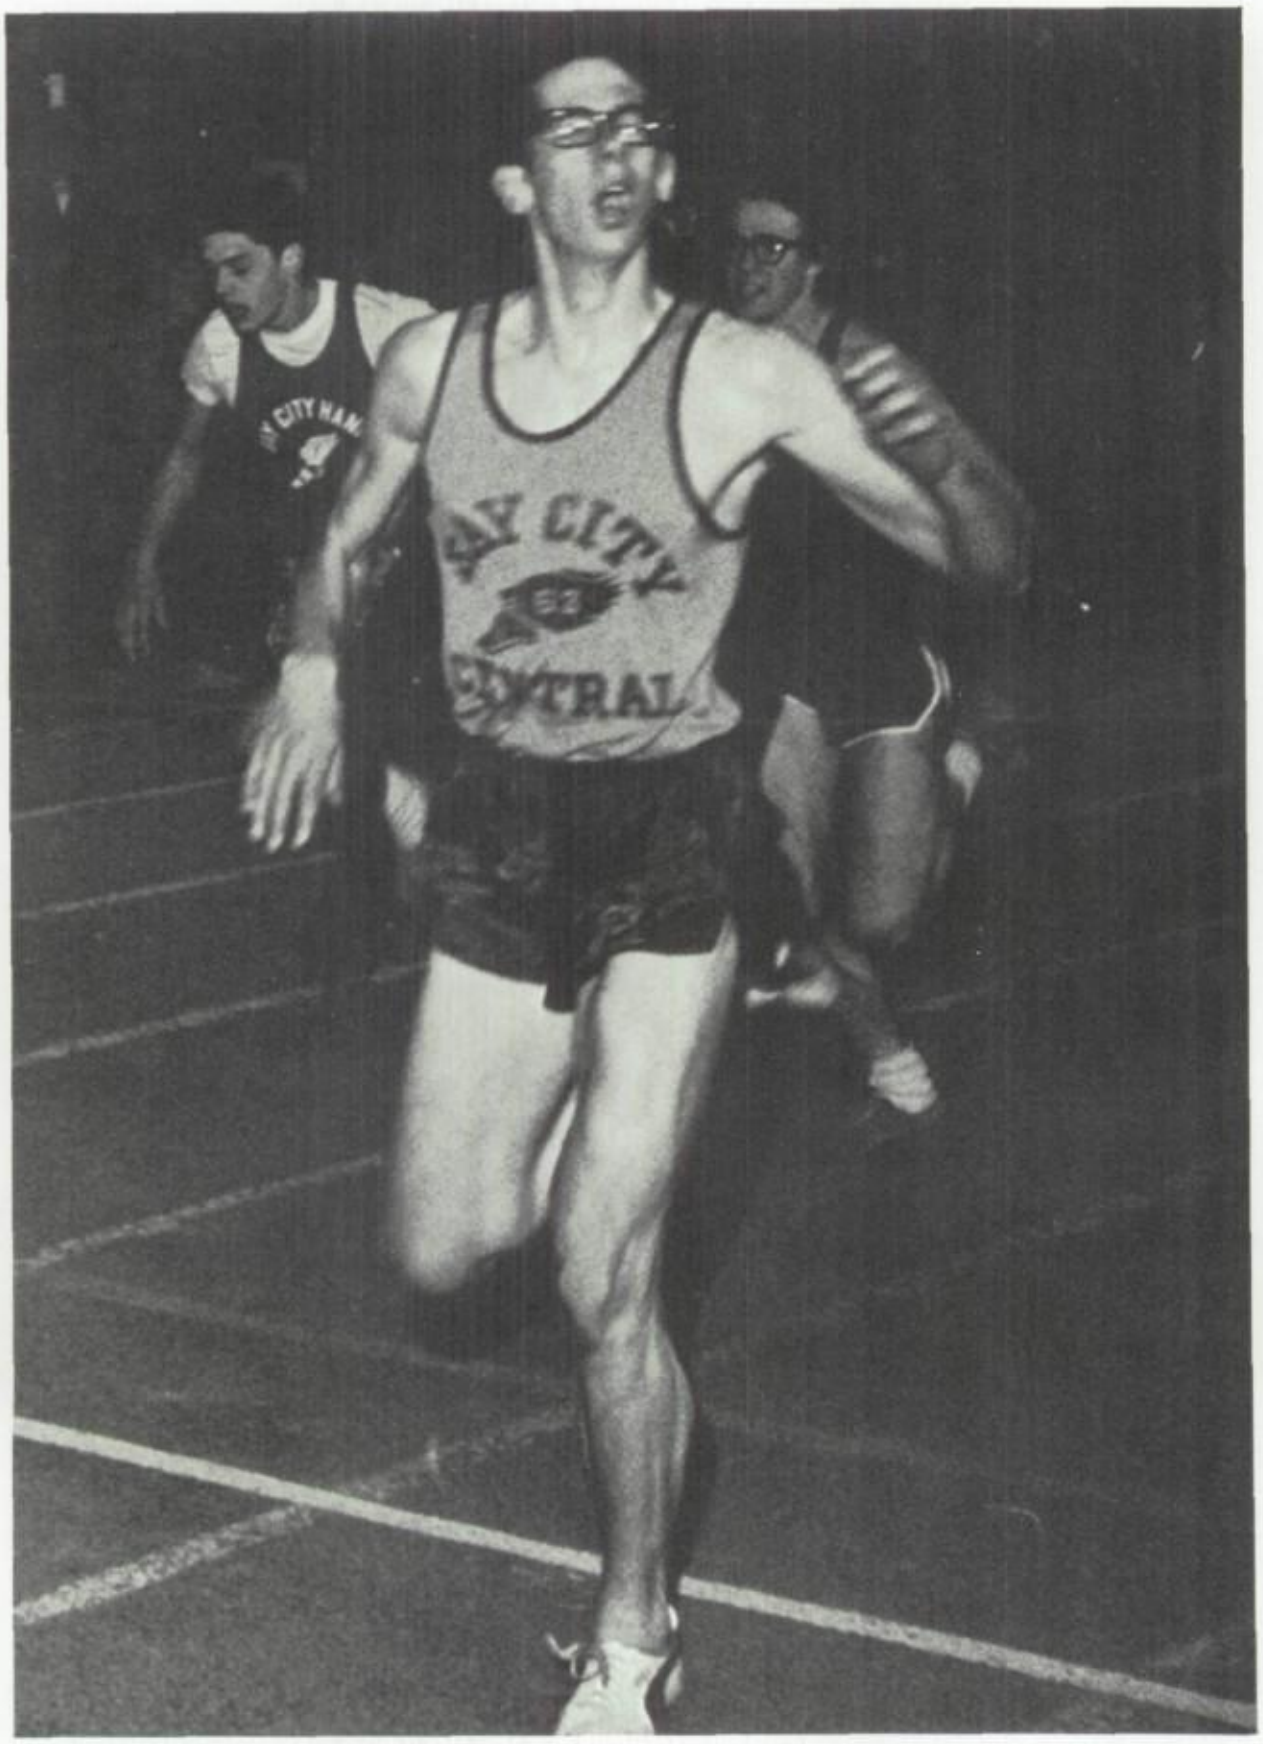
Wolf Runners Capture Firsts



Gasping for breath as he is first to cross the finish line at the County Meet is Rick Jankowiak.

Central's Track Team started out quite small when the season began but increased later on. They didn't have a spectacular year but their victories were outstanding.

Five school records fell this year. All the distance marks in the past two years were broken. Distance Medley runners won the first trophy in many years.

Bob Hunt was the only Central trackman to qualify for the State Meet. He was the first to score for Central at the State Meet in five years. In that meet he took fourth place in the two mile.

Rick Jankowiak was chosen the most valuable runner on the basis of his dedication and that he was a repeating Valley and County champ.

Central's Track Team's most versatile man was Barry Hages, competing in four events in almost every meet. He also led in overall points.

Girls' softball stimulated great interest in 1971 with over fifty girls trying out for the inter-scholastic teams. Twenty-six girls won positions on Varsity and Junior Varsity Teams this year.

The Varsity softball team completed a very successful season with a record of seven wins and one loss. The Junior Varsity's season record was 3-0. This placed both teams in the number one spot.

Three players receiving special recognition on the outstanding Varsity team were: Nancy Szczesniak, as most valuable, Sherry Morelli, as most improved and LuAnn Grzegorczyk winning the Spirit Award.

Nancy, a junior, held the number one position as pitcher throughout the season. LuAnn, also a junior was Nancy's catcher. Nancy's know-how to hit the moving target of LuAnn's glove helped keep the opponent's runs to a minimum. Sherry, only a freshman, was a very versatile player and consistent hitter.

The successful 1971 season made Miss Frances Danek, coach of both teams ecstatic with the results.

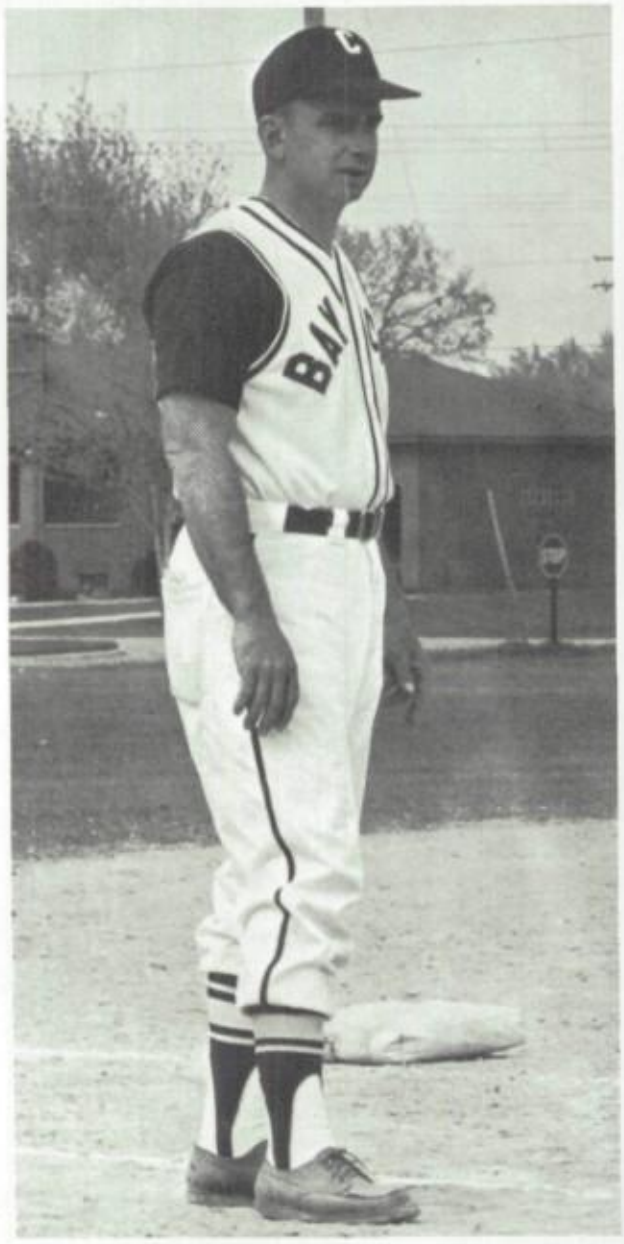
Experience was the main factor achieved by Central's Varsity baseball diamondmen as they ended their season with a record of two wins and eighteen losses.

They played two games in the State District tournament. Their first opponents, Banger John Glenn, were defeated by a score of two to one. They were eliminated by a strong Midland team ten to nothing in six innings in a crucial battle.

The most damaging factor for the diamondmen were their errors. In 20 games, they had a total of 63 errors. Also contributing to their troubles was their lack of pitching strength, with Bill Przygocki having a disappointing season with a 1-8 record.

Leading the diamondmen in hitting was first baseman Mike Sowinski. He was the most consistent player with a batting average of.393. Mark Lodeywk followed with .317.



A look of disappointment fills the face of Jerry Toyzan while watching a game.

Junior Varsity Baseball Splits Their Season

The Junior Varsity's 1971 baseball season started off with forty-eight candidates trying out for the team. After all the preseason cuts there were twenty-two eager players ready to begin a hopeful season.

This year the team was divided into two individual teams, freshmen and sophomores. Mr. George Charles, the coach, felt that the sophomore team proved that experience does count when they won most of the games out of the Junior Varsity's season record of nine wins and nine losses.

John Laskowski, freshmen, was the most valuable player for the Junior Varsity. John was the first string pitcher and also held the highest batting average, which was .454.

Coach Charles stated that other outstanding players were sophomores Mark Wade, a utility player, Pat Gast, short-stop and freshmen Scott Bierman, the team's catcher.

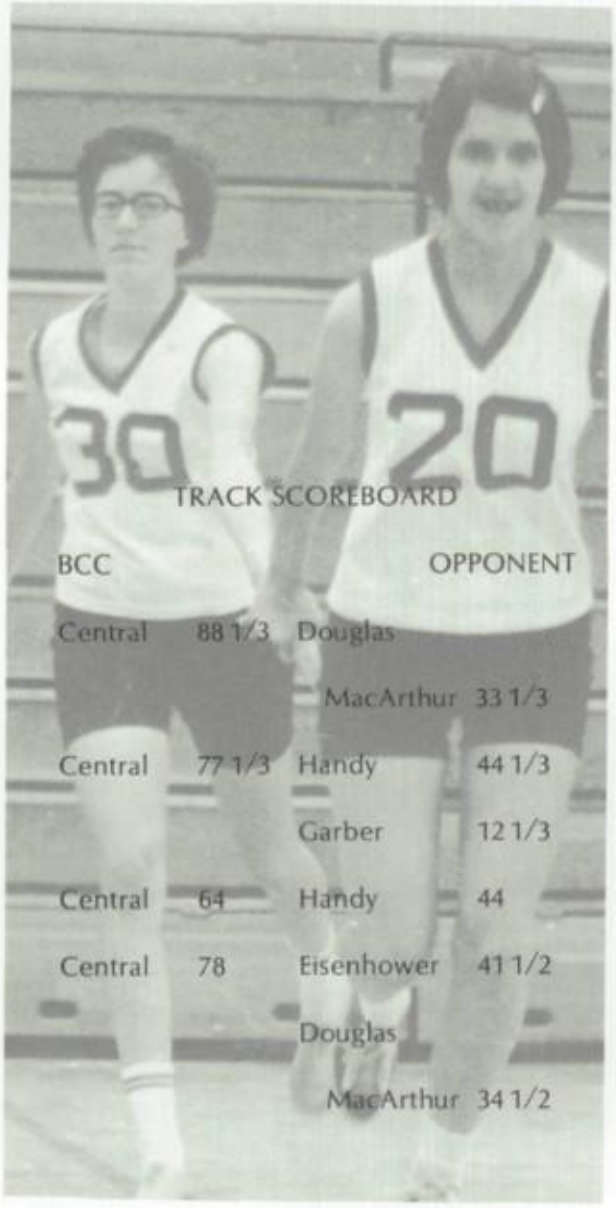
Ten State Records Set by Central Wolfettes



Practicing her hurdling style is Sandy Wylie.

An undefeated season was the good news for Central's girls' track team.

Out of seventy-eight girls who responded to the call of the first try-outs, this year's team consisted of seventeen freshmen, fourteen sophomores, one junior and one senior.

Because of this year's fine performances, Central had ten girls listed in the State Record Book, which is compiled through a Telegraphic Meet because girls cannot have district, regionals or state meets.

Voted by their team as most valuable was Linda Reinhardt; the most improved member, Mary Jo Hardy and the Spirit Award went to Sandy Wylie.

When the season was over, Coach Miss Jean Fischer, had one word for her fantastic team; and that was "wonderful". As well as the team did, Miss Fischer, still feels that improvement is possible and with all but one girl coming back next year, she is determined that her girls will break all previous records set this year and once again repeat as undisputed champions. The coach is ready; the girls are ready, willing and able. Opponents, beware!

The girls' swim team came through with another undefeated season in 1970-71. There were 26 girls who made up this outstanding team.

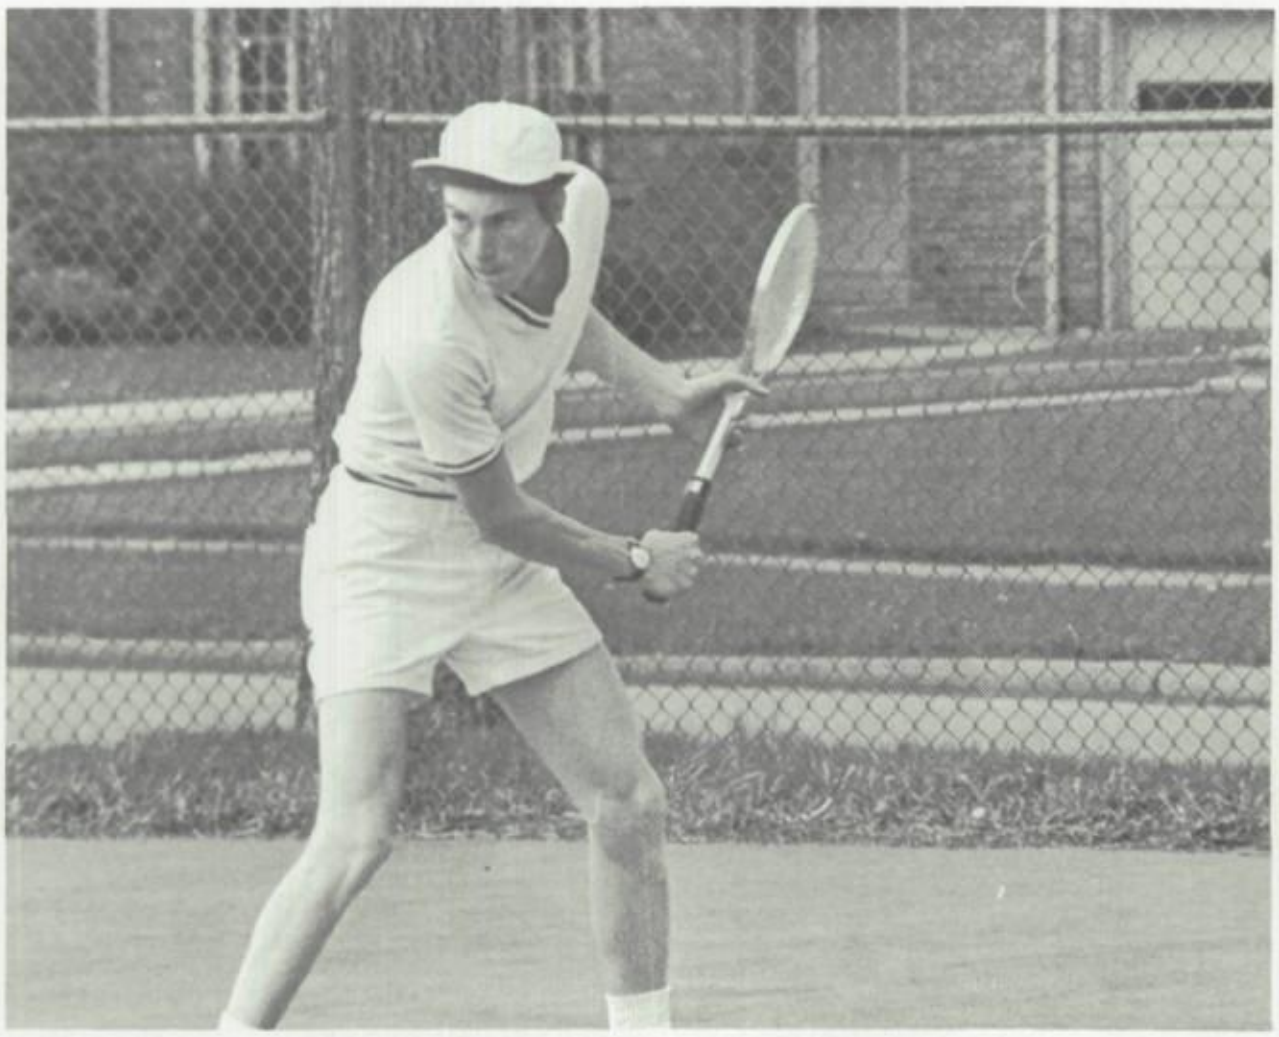
Even though the season consisted of only two matches, both against Arthur Hill High School, Central proved itself by taking eight first places out of the twelve events with a total score of 72-45 in the first meet and again taking eight out of twelve first places available with 74-45 in the second encounter.

The Wolfettes broke records during these matches in the 160 yd. free relay, 80 yd. I.M., 40 yd. fly, 80 yd. free style, 40 yd. breast and the 80 yd. free relay. These accomplishments verify a very strong team.

Mrs. Kathy Taylor, coach of the swim team, is really looking forward to next year when her record breakers and the majority of the team will be coming back.

Beginning an inward-tuck dive, Debbie Badour.

Netters Return — Anticipates Strong Team



Awaiting in tension for a serve is Dan Webb.

Tennis teams this year were young and inexperienced with the boys having only two lettermen back and the girls with a completely new squad. Fred Shearer was the only team member who qualified for the Regionals. Rajean Luebs was chosen as the most valuable player for the girls' team.

The boys' season record was five wins and four losses; the girls' with two losses to Regina High. Though Central did not finish too high in the standings, individual efforts gave good competition to opponents. The majority of all the matches were extremely close.

Dean Woody and Dan Webb were the only two seniors on the boys' team; with the rest of the players returning, Coach James Reed anticipates a strong and very competitive team next year. With all the girls' returning next year the girls' coach, Mr. Kathy Taylor, feels very confident that their team will be strong in spirit and strength.

With all the material the coaches have to work with we should expect strong contenders and perhaps first place teams next year.

Work Rewarding for Graduates As Seniors

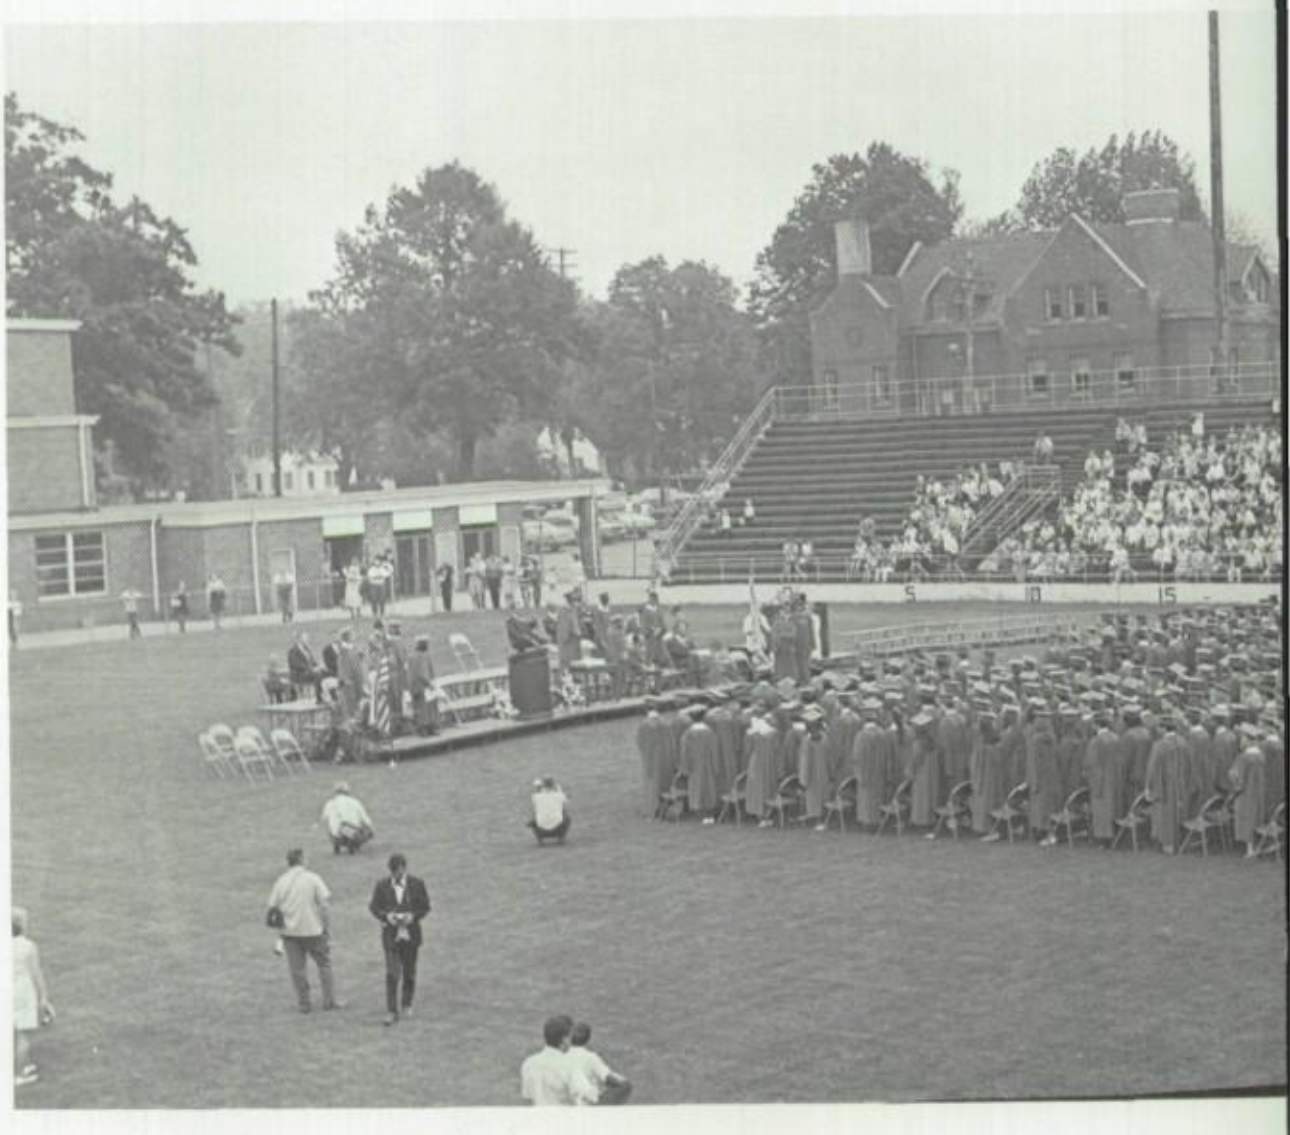
Honor Students — Graduation

Years have passed, work has been completed and the rewards have been given. The Honor students of this year's graduating class have worked hard and now have been recognized for their many achievements.

Of the 32 Honor students of 1972, nine of them graduated Magna Cum Laude. The required grade point average of this honor was 3.8. The remaining 23 Honor students graduated Cum Laude by achieving a 3.45.

Now as the year comes to a close, the long awaited graduation of the 720 seniors was finally becoming a reality. The commencement exercises, which took place June 8, 1972, contained many mixed feelings and emotions. School activities, homework, proms and parties were all a part of their memories. Many were happy while others looked back with a little sadness. Although their high school years have passed, a new phase of their lives begins, whether it be college, a job, or marriage.

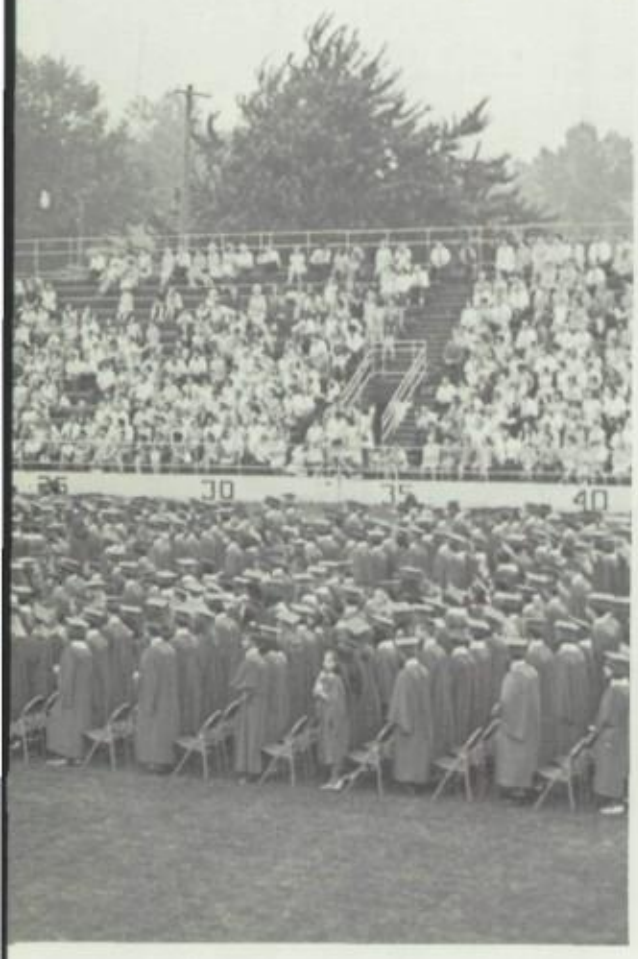
As the final day approached, the Seniors, in their caps and gowns, walked the halls for the final time as students of Bay City Central.



Standing for the National Anthem at the beginning of the commencement ceremonies which were held in the stadium, are the graduating seniors at Bay City Central.

BAY CITY CENTRAL'S 1972 CUM LAUDE GRADUATES — FRONT ROW: John Glave, Jennifer Frank, Mary Cathcart, Judith Ewing, Kathy Fahrner, Mary Beetham and Debra Babinski. *SECOND ROW:* Kathy Martin, Douglas Harrison, Elizabeth Atkinson, Sandra Bierman and Gregory Vaugh. *THIRD ROW:* Amy Ulrich, Sabine Schoefeld, Marie Awad, Dale Clarey, Larry Deutsch, Mark Butterfield, Dana Copus and Paul Sigelko.

Bid Their Final Farewell to Bay City Central



Awaiting their final step in the educational process are some of Central's Seniors.

Juniors Elect Class Officers for 71-72 Term

JUNIOR OFFICERS — SENATORS, *STANDING:* Roger Schmidt, Tom Taylor, Merrylie Feinauer, and Jim Klass.OFFICERS, *KNEELING:* Monica Smiley, Steve Schlatter and Camie Maxim. Missing is Paul Pero.

Familiarized with the surroundings at Central, the Junior class awaits the final step in their educational program. Acting as advisors for the juniors were Mr. Lester Sherbeck and Mr. Alphons Weir.

Various tests preparing the college bound students were scheduled throughout the year. They included the Preliminary Scholastic Aptitude Test (PSAT) and the National Merit Scholarship test, which are both used in college admittance.

Handling complete responsibility of the annual Junior-Senior Prom was one of the activities performed by volunteers from the Junior Class. The prom took place in the spring.

SOPHOMORE OFFICERS — CLASS OFFICERS: Dee Prophater, Cyndy Peet, Mark Vanderberg, Debbie Reinhardt. SENATORS: Jeff Mono, Shelley Bierman, Janet Janet Miksa, LuAnn Babinski.

The class of '74 returned for thei second year of roaming the "mighty" halls, discovering new classes and par ticipating in the many school activitie at Central.

As freshmen, everything seeme strange to them, but as sophomore they relaxed and began to enjoy th three short years ahead. They starte off the year by sponsoring a "Hallow een" dance in the gym.

One of the most important thing about being a sophomore was orderin the class rings. Procedures wer changed this year. Representative brought samples to the school for or ders. As planned, the rings arrived i mid-November, 1971.

'Frosh' Hold Bake Sale for Needy Family

ON THE LADDER — *TOP:* Senators Tom Szcesniak, Ellen Neering, Debbie VanSumeran, Mary Hicks. *STANDING:* CLASS OFFICERS Kathy Schultz, Debbie Good, Duane Schmidt, John Klass.

Once again this year freshmen faces red from initiation, wandered the big halls of Central.

Many problems each new freshman faces upon coming to a large school is remembering where and when each of their classes are.

This year the freshmen class proved itself to be one of the very spirited classes. At a pep assembly a tie between seniors and juniors was suddenly broken when the freshmen took the pep jug.

Also the class of '75 will have the pleasure of seeing the complete renovation of Central. Renovation was scheduled to begin in the spring of '7 and end in '75.

Renovation Goals Are Set by School Board

Checking over renovation plans for the expansion of the schools is Superintendent Alvin Zachrich.

Mr. Alvin Zachrich served his second year as Superintendent in the Bay City Public School System.

Mr. Robert LaRocque was elected President of the School Board replacing Mr. Paul Rowley, however Mr. Rowley remained a board member.

Two new additions to the board were Mrs. Velma Phillips of Bay City and Dr. Larry Copus of Auburn.

This year Dana Copus, Vice-President of the Student Council, represented Central students at the School Board meetings.

One of the accomplishments of the board was the starting of the Auburn High School. "Bay City School Systems third high school is no longer a dream but a reality," said Alvin Zachrich. Ground breaking ceremonies took place in Auburn on November 27, 1971. Classes will begin in the fall of '73. Plans were also made to renovate Central High School.

Stressing his point at one of the many faculty meetings is Vice-Principal, Mr. Alan Bryant.

Administration Encounters 72 School Year

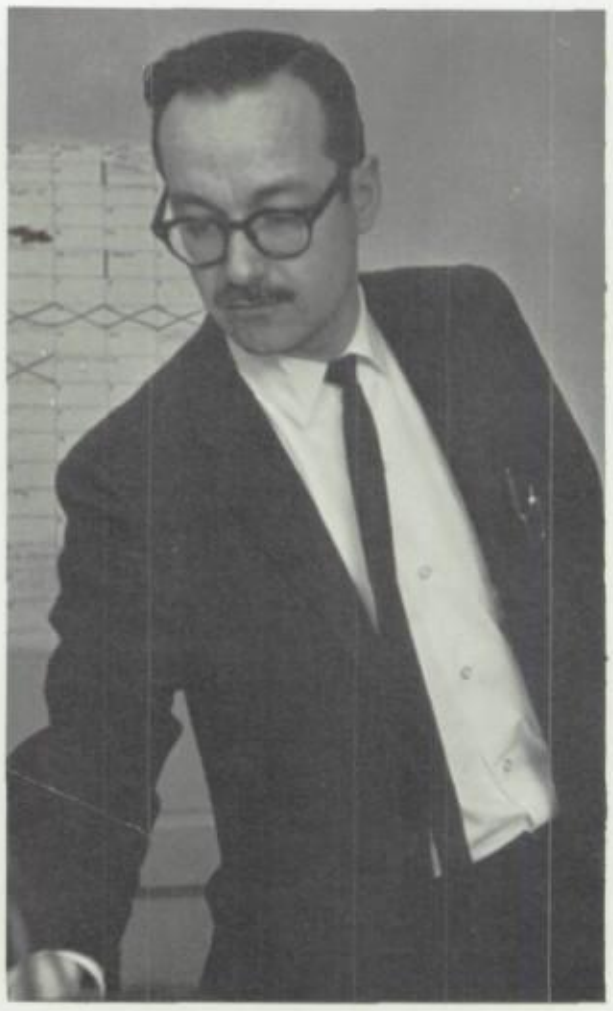
One of the administration's main objectives for this year was to continue a meaningful relationship with students and faculty, inspite of the existing split schedule.

Another administrative change involved the movement of all counselors and Aid-Consultants to the Guidance Center. The establishment of the attendance office with Mrs. Vivian House, head of daily attendance, took the burden off counselors, enabling them to work directly with counseling.

Mr. George Curtis, Principal, is serving his fourth year on the administrative staff. Working with him on the curriculum, scheduling and programming of 3,314 students was Mr. Al Bryant, Vice Principal.

Filling the duties as Assistant Principals were Mr. Ed Langenburg and Mr. David Braendle. Mr. Langenburg's responsibilities included disciplining and the behavior problems of the students. Mr. Braendle, former Journalism and Bi-weekly instructor, held the administration's newest position. He delt with the curriculum, Public Relations and with the In-Service Programs in Bay City.

Thinking seriously about discipline problems of Central High School, is Assistant Principal Mr. Ed Langenburg.



Grabbing a sandwich before rushing to a meeting is Assistant Principal Mr. David Braendle.

Taking time to find satisfactory solutions to obvious scheduling conflicts is one of the many tremendous tasks of Miss Helen Wyneken, Central's student dean.

Schedule Produces Confusion for Staff

Taking calls for counselors is Mrs. Marcella Schmidt, Counseling Receptionist.

Speaking with a concerned parent is Mrs. Doris Pease, Minority Counsultant.

Pondering a few problems a student is having is Mrs. Thrash, Minority Consultant.

A new procedure for counseling was taken into action this year at Central. Instead of having the usual two counselors for each grade, students were assigned to a counselor according to the alphabetical letter of their last name.

All the counselors were kept extremely busy throughout the year. They tried their best to help students with problems they needed to talk over with someone, scheduling for second semester and also solving schedule conflicts.

A speech classroom and science room were redecorated for counselors this year. Each counselor was given his own office.

Mrs. Pease and Mrs. Thrash were Central's minority students consultants. THey scheduled most of the minority students and just talked with anyone who needed help.

Only one dean was at Central this year. This was Miss Wyneken, who helped specially to settle schedule conflicts and discuss future ideas with the students.

Mr. Brissette was the only new counselor this year at Central.

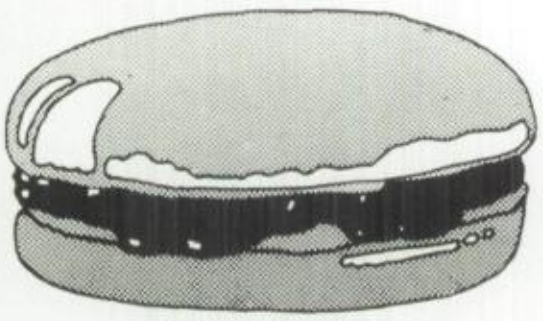
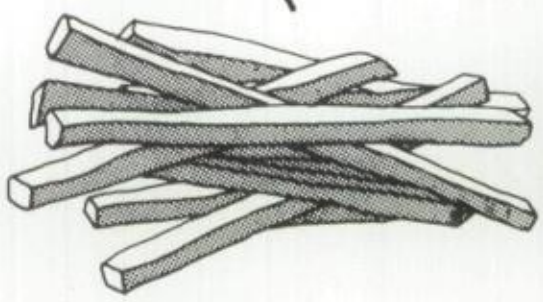
McDonald's Guide to the care and feeding of the student body.

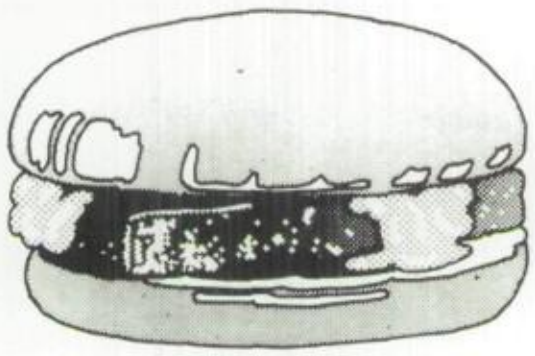


The Hamburger
To make eating simple, start with the basics: A pure beef pattie on a satisfying bun. Uncomplicated and good.



French Fries
With sandwiches, or alone. Or with friends. Being lightweight, as well as crisp and fresh, they're portable.

Coca-Cola
Bubbly. Icy. Soothes and refreshes the throat, mouth, and mind. Cools the tummy.



Filet O' Fish
Tasty white filet. Special sauce. Lettuce. A delicious bun. Something different to keep the stomach from getting bored.

Coffee
It can keep your eyes open. That's pretty important in classes, cramming, or staying up past your bedtime.

Milk Shakes
Chocolate, Strawberry, and, of course, your basic Vanilla. Cool, smooth, at home in any body.

Big Mac
For those with big appetites. Two beef patties, lettuce, cheese, a special sauce, and a triple decker sesame seed bun.

Hot Apple Pie
Lots of apples in a crisp, delicate crust. It serves as a cure for homesickness. Keep one under your pillow for a late night snack.

Deadlines have passed, layouts are finished, copy has been written, pictures have been taken developed and cropped, headlines and captions have been written and counted, the pages are finished and we now hand over to you our goal — CENTRALIA 72.

Without the help and the assistance of many devoted and concerned people the production of this book would have been totally impossible. We'd like to take this opportunity to thank and acknowledge them.

First a special thankyou to Mr. Leonard Ecker, our advisor, not only for his leadership but also for his patience with an inexperienced staff. It was our priviledge to have Mr. Ray Figg as our publications representative.

We would like to thank Mr. Clyde Dirla, The Bay City Times, and Mr. Donald Baker for their help and time in taking and developing pictures at the last minute.

Also a thank-you to the Board of Education members, administration, faculty and staff and the students themselves.

Centralia 72 isn't just another yearbook. A book of records and memories to the staff it represents an accomplished goal, an achievement we've all worked for with determination and with odds against us. It symbolizes friendships and memories no one else can comprehend or imagine.
